While searching for ADAM, REVE WALSH came across her mother-in-law, identified as JEAN WALSH who happened to be shopping in Sears at that time. REVE asked JEAN if ADAM was with her and she stated that he wasn't. Sears employees continued to page ADAM WALSH's name approximately every fifteen minutes with negative results.

The systematic search of the Sears store and the mall was conducted by Hollywood police personnel which concluded with negative results. A command post was then established at Hollywood police headquarters detective bureau. Hollywood police, Citizen's Crime Watch members and concerned citizens joined in an organized search in the City of Hollywood and surrounding areas for ADAM WALSH.

People who were at Sears and the mall were interviewed by Hollywood Police personnel in an attempt to locate any possible witnesses who may have seen ADAM WALSH on that day. The following people are the individuals who may have seen ADAM WALSH in Sears: TIMOTHY POTTENBERG, ANGELO ACCETURO, GREG RIZZARRY, ANDREW SATILLO, JOHN SATILLO, JAMES MARTIN, KATHY SCHAEFER, AND JOANNE BRAUN. When the above mentioned witnesses were first interviewed it appeared that this investigation was that of a missing child incident and in depth interviews were not conducted at first by the investigators.

After being unsuccessful in locating ADAM WALSH on 7-27-81, a massive search continued for the next fourteen (14) days. On Monday, 8-10-81, at 1845 hours

search the canal for additional remains of the body but none could be located  
 A massive search along the turnpike for physical evidence and ADAM WALSH's remains was conducted. This search did not reveal any additional evidence in this case. Due to the above mentioned circumstances it appeared that this location was just an area to dispose of the severed head and that the homicide occurred elsewhere. It was determined by Lt. He advised that during the time he was at the WALSH residence that ADAM did get up and was laying around on the sofa in the living room. He advised that he left the residence sometime around 10:00 to 10:15 A.M.

Mr. CAMPBELL advised that he couldn't understand why the WALSH's would be upset with him keeping ADAM out until midnight when when he lived at the residence it was left up to him to make sure that ADAM went to bed between eight and eight-thirty p.m. and that he was more strict with ADAM than either JOHN

that he knows of was not there that day but two individuals unknown to Mr. Campbell were at the Thunderbird when he had gone up to the hotel to borrow sails.

When talking with Mr. Campbell concerning his activity at his sailboat concession at the Golden Strand he advised the undersigned that he was going to call REVE WALSH and advise her that he had changed his mind and was going to pick ADAM back up and advised that the time was approximately 12 noon. Mr. Campbell advised that although he did change his mind and was going to call REVE he could not remember if he did attempt to make that telephone contact with REVE WALSH on that date. It was obvious at this time that Mr. Campbell was in fact aware of the fact that REVE was going to take ADAM and go to the Sears department store after first going to St. Mark's Lutheran church to re-register ADAM in school. Mr. CAMPBELL had advised the undersigned and Det. Jack Hoffman that in his conversation with REVE she had mentioned that she wanted him to take ADAM to the hotel with him thus allowing her to be free in the morning to take care of the school registration for ADAM and then going to the Sears store and then from there to go to the Apollo Gym where REVE was to work out at approximately 1:00 P.M. that day. The undersigned asked Mr. CAMPBELL since he lived in the WALSH residence for approximately five years and was very close to ADAM and the family, which parent that he thought ADAM was the closest to and Mr. CAMPBELL advised that he thought that ADAM was closer to REVE than to the boys father JOHN.

Mr. CAMPBELL volunteered that while he lived at the house that ADAM was always in bed by 8:00 to 8:30 P.M. further advising he was more strict with ADAM than either JOHN or REVE were.

Mr. CAMPBELL advised that he was always taking ADAM out and having activity with ADAM while he lived in the WALSH residence. The undersigned questioned Mr. CAMPBELL as to the transportation routine concerning ADAM going to school and he advised that he would on many occasions take ADAM to school and on many occasions also pick ADAM up from school.

When questioning Mr. Campbell further concerning the procedure of picking ADAM up from the school being that it's a parochial school, Mr. CAMPBELL advised that on many occasions he would pick ADAM up from the school and would do so without first advising REVE that he was going to pick him up. It was determined that at this point it would be not an uncommon thing for Mr. CAMPBELL to pick ADAM up at the school without telling REVE. Mr. CAMPBELL further advised that on many occasions when he would go to the school to pick ADAM up without telling REVE, that REVE would also arrive at the school at the same time.

In questioning Mr. CAMPBELL concerning his observations as to what type of punishment would be used for ADAM by ADAM's parents, he advised that the only punishment used on ADAM by REVE or JOHN would be to speak to ADAM in a stern voice and have him go to his room and have him clean up his room in punishment.

Mr. CAMPBELL advised that on many occasions JOHN would come home from work and buy ADAM off thus undoing some of the routine that Mr. CAMPBELL had set up with ADAM. Mr. CAMPBELL advised that this practice by John of buying ADAM off would irritate him.

Mr. CAMPBELL advised that ADAM was the type of boy that liked to be cuddled and hugged all the time. As a matter of fact when he left the residence on the date in questions that ADAM was abducted that ADAM was laying on the sofa being cuddled by REVE. In Mr. CAMPBELL's words ADAM liked alot of body contact.

Mr. CAMPBELL advised that he felt that ADAM was a very observant little boy and that perhaps this was the reason why the individuals who had abducted him killed him because ADAM would be able to readily identify the individuals.

Mr. CAMPBELL says that it has been bothering him why this subject or subjects who abducted him, murdered ADAM would dismember his body.

The undersigned having been previously advised that Mr. CAMPBELL had borrowed a motorcycle during the early stage of the ADAM WALSH investigation, asked Mr. CAMPBELL who he borrowed the motorcycle from and the purpose: Mr. CAMPBELL advised that he borrowed the motorcycle from a friend of his who he identified as GORDON SHOT. Upon meeting with Mr. Harold BLUM he advised the undersigned and Det. Jack Hoffman that he believes that the individual that he previously identified as JOHN WESLEY DAVIS is possibly involved in the abduction and murder of ADAM WALSH as he feels that the individual DAVIS, is being paid by the CIA to kill certain individuals in the Vero Beach, Ft. Pierce, Florida area to show Mr. BLUM to keep his mouth shut concerning his would be knowledge of the Watergate. Investigation conducted during the Nixon administration. Mr. BLUM to bolster his reason for believing this suspicion also advised the undersigned that actor Gig Young and his wife and actor Bob Crane Crane were all murdered after having a meeting with Mr. BLUM and his supposedly giving them specific information concerning the Watergate investigation.

Mr. BLUM advised the undersigned and Det. Jack Hoffman that he believes all these murders are as a result of the CIA trying to give Mr. BLUM a message

It is the undersigned's opinion in speaking with Mr. BLUM that he only has mere speculation and suspicion and is apparently trying to show his own self importance and does not have any sound evidence concerning the knowledge of this investigation nor the Watergate investigation.

As a result of the information given by Harold BLUM the undersigned and Det. Jack Hoffman proceeded to the St. Lucie County Sheriff's Department for the purpose of contacting Deputy Reese Parrish to seek his assistance in locating Mr. JOHN WESLEY DAVIS who does live in the Ft. Pierce, Florida area to confront Mr. Davis with this information and to seek his help in this matter.

The undersigned and Det. Jack Hoffman did meet with Deputy Reese Parrish this date and explained to him the nature of this investigation and asked his help in locating Mr. JOHN WESLEY DAVIS. Deputy Parrish advised he was aware of who JOHN WESLEY DAVIS was and attempted to locate him this date. All attempts to locate Mr. DAVIS this date met with negative results and the undersigned and Det. Jack Hoffman left the Ft. Pierce area at 7:30 P.M.

NOTE: Prior to leaving the Ft. Pierce area the undersigned and Det. Jack Hoffman left a business card with the daughter of JOHN WESLEY DAVIS to have Mr. Davis contact the undersigned at a later date.

the necessity for polygraphing subject **CARROLL**. Mr. **CARROLL** was then introduced to Det. Cianfrani at which time the polygraph examination was conducted. After the completion of the polygraph examination conducted by Det. Cianfrani Det. Cianfrani indicated that Mr. **CARROLL** did show signs of deception on approximately four questions that were asked during this test. The questions that indicated signs of deception were those in which Mr. **CARROLL** was asked if he did view photographs of **ADAM WALSH**, and if subject **RAYMOND ALBERTS** showed him these photographs.

In some of the additional questions Mr. **CARROLL** was asked if he killed **ADAM WALSH** or if he participated in the abduction of **ADAM WALSH**. Det. Cianfrani indicated that Mr. **CARROLL** did pass these questions and did not appear to be a suspect in the abduction/murder of **ADAM WALSH**. It should be noted that Mr. **CARROLL** indicated to this detective and Det. Hickman that he hadn't slept during the past three days and was physically exhausted during the taking of this polygraph test. Mr. **CARROLL** insisted that the information that he furnished this detective and Det. Hickman with was in fact the truth. Based on the results of the polygraph examination this detective and Det. Hickman after consulting with Legal Advisor Geoffrey Cohen decided to take Mr. **CARROLL** to the State Attorney's office located at Broward County Courthouse and review the information that this agency had obtained with Michael Satz of the Broward County State Attorney's office.

a polygraph specialist identified as PETER W. BELLER, to administer an additional polygraph examination on RONNIE WAYNE CARROLL. Prior to taking this second polygraph, another voluntary sworn statement was obtained by Asst. State Attorney Rick Garfield in his office along with Detective Hickman. In the second sworn statement Mr. CARROLL relayed basically the same information that this detective and Det. Hickman obtained on November 4, 1981.

After obtaining the voluntary sworn statement of MR. CARROLL, Asst. State Attorney Rick Garfield then introduced Mr. CARROLL to PETER BELLER who would administer the polygraph examination. After a lengthy preliminary interview with Mr. BELLER, RONNIE WAYNE CARROLL was then polygraphed. The area of questioning that Mr. BELLER focused on was the photographs that Mr. CARROLL indicated that he was shown by Mr. ALBERTS and also if Mr. CARROLL was involved in the murder and abduction of ADAM WALSH. Mr. BELLER ran seven test charts on RONNIE WAYNE CARROLL during this polygraph examination. After reviewing the polygraph charts, Mr. BELLER indicated that RONNIE WAYNE CARROLL is definitely an untestable subject. Mr. BELLER stated that it appeared that subject CARROLL is definitely a psychopathic liar. In Mr. BELLER's own opinion he related to this detective and Det. Hickman that he felt that Mr. CARROLL never saw any photographs of ADAM WALSH nor was involved in the murder or abduction of ADAM WALSH.

The assistant State Attorney Rick Garfield was informed of the test results

Due to the results of the polygraph test administered to **RONNIE CARROLL** by the State Attorney's office, Assistant State Attorney Rick Garfield along with this detective and Det. assist in the setting up and monitoring of this listening device that was to be placed in Mr. CARROLL's residence. After having Mr. CARROLL sign the necessary release forms allowing this agency to set up such listening devices in his residence, Detectives Dunbar and Gibbons then installed said device at the residence of RONNIE WAYNE CARROLL located at 1803 N. Gibbons as to what questions to ask suspect RAYMOND ALBERTS should he come to Mr. CARROLL's residence this night.

Wednesday, November 4, 1981, approx. 2030 hours

Suspect RAYMOND ALBERTS arrived at Mr. CARROLL's residence. Upon Mr. ALBERTS entering Mr. CARROLL's residence all conversation was then monitored by Det. Dunbar and Gibbons. Suspect RAYMOND ALBERTS stayed in Mr. CARROLL's residence approximately two and one half hours and during this time period Mr. ALBERTS never mentioned anything about photographs or anything relating to the ADAM WALSH homicide. When Mr. CARROLL asked RAYMOND ALBERTS if he could see the photographs that he had seen previous days, Mr. ALBERTS replied, "I don't know what photographs you're talking about it must have been somebody else". During the two and one half hours of monitoring Mr. CARROLL and RAYMOND ALBERTS conversation the content of this conversation dealt with mostly homosexual desires by both subjects.

At approximately 2300 hours suspect RAYMOND ALBERTS left Mr. CARROLL's residence located at 924 Tyler Street, Hollywood, Florida.

As he provided the information to this agency his story just continued to snowball until it got totally out of hand and he did not know what to do at this time. Using the death of his mother as a reference, it was found that he and HENRY traveled to Texas and California and returned to Jacksonville in June of 1981. They traveled to Texas and California with Freida and Frank Powell.

Upon concluding our contact with OTTIS ELLWOOD TOOLE in the taped interview and statement with him, we left the room, leaving Detective Terry with TOOLE.

Detective Terry approached the undersigned and Detective Hoffman and advised us that TOOLE had told him he had lied in his first statement concerning information that HENRY LUCAS was present with him during the abduction and subsequent murder of ADAM WALSH, when it was shown to OTTIS ELLWOOD TOOLE that subject HENRY LUCAS was actually in custody at the time that he stated he supposedly was with him, LUCAS being in custody in Baltimore, Maryland by authorities for a charge in that state. It was further established at that time by Detective Terry in speaking with OTTIS ELLWOOD TOOLE, that subject HENRY LEE LUCAS, associate of OTTIS ELLWOOD TOOLE, that subject HENRY LEE LUCAS was in fact in custody from July 22, 1981, having been arrested in Pikesville, Maryland by the State Police, and was released from their custody on October 7, 1981. Due to TOOLE being advised of this information by Detective Terry, TOOLE recanted certain information in his first statement and wished to give the undersigned and Detective Hoffman a subsequent statement.

The second statement obtained from OTTIS ELLWOOD TOOLE commenced at 12:30 A.M., 10/20/83 and concluded at 1:53 A.M. For further information, see the second statement of OTTIS ELLWOOD TOOLE.

In the second statement, OTTIS wanted to tell us he lied about HENRY killing the boy.

OTTIS states he was alone as LUCAS was in jail. He stated he enticed the child with candy and toys to get him to his car, and after getting him into his car he locked the doors and windows so he couldn't leave.

He states he hit the child in the eye, causing him to cry. This was done because the child started to cry when he couldn't get out. OTTIS stated he drove ten minutes before he got onto the turnpike.

OTTIS states he drove off onto a dirt road off the turnpike to kill the child. OTTIS stated he killed the child because he was a smart kid and would have recognized OTTIS if he let him go.

OTTIS states the child was unconscious due to OTTIS having hit him so many times in the face and stomach. He states he removed the unconscious child from the front seat of the vehicle and carried him to an area close to where he parked the car, then laying the child face down, chopped his head off with the machete. OTTIS states he used two hands to hold the machete and it took four to five chops to sever the head, and he chopped the head off with blows that were close to the head.

This information is consistent with Dr. Ronald Wright's autopsy findings, which indicate that the victim had to be laying face down; the head was chopped off with five blows; the blows were close to the head as opposed to chopping off just above the shoulders.

OTTIS had stated that he had wanted to take the child back to Jacksonville and raise him for himself.

OTTIS described the weapon he used as being a bayonet, but when he described the blade, it was found that the weapon was a machete, with a wooden handle.

OTTIS stated he stabbed the body after severing the head.

OTTIS states he placed the head on the front seat, and stated he also placed it on the back floor, then stated he wasn't sure where he placed it as he could have placed it in both places at different times.

OTTIS stated he traveled north approximately ten minutes and stopped his car and threw the head into a canal which had a little wooden bridge.

It was established that the victim did not run into OTTIS' vehicle, but that OTTIS had coaxed the boy to his car after fifteen minutes of conversation.

At the end of his second statement, he was questioned as to why he involved HENRY in his statement. He replied that he figured he could tie him up in

The second area of investigation was first, a presumptive blood test of the carpet from the floor of the vehicle and of the seat belt webbing of the vehicle, to determine if any blood traces could be obtained by a presumptive blood test. This was negative.

The next part of the investigation was the luminol test which was conducted by both Mr. Glen Abate and Mr. Jim Pollock. The luminol was positive for the front floor area of the said mentioned vehicle on the driver's side, the area where the driver's feet would be on the floor. The luminol was also positive along the driver's front seat of the floor area on the driver's left side, and also the left rear floor area, a section showed positive results in that blood had been on the carpeted floor. NOTE: The luminol test indicates hemoglobin in the blood and is not positive to determine if the blood is animal or human. Subsequent tests must be conducted by a Serologist to determine if the blood reaction from the luminol tests are in fact human.

It is determined at this time, based upon the positive results of the luminol tests, that this vehicle should be taken into custody by the Florida Department of Criminal Law Enforcement, to conduct further forensic investigations of the interior of this vehicle for possible trace and fiber evidence. For further information, see the completed report by the Florida Department of Criminal Law Enforcement under their Case #8310 4 3357.

Friday, October 21, 1983, 9:00 A.M.

On the above indicated date and time, the undersigned, Detective J. Hoffman, Detective Terry, along with OTTIS ELLWOOD TOOLE, flew to Perry Airport in Pembroke Pines, Florida, being flown by Sgt. Kenny Stockdale of this Agency.

Upon arrival at the Perry Airport, the undersigned, Detective J. Hoffman, OTTIS ELLWOOD TOOLE and Detective Buddy Terry, were transported from the Perry Airport by Detective Larry Moisington and Detective Leo Soccol of this Agency by the use of a van.

In the statement obtained from OTTIS TOOLE, he had indicated that he took the victim from a Sears parking lot and that he remembered distinctly the Sears Store and indicated he could identify the store should he see the store and parking lot again.

It was determined that since OTTIS TOOLE could probably indicate the proper Sears Store should he view it, to take OTTIS TOOLE to a different mall parking lot area which also has a Sears Store, to verify if he could

determine between the two stores, the correct one. The first mall we drove OTTIS TOOLE to, at 11:30 A.M., was the Broward Mall in the City of Plantation. TOOLE, upon observing the Sears Store in the Broward Mall, exterior, advised that this was not the parking lot that he had abducted the victim from, as this particular parking lot in the Broward Mall was too large of a parking lot, and he also advised that the mall that he took the boy from was a single level mall, where this one appears to be a double level.

12:00 Noon

At the above indicated time, OTTIS TOOLE was transported to the Sears Mall in the 3200 block of Hollywood Boulevard, where, upon driving around the parking lot area of this mall, he advised that the mall looks more familiar to him as being the correct one and that the Sears Store appears to be the same one, although at this time he advised he is not sure.

The undersigned next took OTTIS ELLWOOD TOOLE to Police Headquarters for the purpose of having lunch.

1:00 P.M.

At the above indicated time, at the request of OTTIS TOOLE, we drove OTTIS TOOLE back to the Sears Mall to allow him to have another view of this mall to see if he could be more positive if this was actually the mall where he abducted his victim from. Upon returning to the mall, we parked the van on the north side of the Sears Catalog Entrance/Exit door and TOOLE at this time advises that he is more sure that this is the mall where he

down, and then had chopped the victim's head off in four blows from a machete that he had kept beneath the front seat of his said mentioned white Cadillac, the weapon having a brown wooden handle.

OTTIS TOOLE advised that he was not positive at this time that this was the exact area but advises that the road area had a fork in the road and that this would possibly help him to identify, should this road be constructed in this manner.

TOOLE stated that he drove approximately ten minutes north of the location where he chopped the victim's head off and then threw the victim's head into a canal as he did not want to keep the victim's head in the vehicle.

We next traveled to Mile Marker 130, where we stopped our vehicles, upon getting out of the vehicle and taking OTTIS TOOLE to the drainage ditch where the victim's head had been recovered, TOOLE advised that this place was in fact the location where he had disposed of the victim's head by throwing the victim's head into the water. TOOLE at this time identified the wooden walk bridge as being the walk bridge he walked out on and that he had thrown the victim's head east of this bridge into the water area.

NOTE: During the interview and statement from TOOLE taken back on 10/19 and 10/20/83, TOOLE was in fact shown a photograph of the scene area where the head was removed which also shows the wood walk bridge and access to the water area which is a drainage canal.

From this location we next traveled back to Mile Marker 126 which is a asphalt paved road just north of Radebaugh Road. The access into this paved road area is blocked from vehicular traffic by a galvanized guardrail type fence with four by four wooden posts.

NOTE: Detective Hoisington advised that during 1981, July and August, he traveled weekly north on the Florida Turnpike and distinctly remembers this area not having a guardrail type fence, preventing road traffic.

In speaking further with OTTIS TOOLE at this time, he advises that he believes he buried the victim just off of the roadway from this paved road area east of the guardrail area.

In speaking further with OTTIS TOOLE at this time, he directed the undersigned and Detective Hoffman and the other investigators present, to the groundarea just north of this paved road, an area south of the water area, that being the area where he believes he buried the victim's body.

A check of this area proved negative at this time in finding any indication of the remains of the victim, ADAM WALSH. In speaking to OTTIS TOOLE as to the reason why he can't remember exactly where he buried the victim, he advised the undersigned and Detective Hoffman that he believes the reason that his memory is so poor concerning the exact location where he buried the body is due to his being extremely intoxicated at the time that he chopped off the victim's head and subsequently buried his body in this

location.

It is unknown at this time if the water level was the same condition as it is at this time and also concerning the guardrail type fence that was at this location to determine if this was the location where OTTIS TOOLE actually pulled off.

We were at this location from approximately 4:00 P.M. to 6:10 P.M. when we left the location to return to Hollywood.

It was determined that the undersigned and Detective Hoffman and other investigators will return to this area commencing on Monday, October 24, 1983, to continue the investigation, looking for the remains of ADAM WALSH.

9:30 P.M.

At the above indicated time, upon returning back to Hollywood Police Headquarters, a third statement was obtained from OTTIS ELLWOOD TOOLE, commencing at this said time and concluding at 10:47 P.M. For further information, see the third statement of OTTIS ELLWOOD TOOLE.

It should be noted that OTTIS TOOLE, prior to giving this statement, became very emotional and expressed extreme remorse for having killed ADAM WALSH, as he advised that he liked the little boy and only wanted to take him home to raise him to be his own child, and that he had killed the boy as he felt that the boy would be able to describe him, causing his arrest for kidnapping when he took the boy from the Sears Store. TOOLE had indicated

Upon Mrs. Mayer's daughter, Heide, viewing this photograph, she immediately informed her mother that the photograph of OTTIS TOOLE was in fact the same individual who she indicated attempted to abduct her from the K-Mart Store located at 651 South State Road 7 in the City of Hollywood; this incident occurring in July 1981.

When Heide Mayer made this statement to her mother, Mrs. Arlene Mayer immediately recalled the incident that Heide referred to and also stated to Heide that this was in fact the same individual that confronted her daughter at the K-Mart Store back in July 1981. This detective informed Mrs. Mayer that myself and Detective Hickman would meet with her in the late afternoon hours on October 24, 1983 in order to obtain voluntary sworn statements from them.

Monday, 10/24/83 at 1710 hours, this detective and Detective R. Hickman arrived at 5719 Garfield Street in the City of Hollywood, in order to obtain a voluntary sworn statement from Heide Lynn Mayer. This detective first conducted a photographic lineup that consisted of six color photographs of white males with similar characteristics. This photographic lineup was suggested by Assistant State Attorney Kelley Hancock who was appraised of the information that this detective had obtained from Mrs. Mayer earlier that date. Upon conducting this photographic lineup with Heide Lynn Mayer, Heide Mayer did positively identify the photograph of OTTIS ELLWOOD TOOLE, at which time she did sign and date the back of said photograph.

<p>This detective and Detective R. Hickman then proceeded with obtaining a voluntary sworn statement from Heide Mayer. Ms. Mayer indicated that back in July 1981, she had the occasion to be at the K-Mart Store located at 651 South State Road 7 in the City of Hollywood on a Friday or Saturday which she was positive of because she indicated her mother only shopped at K-Mart on Friday or Saturday.</p> <p>Heide Mayer stated that she and her mother arrived at the K-Mart Shopping Center in the early evening hours on that particular day and exited their vehicle in the parking lot located on the north side of K-Mart. At this time, Heide Mayer and her mother observed an individual who she described as a white male, mid thirties, following her from the parking lot towards the K-Mart Store. As Heide Mayer became suspicious of this individual, she turned around, at which time the white male walked over to a pay telephone booth and made it appear that he was making a telephone call. Heide Mayer, along with her mother then entered the K-Mart Store and proceeded to shop within said store. At some particular time, Heide Mayer was left standing near the basket, while her mother entered another aisle to make some other purchases. During this period of time, the white male approached Heide Mayer and inquired if she would want him to push her around the store in the basket. Heide Mayer then became emotionally upset and immediately started crying and screaming for her mother, at which time Mrs. Mayer ran back to the location where her daughter was standing and the white male suspect then walked to another area of the store, at which time they lost sight of</p>

him. In Heide Mayer's statement, this detective inquired if she was positive that the photograph she identified in the earlier photographic lineup was that of the same individual that approached her at the K-Mart Store back in July of 1981. Heide Mayer responded that she was 100% positive that this was one and the same individual. See sworn statement for additional information.

Monday, 10/24/83 at approximately 1745 hours, this detective and Detective R. Hickman met with Mrs. Arlene Mayer at her place of employment, that being Mae Fabric, located on Taft Street in the City of Hollywood. This detective and Detective R. Hickman then conducted a photographic lineup using photographs of six white males with similiar facial characteristics. Upon Mrs. Arlene Mayer viewing this photographic lineup, she positively identified the photograph of one OTTIS ELLWOOD TOOLE and indicated that this was the individual that she observed back in July of 1981 in the K-Mart Shopping Plaza, who attempted to abduct her daughter. Mrs. Arlene Mayer then signed and dated the back of the photograph that she chose.

After conducting the photographic lineup, a voluntary sworn statement was obtained from Arlene Mayer, in which she basically relates the same information that her daughter had provided this Agency with in her sworn statement. Mrs. Arlene Mayer did state that she only shops at K-Mart either on Fridays or Saturdays and does not shop there any other days of the week. Mrs. Mayer was asked if she reported this incident to the Hollywood Police

During statements of Heide and Arlene Mayer, this detective and R. Hickman returned to the Hollywood Police Department and then to verify the information that Mrs. Mayer had provided these records with. Upon Detective Hickman checking Hollywood Police Records police report, he was unable to locate any police report regarding incident that Mrs. Mayer had reported. Detective Hickman checked for records two and three weeks prior and after the alleged incident. Hickman was unsuccessful in locating any report to this incident.

October 25, 1983, 8:30 A.M.

As previously indicated date and time, the undersigned and Detective J. proceeded back to Mile Marker 126 to commence investigation of search for the possible remains of ADAM WALSH. Also proceeding back to location was Identification Technician Mike Meeka and M. Hanlon, Sgt. S. Davis of this Division, Lieutenant Hynds, Detective Graziadei, and Detective Minger.

Carter, he advised that the property in question was actually leased by him, having been leased by him in January of this year and he gave us permission to investigate this area as the possible site where the victim's body was buried. A sworn statement was obtained from Mr. James W. Carter which indicates his giving us permission for the investigation of this site. It was also found in speaking with Sgt. James W. Carter that the ground at the time of July 1981 would possibly have been a low water level at the time that this incident occurred. When questioned concerning the guardrail type fence which is directly across the roadway, preventing access into this paved road area, he advised that the guardrail type fence has only been up for approximately ten months. Sgt. Carter advises that the area was fenced with a wire fence prior to ten months ago when the guardrail was placed across the road but that this wire fence was open more often than closed as people would come into the area for hunting purposes and would open up the fenced area.

Sgt. Carter advised that the condition of the land is much the same since it was in July of 1981, which includes the fork in the road, as mentioned by OTTIS TOOLE in his memory of this area, the fork in the road goes east to a pasture area at the end to approximately one mile from the fork, and also goes south to a valley area and to a trailer park in the valley area of this land. The trailer park in this valley area is the property of Mr. James W. Carter.

that date, which is today.

A sworn statement was subsequently obtained from Mr. Schoppaul which commenced at 10:44 A.M. and concluded at 11:10 A.M. For further information see the sworn statement of Mr. Schoppaul.

It should be noted that the suspect in this offense, OTTIS ELLWOOD TOOLE, was not wearing a suit on the day that he admits to having abducted ADAM WALSH, as subject OTTIS ELLWOOD TOOLE is not clean in appearance but maintains an unkempt appearance, no hair cut and possibly unshaven. OTTIS ELLWOOD TOOLE admits to having abducted ADAM WALSH from the Sears Mall parking lot, and that he was in fact on the west side of the Sears Store as opposed to the south side where Dave Schoppaul advises he observed the individual who was dressed in a possible suit and groomed neatly to be requesting a young child to get into a vehicle.

Schoppaul was in fact shown a photograph of OTTIS ELLWOOD TOOLE and he identified the photograph of TOOLE as being a look-alike of the subject that he observed and that the subject he observed was an unkempt looking as OTTIS TOOLE. It was further found in the interview and statement from subject Schoppaul that he did not believe that he would be able to identify the face of the individual he observed trying to force the youth into the vehicle.

There was no further interview or investigation conducted concerning Mr.

4:00 P.M.

At the above indicated time, the undersigned again arrived at Mile Marker 126, this time arriving with Lieutenant R. Hynds and I. D. Technicians Mike Meeka and Marge Hanlon, along with Detectives Graziadei and Minger.

The Department of Agriculture had sent the following individuals to assist the Florida Department of Criminal Law Enforcement in their investigation of this possible crime scene site, and were to use a geophysical survey method via the use of a ground penetrating radar unit. The individuals who arrived at approximately 4:00 P.M. this date to conduct this investigation were Mr. Gregg Schellentragar, W/M, DOB 10/9/55, home telephone number of 904-377-1062 and Mr. Mark Burgess, W/M, DOB 11/30/49, of P.O. Box 1021, Tavares, Florida, area code 904-343-2481, and with the assistance of Mr. Gary Kuhns, W/M, DOB 4/20/60, who is a University of Central Florida student, address of 801 Hastings Drive, Kissimmee, Florida, phone 305-847-4907.

The use of the said mentioned piece of equipment revealed approximately seven locations from the area just east of the guardrail area on the north side of the road, paved, up just beyond the fork in the road of this site, as having possible unidentified objects buried beneath the ground area.

It was determined this date that due to the darkness pending at this time, not to commence excavation of this site, but rather to wait until Thursday.

This detective inquired of Mr. TOOLE as to how long a period of time he stayed in the Jacksonville area working until he finally obtained a car and drove to some other area. Mr. TOOLE responded that he stayed in the area "been a pretty good while", cause I don't go anywhere on no fifteen or twenty dollars or something like that." investigator informed OTTIS that in earlier statements to this Agency in which he confessed to murdering ADAM WALSH, he stated that he took the murder weapon and the shovel which he used to bury the remains of the body and took it back to his mother's residence in Jacksonville where he hid them. At this point in time, OTTIS TOOLE stated that he got to thinking and he realized that he had burned down his mother's house prior to ADAM WALSH's abduction and murder and that it was impossible for him to hide the murder weapon at his mother's residence. During this statement OTTIS TOOLE, Detective Terry interjects and asked OTTIS TOOLE, "OTTIS TOOLE, are you sure you didn't kill ADAM WALSH?, now come on, don't do this way. Look at me. Look at me. Reaves Roofing Company back in 1978-79 and she recalls selling to Mr. TOOLE, her 1971 Cadillac, black over white, 4-door. Ms. McNett indicated that OTTIS TOOLE did not have all the money necessary to make this purchase and that he gave her a partial down payment for the vehicle and through OTTIS' payroll deductions, she would deduct between \$20.00 and \$25.00 a week for the remaining portion of the unpaid balance.

Mrs. McNett indicated that after a period of time, OTTIS TOOLE was unable to continue to make payments for said vehicle, at which time he returned it to Ms. McNett and this vehicle was stored in the compound at Reaves Roofing Company. Mrs. McNett did not use this vehicle after repossessing it and kept it stored in the compound from that time period on. This detective asked Mrs. McNett if it was possible that OTTIS TOOLE may have had additional keys made up to her vehicle after he had returned this vehicle to her. Mrs. McNett indicated that it was quite possible. This detective further asked Mrs. McNett if she checked on her vehicle periodically while it was stored in the compound at Reaves Roofing Company. According to Mrs. McNett, she did not check on this vehicle periodically and that it was possible that OTTIS TOOLE could have removed this vehicle on various dates and used it for a period of time and then returned it without Mrs. McNett or other employees of Reaves Roofing realizing that this vehicle had been removed during a period of time. was It/further established in the contact with HOWELL TOOLE concerning OTTIS' behavior pattern that it would not be an uncommon thing for OTTIS to just get up get in his vehicle and go traveling for days, for weeks at a time without notifying any member of the family.

HOWELL advised the undersigned and Detective Hoffman that HENRY LUCAS had advised him some time ago that he, HOWELL, would hear about the things that he HENRY and OTTIS did for kicks, advising that this would be some time in the future. HOWELL was not able to elaborate on the comment only advised that this comment was made by HENRY LUCAS.

10:50 A.M.

At the above indicated time we proceeded to 708 Day Street the location where OTTIS TOOLE's mother's house had been in 1981.

11:10 A.M.

At the above indicated time we then proceeded to 2031 East 19th Street, the location of Reaves Brothers Roofing and Construction Company. The purpose of proceeding to this location was to let Mr. J. J. Reaves, Sr. observe the machete that was given to Detective Terry by MR. BENNETT of Spencer Motors.

Note the reason for this was that OTTIS TOOLE worked for Reaves Brothers Roofing and also for Southeast Color Coat during 1979 to '80 - for Reaves Roofing and from 1980 through June of 1981 he worked for Southeast Color Coat, and it was thought that perhaps the machete may have come from one of the two businesses due to the tar like substance being observed on the blade. MR. J. J. REAVES SR. viewing the particular machete in question advised that it is not familiar to him.

We also discussed with MR. J. J. REAVES, SR. the location where the 1971

REAVES advised that the vehicle would have been parked by the gas pump located at the gated area at a compounded business, and that also be moved on various occasions when necessary to other locations within the compound to keep the vehicle out of the operation of the business. The undersigned asked MR. REAVES as to the distance of the bus station is located from his business, Greyhound, he advised it is approximately four miles away.

In an interview with MRS. HELEN REAVES, W/F DOB: 12-29-22, she advised that a neighbor identified as CATHERINE BUTLER, now deceased, used to report to MRS. never really placed much stock in the comments made by CATHERINE BUTLER. She did advise that MS. BUTLER on many occasions had contacted the Jacksonville Duval County Police Department to report some unusual activity.

NOTE: The undersigned in making a records check of the name of CATHERINE BUTLER did not find her on file as a complainant.

MS. REAVES advised that we could possibly obtain further information concerning activity around the company and from the neighborhood from a woman living in the neighborhood identified as MATTIE CARTER who resides at 2911 Louise Street which is close to Reaves Brothers.

12:25 P.M.

At the above indicated time contact was made with MATTIE L. CARTER W/F DOB: 11-5-1899 of 2911 Louise Street, phone 354-9092.

In an interview with MS. CARTER she advised the undersigned and Detective Hoffman that the last time she met or saw OTTIS TOOLE was when his mother died in May of 1981. MS. CARTER expressed fear of the TOOLE family and this was due to her seeing HOWELL and OTTIS in past arguments when they lived in her neighborhood during which time they had chased each other with hand guns. MS. CARTER advised that the TOOLE family had lived next door to her in 1981 and that they had moved over to Day Street just prior to MRS. HOLLY (sp), OTTIS TOOLE's mother, dying.

1971 Cadillac, it was found that the vehicle as previously mentioned was obtained by Wells Brothers from Faye McNett on 12/30/82 and then sold to a Ronald Williams on 12/31/82 for the sum of \$1569.75.

The address listed for Ronald Williams on the credit check application is 2003 Tallagega Road, Jacksonville, Florida. Ronald Williams' date of birth is 12/10/54, Social Security number is 267-13-1821.

Mr. Wells advised that the reason he now had the car in his custody was that Ronald Williams had defaulted on his payments of the vehicle and it was now repossessed.

Mr. Wells further advised that it is quite possible that that vehicle was in his possession in his Used Car Lot during the months of June, July and August of 1982, prior to his putting the date on the envelope in his possession concerning the purchase of the vehicle from Faye McNett at Wells Brothers. It was further established that the title to this vehicle, as indicated in the Tallahassee Division of Motor Vehicle Titles, is still in the name of Fay. McNett. The title was never transferred into the name of Ronald Williams or to James Wells of Wells Brothers upon purchase of the vehicle from Faye McNett.

The Vehicle VIN # is 683491Q134601. The Title # is 4511040.

In the statement from James Collins, AKA: Wilkes, it was found that he also had worked for Southeast Color Coat Roofing and advised that he knew OTTIS TOOLE from that business as he had worked with OTTIS TOOLE. He advises that he was knowledgeable that TOOLE was gay and very flamboyant about being a homosexual. The undersigned questioned Collins as to whether or not the Police were ever called to the scene to investigate this incident, and he advised that they were never called to the scene. The undersigned questioned him as to the vehicle that TOOLE was using on that date and he advised it was some type of Cadillac. He said it was either a black or a white or one of the two. We questioned him concerning the Cadillac being recently shown on television, and he advised that the Cadillac shown on the news in connection with TOOLE was in fact the same Cadillac that he had seen TOOLE drive on the date the altercation occurred where TOOLE used the shotgun against an individual.

Collins, AKA: Wilkes, advised that TOOLE had indicated to him that he could get any type of part for any kind of car that you might have need of, further insinuating that he, TOOLE, was involved in repossessing vehicles.

advised that this custody was due to Frieda alleging that her step-father, A. J. Carr, having abused her sexually. It was further brought to our understanding that a polygraph had been given to Frieda Powell at that time concerning her allegation against her step-father and she was found to be truthful concerning that allegation. Shortly after that when both children were placed into temporary custody, Frieda had run away from the temporary custody she had been placed in and then went back to Jacksonville, Florida. Frieda Powell never did return to the Auburndale, Florida area after that.

The undersigned was advised that Frank Powell had been in the custody as the date mentioned, 12/30/81, but that he had been in the Auburndale, Florida area previous to that sometime in July of 1981.

The natural mother of the two children, Diucilla Carr (Powell) committed suicide in November of 1981. The children's paternal grandmother, Dricilla Holley, died on May 16, 1981.

At 4:30 P.M., Frank Powell arrived with Mr. Roy Wilt Jr. at the H.R.S. office. At this time, a taped interview was conducted with Frank Powell, said taped interview commencing at 4:35 P.M. and concluding at 5:06 P.M. For further information, see the taped interview of Frank Powell.

During the taped interview from Frank Powell, he does advise that he traveled not only to the West Coast, California, Texas, but that he had

also gone to the east coast with HENRY LUCAS and his Uncle, OTTIS TOOLE. He advised that the east coast travel was in the month of June of 1981 and that they had used a blue Ford truck that belonged to Howell TOOLE. Frank advises that they all got separated in Maryland when OTTIS left Frank and Frieda with HENRY LUCAS and another subject in Maryland, and that LUCAS got arrested in Maryland, at which time the two children, Frank and Frieda were taken by the authorities and sent back to Jacksonville, Florida. Frank advised that upon his arrival in Jacksonville, Florida in July of 1981, that he and Frieda both at that time waited approximately 35 minutes in the Jacksonville bus station and then took the bus to Auburndale, Florida where they joined their mother in Auburndale. Frank advised he has not seen OTTIS since July of 1981.

It was established through the interview with Frank Powell, that he remembers OTTIS having a leather sheath hunting knife beneath the front seat of the black over white, 4-door Cadillac that was used by OTTIS during 1980 and 1981.

He advised that he has on occasion at that time, 1980 through 1981, observed OTTIS to have keys belonging to the Reaves Brothers Roofing, as well as Southeast Color Coat, which is across the street from Reaves Brothers. He advised that on occasion he has gone with OTTIS to the Roofing Company and observed that OTTIS unlocked the compound, went into the compound for the purpose of turning on the tar kettles.

by Detective Terry. Ms. Goodyear in her statement, which commenced at 12:13 P.M. and concluded at 12:25 P.M., advised that the receipt books are accurate concerning the dates they are written. She advised that she only has the date of July 31, 1981, having rented a room to OTTIS TOOLE at that time. It was further brought to her attention that one of the receipts dated in August 7, 1981 has the name V. TOOLE. She advised she could not give any explanation as to why the name V. which stands for Vernon Toole would be on one of her receipt books. We also at that time questioned her concerning persons who lived in her rooming house where OTTIS had lived during the week of July 31, 1981, and she advised that the following individuals who lived there and gave the following disposition of these persons as follows: Marie Radcliff, still lives in the Jacksonville area, in the area of 3rd and Market; Mike Johnson, now lives in Orlando, Florida; Leo Wooley, deceased; Keith Ryder, is a transient; R. Hayes, deceased, and Fat Marvin, his whereabouts are unknown at this time. Ms. Goodyear advised that the other name in the book, Big Tina, presently is living in the 1200 block of North Market Street.

We questioned Ms. Goodyear concerning the whereabouts of OTTIS TOOLE prior to his taking a room at her place on 7/31/81 and she advised that she was not aware of the activity of OTTIS TOOLE prior to that date.

Hoffman but he did not at that time have the rent book from Betty Goodyear as a reference, we asked Ms. Toole if she could now remember the activity of OTTIS prior to July 31, 1981, when he rented a room at Betty Goodyear's Boarding House. She advised that she can't remember if OTTIS came over to talk to her at Nancy's apartment, an individual identified as Nancy Jackson, W/F, 35 years of age, AKA: Campbell, who is living at 1812 Market Street. This location being the location where Rita was staying without OTTIS TOOLE. Rita advised that she did in fact move in with OTTIS after July 31, 1981 and believes it was possibly a day or so later.

We questioned her concerning the initial V. Toole being in one of the rent receipts book for August of 81, and the reason for Vernon Toole's name appearing on the rent receipt, Rita states that the reason that occurred was that she moved out of living with OTTIS and moved in with Vernon Toole for one week and since he paid the rent, his name appeared on the rent receipt.

A sworn statement was obtained from Rita Toole which concluded at 1:48 P.M. For further information, see the sworn taped statement of Rita Toole.

3:00 P.M.

At the above indicated time this date, the undersigned and Detective Hoffman in traveling the Lane Road area at Interstate 10, observed a Days Inn Motel, and upon checking that area from a Church of God located at 5755 Ramona Boulevard, which is pastored by Reverend Cecil Wiggins, W/M, DOB 8/24/30, phone 781-9393. Upon making contact with Reverend Cecil Wiggins, we questioned him concerning his recollection of OTTIS TOOLE ever working for his church. Pastor Wiggins advised that he does not have any memory of OTTIS TOOLE having worked there, further advising he has seen OTTIS TOOLE's photograph in the news of recent and advised that it brings no recollection to him.

Reverend Wiggins further advises that he would probably have paid a transient, like OTTIS TOOLE would have been, cash for doing such work as lawn maintenance type work.

We asked him at that time to check his records to see if the possibility could have been that he paid this individual with a check, and upon his checking a church record, he found that the church had in fact paid OTTIS TOOLE the following check numbers for the following amounts:

- August 27, 1981, Check #1979 for the amount of \$17.50
- August 28, 1981, Check #1990 for the amount of \$22.75

While at the church, we spoke with the co-Pastor of the church identified as Gary Wiggins, W/M, DOB 6/1/55, who, when shown a photograph of OTTIS TOOLE, identified OTTIS TOOLE as being the individual that had mowed his lawn during August of 1981.

It has been found through this investigation thus far that we can place OTTIS TOOLE in the Jacksonville, Florida area on July 25, 1981 and again on July 31, 1981, but we cannot place OTTIS TOOLE in the Jacksonville area from the date of July 26, 27, 28, 29 and July 30, 1981. Tuesday, November 8, 1983, 2:45 P.M.

At the above indicated date and time, the undersigned and Detective J. Hoffman proceeded to 1608 North 27 Avenue, Hollywood, Florida, for the purpose of making contact with a Larry Leon Waldo, W/M, DOB 7/27/55 of said location. Subject Larry Leon Waldo had given Detective Dunbar and Detective Gibbons a statement wherein he stated he knew OTTIS TOOLE from Jacksonville area and had indicated in his statement he thought that perhaps he had had a birthday with OTTIS TOOLE on July 27, 1981. Subject Waldo had indicated that he had spent 5 months in a mental hospital in the Duval County area and upon release of that term in the mental hospital, had shortly thereafter met with OTTIS TOOLE at Betty Goodyear's boarding house in Jacksonville.

Upon meeting with Larry Leon Waldo this date, an interview was conducted with Waldo concerning his statement that he gave to Detectives Dunbar and Gibbons.

Detectives Dunbar and Gibbons were not aware of certain known dated information concerning, 1) the death of OTTIS TOOLE's mother which occurred in May of 1981, 2) the fact that we had a dated rent receipt for OTTIS TOOLE of July 31, 1981 and the police report concerning OTTIS TOOLE and his brother Howell TOOLE dated 8/1/81.

Jacksonville rights waiver form this detective obtained a voluntary sworn statement from OTTIS TOOLE. OTTIS TOOLE stated that everything he indicated in his prior confessions pertaining to his arrival in the South Florida area and the abduction of ADAM WALSH from the Sears Mall until he arrived at mile marker 126 on the Florida Turnpike where he decapitated the child's head was correct. OTTIS TOOLE indicated that the part where he informed this detective that he buried the remains of ADAM WALSH at this location was incorrect. OTTIS TOOLE stated that he did not bury the torso of ADAM WALSH at the above mentioned location and in fact he took the torso back to the Jacksonville area.

OTTIS TOOLE stated that after decapitating the child he placed the torso in a blanket, wrapped it up and placed it in the trunk of the 1971 Cadillac. After disposing of ADAM's head at mile marker 130 along the Florida State Turnpike, he proceeded to Jacksonville and arrived in the evening hours and drove to 708 Day Avenue which was his mothers residence. This residence was currently vacated due to a fire that occurred on June 23, 1981. The frame of this residence and a good portion of the living space of this residence was still standing. OTTIS TOOLE indicated that he removed the torso of ADAM WALSH and placed it in a gutted out refrigerator that was located in the rear of the yard. This refrigerator that was located in the rear yard was used in the past for burning insulation off copper wire of various articles of junk that OTTIS TOOLE collected in order to obtain money in the past.

After placing ADAM WALSH's torso in this refrigerator, OTTIS indicated that he put wood and poured gas onto the torso in order to attempt to cremate this body. OTTIS TOOLE stated that once the fire started, it burned for a short period of time and eventually the fire went out. OTTIS TOOLE looked at the body and noticed that the flesh had become black and partially crumbled but it was not completely burned. It was at this time that OTTIS indicated that he poured more gasoline on the body and burned it for a second time.

After burning ADAM WALSH's torso, OTTIS stated that he was unable to turn this gutted out refrigerator over on its side in order to dump the remains of the torso into a blanket. OTTIS TOOLE then took a shovel and shoveled out the remains from the refrigerator into the above mentioned blanket. OTTIS TOOLE stated that he wrapped up the remains of the torso in a blanket and placed it into the trunk of the 1971 Cadillac. Fearing that the ashes from the fire were still hot and may start a fire within the trunk of his vehicle, OTTIS TOOLE then took a hose and saturated the trunk and the blanket to prevent any additional fires. OTTIS TOOLE indicated that he slept in his vehicle that night and then decided to get rid of the remains of the body the following day.

The next day, OTTIS TOOLE stated that he took the shovel and the machete and hid them underneath his mother's house. It was at this time that OTTIS TOOLE drove his vehicle with the remains of ADAM WALSH to the City of Jacksonville's north dump in order to dispose of any evidence. Upon entering

After disposing of the blanket that contained the remains of ADAM WALSH, OTTIS TOOLE indicated that the carpeting within the trunk was saturated and that there was evidence of blood within the trunk at which time he decided to remove the carpeting from the trunk and dispose of it at this location also.

This detective asked OTTIS TOOLE as to the whereabouts of the shovel and the machete in question. OTTIS TOOLE informed this detective that he believed that he may have left the shovel at PEARL WILLIAMS who is an individual who owns rooming houses in Jacksonville and also owns a fish market. As to the whereabouts of the machete, OTTIS TOOLE indicated that he couldn't be positive of its whereabouts but he was positive that it had to be in one of two places. The two places in question according to OTTIS TOOLE was that he may have sold the machete at a flea market in Jacksonville or that he may have left the machete at SPENCER'S MOTORS located in Jacksonville. This detective further questioned OTTIS TOOLE as to why he would have left it SPENCER'S MOTORS. According to OTTIS TOOLE he indicated that in the past he has left alot of his belongings at that location because he did not have any place to keep his personal belongings during certain periods of time.

This detective asked OTTIS TOOLE to describe the machete in question. It was at this time he indicated that the machete had a brown wooden handle which he had wrapped black tape around. The reason for wrapping black tape

into her store possibly one or two days prior to the fight and did not have any additional information. As to the interview with Miss GRANT and co-employee TIMOTHY JONES this information would only place OTTIS TOOLE possibly in the Jacksonville area no earlier than June 30, 1981.

Friday, January 6, 1984, 0915 hours

This detective, Lt. J. B. Smith, Lt. D. Naylor and Lt. R. Banks made contact with OTTIS TOOLE in the Jacksonville Sheriff's Department Homicide Division. During this interview with OTTIS TOOLE, he freely and voluntarily admitted that he had lied about killing ADAM WALSH. He went on to state that he confessed to this murder because he wanted to get HENRY LUCAS into big trouble. Once OTTIS TOOLE was made aware that HENRY LUCAS was incarcerated at the time of ADAM WALSH's abduction/murder, OTTIS indicated that he decided to maintain his admission to the murder of ADAM WALSH.

It was decided at this time to cease interviewing OTTIS TOOLE and obtain a voluntary sworn statement pertaining to his denial of the abduction and murder of ADAM WALSH. At 0955 hours a sworn statement was obtained from OTTIS ELWOOD TOOLE in which he retracted his original confession to the murder of ADAM WALSH.

At the conclusion of this statement, this detective then obtained the recovered green shorts and yellow rubber zori from Det. Terry. This evidence was then brought back to the City of Hollywood and placed into the evidence room.

On Friday, October 21, 1983 at approximately 0800 hours the undersigned detective and Detective Leo Soccol of the Hollywood Police Department were contacted by Assistant Chief, Leroy Hessler while in the Detective Bureau of the Hollywood Police Department. We had a meeting in the Conference Room of the Detective Bureau and we were advised by Chief Hessler that we were to obtain a Chevy Van which was parked in the west parking lot of Police Headquarters. He further advised that we were to drive said vehicle to Perry Airport in Pembroke Pines where we would meet a plane being flown by Sgt. Stockdale of the Hollywood Police Department. We were also there to meet Detective Hoffman, Detective Hickman and a subject by the name of Ottis Toole. The Chevy Van that we were to use was a Chevy High Top Van and the interior had four captains seats and one couch in the rear. We were informed by Assistant Chief Hessler to be at Perry Airport by 9:00 A.M. and to await the plane's arrival. Once they arrived we were to transport the occupants of the airplane to Hollywood Police Headquarters for a briefing. On Friday, October 21, 1983 at approximately 0840 hours the undersigned detective along with Detective Soccol responded to Perry Airport to await the arrival of the above named individuals. On Friday, October 21, 1983 at 9:00 A.M., the above plane arrived

and the individuals in the plane were then transported to the Hollywood Police Department Detective Bureau by the undersigned detective by the use of the above van. We arrived at Hollywood Police Headquarters at approximately 9:20 A.M. and went directly to the Detective Bureau of the Hollywood Police Department. While Detective Hickman and Detective Hoffman interviewed Ottis Toole the undersigned along with Detective Socco had a second meeting with Assistant Chief Hessler. This meeting took place in the Lieutenant's Office of the Detective Bureau. It was at this time that we were advised by Assistant Chief Hessler that Ottis Toole would probably pick out the Sears Store that Adam Walsh was abducted from. He advised us that we were to drive the above van supplied by Ottis Toole to the Broward Mall located in Plantation. There, we were to drive around the parking lot to give Ottis Toole the opportunity to view the Sears Store and Mall from different locations. We were then to drive Ottis Toole to the Sears Mall located in Hollywood on Hollywood Boulevard. It was at this time that we were told not to make any references to either location and that we were to allow Ottis Toole to view the Malls and make his own determination. I was further advised that Ottis Toole

Once we arrived at the Broward Mall the undersigned detective drove around the parking lot numerous times and drove by the Sears Store from all sides. Detective Hoffman then asked Ottis Toole if this was the store or the parking lot that he abducted Adam Walsh from. Ottis Toole immediately shook his head in the negative and stated that this was not the Mall or the parking lot and he stated that the Sears end Mall that he took the boy from was a single level Mall and that this appeared to be a double level Mall. He further again advised that this definitely was not the Mall that we took the boy from. We then left this location and drove westbound on Broward Boulevard to I-95. We then drove southbound on I-95 toward Hollywood Boulevard. After we had crossed Johnson Street on I-95, Ottis Toole stated to me as we approached Hollywood Boulevard that this looked like the exit that he had gotten off on to go to

advised the undersigned detective at different locations that this is where he had to pull off for a few minutes to calm down Adam Walsh. At one rest area Toole advised that he had to pull into this rest area because Adam Walsh stated that he wanted his mother and was becoming very disruptive in the vehicle. Toole advised me that he had exited the turnpike without paying the toll and further stated that he reentered the turnpike again with no toll booth present. It should be noted that the undersigned detective during July and August of 1981 had been traveling northbound on the Florida Turnpike every weekend to get to my location in Stark, Florida. The undersigned detective remembered that paving work was being done on the turnpike in the area of mile marker 130. I further remembered that there was a construction site around mile marker 126 which was located on the east side of the turnpike. This construction site was used for asphalt making and there was a temporary road made into an access area. At the time of the construction the fence had been taken down and there was nothing blocking the exit for northbound traffic. The undersigned detective remembered also that this was the only place on the Florida Turnpike from Hollywood Boulevard to Wildwood that you could exit the Florida Turnpike without going through a Toll Booth.

As we continued driving northbound on the Florida Turnpike the undersigned detective never mentioned this to Mr. Ottis Toole. At approximately 3:30 P.M., the undersigned detective along with the above occupants of the van arrived in the area of mile marker 126 which is just north of Radebaugh Road. As we drove past the above mentioned construction site Toole advised that this looked like the location where he had pulled off of the turnpike. The undersigned detective then stopped the van approximately three hundred yards north of this location and had to back up to the service road. I then stopped approximately 100 feet north of Radebaugh Road and sat in the vehicle allowing Toole the opportunity to view this construction site again. Toole advised that this looks like the area where he had pulled off to cover the victim's head from his body. He further advised that he pulled into the construction site approximately three hundred yards where he stopped his vehicle. He then told the undersigned detective that he chopped off the victim's head in four blows with a machete that he kept beneath the front seat of his vehicle. He told me that his vehicle was a white Cadillac and he further stated that the machete he used had a brown wooden handle. The undersigned then drove eastbound from the Florida Turnpike and parked just east of the Florida Turnpike.

a canal. He was not sure while talking with me if it was a bridge or a dock but he stated it was made out of wood and it went into the canal area. We all then reentered the van and continued northbound on the Florida Turnpike in an attempt to see if Ottis Toole could identify the location where he had disposed of the victim's head. As we approached mile marker 130 Ottis advised that this appeared to be the approximate location. The undersigned detective then slowed the vehicle and traveled on the road edge very slowly. In the area of mile marker 130 I was directed to stop by Ottis Toole. We then exited the vehicle and Toole advised that this was in fact the location where he had disposed of the victim's head by throwing it into the water. Toole at this time walked over to a wooden walkway type bridge and stated that this was the walk bridge that he had walked out onto and had in fact thrown the victim's head off this walk bridge into the water area. It should be noted that the undersigned detective did not have any prior knowledge of this location being related to this crime but later was advised by Detective Hoffman that this in fact is the area where the head was found. We then drove back to mile marker 126 in an attempt to allow Ottis Toole time to walk around this old construction site in an attempt to find the location where he

The undersigned detective stayed with Ottis Toole the entire time while other detectives and investigators present checked the ground area for any possible leads. While sitting and talking to Ottis Toole in the van and also at the construction site, the undersigned detective carried on a lengthy conversation with him and he advised me that the reason he had killed the victim was because Adam Walsh had started crying and asking for his mother and father. He further stated that he could not think of another way to quiet Adam Walsh at the time. I then asked him why he buried the body and kept the head and he advised that he wasn't sure at the time because he was intoxicated but he thinks he was going to keep the head as a reminder of Adam Walsh, but then he stated that he became scared that the head would be found in the vehicle and that was the reason for his stopping and throwing the head into the water. He then advised me that he just continued driving northbound on the Florida Turnpike. On numerous occasions he advised me that he was extremely intoxicated at the time of the abduction and homicide. We remained at this location for approximately 90 minutes. The undersigned obtained a paper from the Florida Highway Patrol Officer on scene, allowing us to make a U-turn and respond back to

MR. FRIZZEL was interviewed with respect to the bus company procedure when an individual was in fact given transportation paid for by the Salvation Army in Newport News, Virginia. MR. FRIZZELL went on to state that a check was issued by the Salvation Army and the individual requiring transportation would then present this ticket to the desk personnel at the bus station. Said ticket was made out to the Greyhound Bus Line and that once the individual received the ticket it was a non-transferable item. When asked if a person could use the ticket at a later date, MR. FRIZZELL stated that a person could get off at any stop along the way and re-board several days later utilizing the same ticket.

MR. FRIZZELL stated that he had no information with regards to the identities of the drivers and that information would have to be obtained from their main office in Arizona.

The bus leaving on this particular date would have traveled the following route: Newport News, Virginia to Richmond, Virginia; from Richmond to Raleigh, North Carolina, then on to Fayetteville, North Carolina making a stop in Savannah, Georgia and subsequently arriving in Jacksonville, Florida. At this time the undersigned returned to the Newport News, Virginia Police Department and a complete records check was conducted on OTTIS ELWOOD TOOLE and HENRY LEE LUCAS. There was no record of contact with the local police department, sheriff's department, and no criminal history was on file with the State of Virginia pertaining to any misdemeanor or felony arrest of either individual.

The undersigned then proceeded to the Salvation Army located at 5872 Jefferson Avenue, Newport News, Virginia, phone number, 804-245-2622. Contact was made with the receptionist identified as BETTY BURAK. MS. BURAK stated that on July 24, 1981 OTTIS ELWOOD TOOLE had received a bus ticket from their agency. She went on to state that this transaction was handled by NANCY CHANDLER of 16 South 6th Street, Hampton, Virginia, area code 804-850-0257. It was further learned that NANCY CHANDLER is no longer employed by the Salvation Army and as stated in previous supplemental reports, telephone contact had been made with her reference to information regarding OTTIS ELWOOD TOOLE.

BETTY BURAK advised the undersigned that in most cases individuals requiring traveler's aide would come to the Salvation Army for assistance. These writers looked at the records and it was determined that OTTIS ELWOOD TOOLE had come in to their office requesting assistance to return to Jacksonville, Florida. He had used the address of 708 Day Avenue in Jacksonville, Florida listing his Social Security number 257-965-640. Also on this transient record it was shown that a telephone call had been placed to MR. JOHN REED of the Southeastern Roofing Company, who was a past employer of OTTIS TOOLE. The call had been placed to Jacksonville, Florida at 3:20 P.M. on July 24, 1981 and said call had terminated after two minutes of conversation. The reason for this was to verify if MR. them that the records obtained previously by a Search Warrant had not arrived in Florida as of this date. They, at this time, allowed these writers to view the records on a Microfish Machine. It was learned that OTTIS TOOLE had been brought to the hospital by Father GRIFFIN of the Immaculate Conception Church in Hampton, Virginia. This occurred on 7-22-81 at 2000 hours. Mr. TOOLE had been found on the Church grounds and was complaining of being depressed, suicidal as well as being disoriented. Father GRIFFIN then transported OTTIS TOOLE to the medical facility where he was interviewed by the Crisis Counselor identified as SUZANNE HARRIS.

Contact was then made with the Crisis Unit of the hospital and MS. JUDY WALKLEY was interviewed. MS. WALKLEY stated that MS. HARRIS was not working at this particular time but she would try to contact her at home.

MS. WALKLEY then made telephone contact with SUZANNE HARRIS and asked her if she remembered OTTIS TOOLE. She stated that any and all information she would have obtained from the patient would in fact be on hospital records. She was unable to relate any further information with respect to OTTIS TOOLE.

In reviewing the hospital records it was found that MR. TOOLE had been interviewed on July 22, 1981 and was released that evening around twelve midnight. Father GRIFFIN then transported MR. TOOLE to the Warrick Hotel located in downtown Newport News, Virginia and the Parish paid for one night's stay at the hotel. It should be noted that this hotel is one utilized for transient type individuals

He subsequently signed himself out of the hospital on the morning of July 24, 1981 at approximately 2:36 P.M. and did so against medical advice.

It was learned through these interviews that OTTIS TOOLE had been interviewed by DR. DONALD KILLIAN. Attempts were made to contact said doctor but it was learned that he was out of town and it was unknown when he would return to the hospital.

These writers reviewed the records in attempts to see whether or not MR. TOOLE had any personal property such as car keys, etc. and the only personal items listed on the hospital records were in fact a wallet that contained various pieces of miscellaneous papers and telephone numbers. It was also determined that MR. TOOLE was given no prescription or other medication once he left the hospital. It was shown that while staying in the hospital for the one day he received Dilantin, Phenobarbital, Navene. No other medication was given to MR. TOOLE.

This writer then telephonically contacted the Immaculate Conception Church located at 2150 Cunningham Drive, Hampton, Virginia attempting to locate Father GRIFFIN. This writer talked with Father BOB PERKINS and he stated that Father GRIFFIN was no longer at the Parish and had been transferred to the Cathedral of the Sacred Heart which was located in Richmond, Virginia.

then made with Father GRIFFIN in Richmond Virginia. Father now assigned to the Cathedral of the Sacred Heart Church located on Morris Street, Richmond, Virginia. Father GRIFFIN stated that he came into contact with OTTIS ELWOOD TOOLE on July 22, 1981 at approximately 1930 hours. Father GRIFFIN stated that one of the parishioners was a white male that was in the bathroom of the Church Hall and that he proceeded to that location and made contact with MR. TOOLE. That OTTIS TOOLE seemed to be very disoriented and stated that he had come from New York to Jacksonville, Florida. Father GRIFFIN felt from the conversation with OTTIS TOOLE that he was possibly in need of attention and was rambling on with respect to getting back to New York. Father GRIFFIN was not sure of the conversation in its entirety but felt that the individual was possibly suicidal due to his depressed condition. Father GRIFFIN further stated that an unknown parishioner advised that a Police Officer unknown whether or not he was from the New York or State, had dropped this individual off on the Church grounds. At that time along with another parishioner JOHN JOHNSON transported the individual to the Riverside Hospital. They waited for approximately four hours which time MR. TOOLE was interviewed by SUZANNE HARRIS of the Jacksonville Police Department. They were unable to admit him at this particular point in time. Father GRIFFIN and MR. JOHNSON transported OTTIS TOOLE to the Jacksonville Police Department.

Warrick Hotel. The Church paid for one night's stay and on the following morning he again returned to the hotel and took MR. TOOLE back to the hospital. He was unable to relate any additional information with respect to OTTIS TOOLE, but only stated that several weeks ago he had seen a photograph in the local newspaper with respect to MR. TOOLE being in custody. The undersigned then returned to the Newport News Police Department and contact was then made with DETECTIVE HICKMAN of the Hollywood Police Department with respect to drivers information on the Greyhound Bus. From the information gathered previously with respect to the telephone call made by the Salvation Army to Jacksonville, Florida, at 3:20 P.M. on July 24, 1981 and lasting for approximately two minutes, several bus schedules could be eliminated at this particular time. It should be noted that the bus station is located approximately three miles from the Salvation Army and would have taken an individual twenty to twenty-five minutes to walk from that particular point. The Salvation Army personnel advised that once the necessary information was verified it would take a period of time for this information to be so noted and a check signed by the supervisors of that particular organization.

For this reason the bus departing at 4:00 P.M. on July 24, 1981 had been ruled out by the undersigned and it was felt that the 6:30 P.M. on said date was the one utilized by OTTIS TOOLE.

Contact with DETECTIVE HICKMAN was made and it was determined that the following drivers had driven the bus on that particular route.

The only information available from Greyhound Bus Company was that a MR. FIGGERS had taken the bus from Newport News, Virginia to Richmond, Virginia. At this time MR. TOOLE would have had to get off this particular bus and re-board another one that was destined to stop in Raleigh, North Carolina. This bus was operated by a MR. INGRAM. The bus then continued on its route from Richmond, Virginia to Raleigh, North Carolina, Fayetteville, North Carolina, Savannah, Georgia and Jacksonville. The bus company records stated that a MR. ROBERTS handled the route from Richmond, Virginia to Jacksonville.

that Keith had collected newspaper clippings of mass murderers who had been arrested and had been recently written about in the newspapers. When Ms. Jurzyh confronted Keith about these newspaper clippings, he mentioned that he was considering writing a paper about mass murderers.

This detective then recontacted Det. Owens of the Monroe County Sheriff's Department to speak to him about any unsolved homicides in his jurisdiction that Keith Allen Warren mentioned to the aforementioned detectives while out in Las Vegas. Det. Owens indicated that they did not have any unsolved homicides during the time that Keith Warren was living and working in Monroe County. A check with cities located in northern Florida having any possible unsolved homosexual homicides during the time that Keith Allen Warren may have been in their jurisdiction met with negative results.

At the time of this supplemental report, this detective does not have any reasons or evidence that may link Keith Allen Warren to the Adam Walsh homicide. It is further this detective's opinion that if Mr. Warren had been responsible for Adam Walsh's murder, he would probably have confessed to it.

Investigation to continue.....

This detective also wanted to have the witness verify the location where she witnessed this incident that she had described. Mr. Cox indicated that he would contact this detective at a later date and verify if June 27th would be a convenient date for all parties.

the Sears Store to allow Mrs. Casey to examine the interior. While walking through the interior of Sears, Mrs. Casey proceeded to the Sporting Goods Section which is centrally located and near the west entrance door to the store. After walking through the Sears Store for a period of time, Mrs. Casey was still not sure that this was the right store. This detective then asked Mr. & Mrs. Casey if they recall what route they had taken when they drove to the Sears Store from their residence in North Miami. Mr. Casey indicated that he thought that he may have driven north on University Drive. With that information, this detective then suggested that both Mr. & Mrs. Casey be driven to other Sears Stores located in the Broward County area, such as the Broward Mall and the Sears Store located in Ft. E. Hallandale Beach Boulevard, Hallandale. Mrs. Casey had agreed to go under hypnosis in an attempt to recall the incident that she had witnessed back in 1981. It should be noted that I.D. Technician/Police Artist, John Valor of the City of Miami Police Department accompanied the aforementioned individuals to the office of Martin Segall.

After Mrs. Casey was placed in a hypnotic state, she revealed to this detective that the boy who appeared to have been abducted was approximately 8 or 9 years old and was wearing a striped shirt. Mrs. Casey could not recall any other articles of clothing that the boy was wearing. When Mrs. Casey was asked about the description of the white female who accompanied the boy into the store, she replied that the white female was wearing either a long skirt or a dress. (It should be noted that Mrs. Walsh was wearing aerobic type clothing, due to the fact that she was planning on working out at the gym). While in this hypnotic state, Mrs. Casey proceeded to describe the two suspects for this detective and also the Police Artist, John Valor. John Valor proceeded to draw two composite sketches of the two white male suspects that Mrs. Casey had observed during the incident in a Sears Store back in 1981.

At the time of this Supplemental Report, both Mr. & Mrs. Casey have not been able to locate any possible documentation that could pinpoint the exact date of the incident that she had witnessed. Mrs. Casey further

name of the individual who had given him the magazine.

MR. PALMER stated that around the end of last year, or the first of this year, he had several conversations with the following inmate:

**W/M, LARRY DALE BURNETT, DOB 02/02/55, PRISON #82344, S.S. #368-60-5226.**

During this conversation BURNETT advised that he at one time lived in the South Florida area and owned a blue van. MR. PALMER further related to these investigators that BURNETT looked just like the composite that was in the detective magazine.

After feeling that BURNETT was possibly involved in this offense, MR. PALMER had no further contact with him. During the conversations that they had, no mention was ever made of ADAM WALSH or any further information to where BURNETT had lived in Florida, other than possibly it being Miami. PALMER advised the undersigned that BURNETT was serving a life sentence for killing his son, who was approximately six years of age. It was also learned that BURNETT'S wife was involved in the death of their son and was serving a life sentence at a correctional facility for women located in Pine Bluff, Arkansas.

MR. PALMER advised these investigators that he had written the letter due to the fact that BURNETT owned a blue van, possibly lived in the South Florida area, looked like the composite in the magazine and had been responsible for the death of his son. No other pertinent information could be obtained with reference to the death of ADAM WALSH. At 1035 Hours a statement was taken from MR. PALMER and concluded at approximately 1050 Hours on May 29, 1986.

Once the statement was concluded with MR. PALMER, contact was made with the Warden to review the records of LARRY BURNETT. LARRY BURNETT has been in custody since November of 1984 when he was convicted of First Degree Murder. The particulars of the case are that he and his wife had beaten and starved to death their thirteen month old W/M son. MR. BURNETT'S records were reviewed and the prison form stated that from 1973 to 1984, he worked on a ranch in Faulkner County, Arkansas for an individual by the name of BOB STAR. All other information showed relatives living in Conway, Arkansas, which is in the aforementioned county. No additional information could be determined from the prison records at this time.

At this time the undersigned decided to travel to Faulkner County, Arkansas to review any records and obtain additional information with reference to MR. BURNETT.

1400 Hours

The undersigned arrived at the Faulkner County Sheriff's Office located in Conway, Arkansas and made contact with CHIEF DEPUTY WILLBORG, (501) 327-1317.

CHIEF DEPUTY WILLBORG advised that BURNETT and his wife had been charged with First Degree Murder in the death of their thirteen month old son and had been sentenced to life in prison. The undersigned requested that a records check be conducted on both MR. and MRS. BURNETT and no criminal history, other than that which they were convicted of, could be located. CHIEF DEPUTY WILLBORG related that MR. BURNETT was known to drink and become rowdy, but they had no record of prior contact with him.

These writers asked if we would be able to talk with BOB STAR and CHIEF DEPUTY WILLBORG stated that MR. STAR had been a character reference for the BURNETTS at the time of the murder trial. He further advised that BOB STAR is senile and would not keep any employment records. He also stated MR. STAR would be very uncooperative with any law enforcement agency.

June 4, 1996 - 2000 Hours

A records check was requested on MR. BURNETT to ascertain if he had any past criminal history within the State of Florida. No criminal history or arrest record is on file within the State. A Driver's License check was also conducted and no record of him ever having a Florida Driver's License was on file.

the authorities would have a case on him. MR. CHEEK asked KEITH WARREN what case he was referring to, at which time he stated ADAM WALSH. KEITH WARREN informed FREDRICK CHEEK that he kidnapped a young boy from a shopping center and then took the child to a house in Fort Lauderdale. The house belonged to a woman named DENISE. KEITH stated that he kept the child there for a few days and during that time period, he had sex with the boy. While having sex with the child, KEITH stated he was about to reach a climax when he slit the child's throat. KEITH told FREDERICK CHEEK that he put the child's body in a bag and drove it to a wooded area off of State Road #80 in Fort Lauderdale. At this location he buried the body. KEITH stated that DENISE knew about this murder. KEITH WARREN did not go into any specifics about the murder, he just related the aforementioned circumstances. FREDRICK CHEEK was asked if he thought KEITH WARREN was looking for publicity or just bragging to his cellmates about doing other murders. MR. CHEEK felt that KEITH WARREN is definitely capable of this type of crime but could not be sure if KEITH WARREN was just making up this story. This was the reason that FREDRICK CHEEK wrote the letter to the authorities. (see interview for additional information). MR. CHEEK was questioned if KEITH WARREN was close with any other inmates. MR. CHEEK provided us with the names of two other inmates; JIM HEIMEL, and LARRY STACK.

KEITH WARREN lived at MISS JURZYK's residence until December 1982. During that time KEITH held various odd jobs in the area.

While KEITH lived with DENISE, she found a folder in KEITH's bedroom. This folder contained numerous clippings of mass murders throughout the country. When MISS JURZYK confronted KEITH about these clippings, KEITH stated that he wanted to write a book about these type of people.

ADAM WALSH case to DENISE. (see taped interview for additional information).

The information KEITH WARREN told FREDERICK CHEEK about living with DENISE when he kidnapped ADAM WALSH, and then brought the child to her house appears to be false and baseless. At the time ADAM WALSH was kidnapped and murdered, KEITH WARREN didn't even know DENISE JURZYK.

MISS JURZYK informed these Detectives that she will continue to correspond with KEITH WARREN and attempt to ascertain why he had told other inmates that he was responsible for the kidnapping and murder of ADAM WALSH. It is MISS JURZYK's opinion that KEITH WARREN is just trying to seek publicity for something he didn't do.

DURING THE WEEK OF JULY 1ST, 1991, THIS DETECTIVE WAS CONTACTED BY A SUBJECT IDENTIFIED AS WILLIAM CARL MISTLER, W/M, 11/05/47. MR. MISTLER ADVISED THIS DETECTIVE THAT HE HAD CERTAIN KNOWLEDGE PERTAINING TO THE ABDUCTION OF ADAM WALSH. MR. MISTLER ADVISED THIS DETECTIVE THAT HE HAD READ A CURRENT NEWSPAPER ARTICLE FROM THE MIAMI HERALD REGARDING MAJOR J. B. SMITH OF THE HOLLYWOOD POLICE DEPARTMENT RETIRING. IN THIS ARTICLE, MAJOR SMITH EXPRESSED THAT THE HOLLYWOOD POLICE DEPARTMENT DID THE MOST THOROUGH INVESTIGATION ELIMINATING SUSPECT OTIS TOOLE FROM THE ADAM WALSH HOMICIDE.

ACCORDING TO MR. MISTLER, AFTER READING THIS ARTICLE, HE WAS APPALLED TO FIND OUT THAT OTIS TOOLE HAD NEVER BEEN CHARGED IN THIS CASE. THIS DETECTIVE THEN QUESTIONED MR. MISTLER AS TO WHY HE WAS EXTREMELY UPSET WITH THIS NEWSPAPER ARTICLE. MR. MISTLER WENT ON TO INFORM THIS DETECTIVE THAT HE WAS AT THE HOLLYWOOD MALL ON JULY 27, 1991, WHEN HE WAS IN THE WEST PARKING LOT OF THE SEARS MALL AND HE HAD OBSERVED THE SUSPECT OTIS TOOLE TAKE THE CHILD FROM THE WEST SIDEWALK NEAR THE GARDEN DEPARTMENT OF SEARS AND PLACE HIM INTO A BLACK OVER WHITE 4DR CADILLAC AND THEN DRIVE OFF.

MR. MISTLER ADVISED THIS DETECTIVE THAT AT THE TIME THAT HE WITNESSED THIS INCIDENT, HE DID NOT REALIZE THAT A KIDNAPPING WAS OCCURRING. MR. MISTLER

STATED THAT THE CHILD DID NOT APPEAR TO BE FRIGHTENED OR RESISTING THE SUBJECT THAT WAS TAKING HIM INTO THE VEHICLE. AT THAT TIME, MR. MISTLER THOUGHT THAT IT WAS A FAMILY MEMBER TAKING THE CHILD FROM THE SIDEWALK AND PLACING HIM INTO HIS VEHICLE.

MR. MISTLER INFORMED THIS DETECTIVE THAT ON THAT DAY HE WAS OVER AT THE SEARS MALL FOR THE PURPOSE OF PURCHASING SOME EQUIPMENT TO GO CAMPING WITH HIS FAMILY THAT WEEK. AFTER MAKING THIS PURCHASE, MR. MISTLER RETURNED TO HIS RESIDENCE. A SHORT TIME THEREAFTER, MR. MISTLER ADVISED THAT HE NEEDED ADDITIONAL ITEMS AND BOTH HE AND HIS WIFE RETURNED TO THE SEARS MALL. IT WAS AT THAT TIME THAT MR. MISTLER RECALLS HEARING PAGING WITHIN THE SEARS STORE FOR ADAM WALSH. AFTER MAKING THIS ADDITIONAL PURCHASE, BOTH MR. AND MRS. MISTLER LEFT SEARS AND PROCEEDED ON THEIR VACATION.

WHEN MR. MISTLER RETURNED FROM THEIR VACATION, HE RECALLED THAT HIS NEIGHBOR'S SON IDENTIFIED AS CHRIS CLUM CAME UP TO THEIR RESIDENCE AND STARTED TO TELL HIS SON THAT ADAM WALSH HAD BEEN KIDNAPPED. WHEN MR. MISTLER BEGAN TO READ NEWSPAPER AND MEDIA ACCOUNTS OF THIS ABDUCTION, THEY DESCRIBED A BLUE VAN BEING INVOLVED IN THE ABDUCTION OF ADAM WALSH. BASED ON THAT INFORMATION, MR. MISTLER STATED THAT HE DID NOT PUT TWO (2) AND TWO (2) TOGETHER RELATING THE INCIDENT THAT HE HAD WITNESSED HAD NOTHING TO DO WITH THE ADAM WALSH ABDUCTION.

IN 1989 WHEN OTIS TOOLE BECAME THE FOCUS OF THE HOLLYWOOD POLICE DEPARTMENT'S INVESTIGATION, MR. MISTLER STATED THAT HE BELIEVED THAT THERE WERE OTHER WITNESSES TO THIS AND AT THAT TIME THOUGHT THAT OTIS TOOLE HAD BEEN ARRESTED AND CHARGED IN THE ADAM WALSH MURDER. FROM THAT TIME UNTIL THE PRESENT TIME WHEN MR. MISTLER HAD READ THE NEWSPAPER ARTICLE CONCERNING MAJOR J.D. SMITH, HE STATES THAT HE NEVER KNEW THAT OTIS TOOLE HAD NEVER BEEN CHARGED WITH THE MURDER OF ADAM WALSH. THESE WERE THE REASONS THAT CAUSED MR. MISTLER TO COME FORWARD AT THIS TIME.

THIS DETECTIVE THEN MADE AN APPOINTMENT WITH WILLIAM CARL MISTLER TO COME INTO HOLLYWOOD POLICE HEADQUARTERS AND FURNISH THIS DETECTIVE WITH A FREE AND VOLUNTARY SWORN STATEMENT CONCERNING THIS MATTER. ON JULY 29TH, 1991, AT 1240 HOURS, THIS DETECTIVE TOOK A FREE AND VOLUNTARY SWORN STATEMENT FROM WILLIAM CARL MISTLER. MR. MISTLER ADVISED THAT HE IS MARRIED SEVENTEEN (17) YEARS AND HAS BEEN LIVING IN SOUTH FLORIDA SINCE 1970. PRIOR TO 1970, HE WAS LIVING IN ERLINGER, KENTUCKY. MR. MISTLER FURNISHED THIS DETECTIVE WITH THE ADDRESS OF 2836 F STIRLING ROAD, HOLLYWOOD, TELEPHONE NUMBER: 920-6591 WHICH IS HIS EXTERMINATING BUSINESS. MR. MISTLER WAS VERY APPREHENSIVE ABOUT FURNISHING THIS DETECTIVE WITH HIS RESIDENCE ADDRESS DUE TO THE FACT THAT HE BELIEVED THAT THERE WOULD BE TREMENDOUS MEDIA COVERAGE SHOULD HIS NAME BE LEAKED TO THE PRESS REGARDING THIS HOMICIDE INVESTIGATION.

DURING THE TAKING OF MR. MISTLER'S STATEMENT, HE BECAME EXTREMELY EMOTIONALLY UPSET ON TWO (2) OCCASIONS DURING THE TAKING OF THIS STATEMENT. IT APPEARED THAT MR. MISTLER HAD A TREMENDOUS GUILT FEELING DUE TO THE FACT THAT THE INCIDENT THAT HE BELIEVED HE WITNESSED, MAY HAVE PREVENTED THE DEATH OF ADAM WALSH IF MR. MISTLER REACTED DIFFERENTLY TO THIS INCIDENT.

WILLIAM MISTLER WAS EMPHATIC ABOUT THE IDENTIFICATION OF THE WHITE MALE THAT HE SAW EXITING THE BLACK OVER WHITE CADILLAC AS DLING OTIS TOOLE. MR. MISTLER HAD SEEN BOTH TELEVISION AND NEWSPAPER PHOTOGRAPHS OF OTIS TOOLE AND IS 100% CERTAIN THAT THE PERSON THAT HE WITNESSED ON THAT DAY WAS IN FACT OTIS TOOLE.

THIS DETECTIVE THEN MADE AN APPOINTMENT WITH WILLIAM MISTLER TO TAKE A POLYGRAPH EXAMINATION ON TUESDAY, 07/30/91.

TUESDAY, 07/30/91, AT 1500 HOURS, WILLIAM MISTLER ARRIVED AT HOLLYWOOD POLICE HEADQUARTERS AND WAS INTRODUCED TO DETECTIVE DIECIDUE WHO WOULD BE CONDUCTING THE POLYGRAPH EXAMINATION. UPON COMPLETION OF THE POLYGRAPH

EXAMINATION BY DETECTIVE DIECIDUE. HE INFORMED THIS DETECTIVE THAT THE RESULTS OF THIS POLYGRAPH WERE INCONCLUSIVE.

THIS DETECTIVE THEN SPOKE WITH WILLIAM MISTLER AND ASKED HIM IF HE WOULD BE WILLING TO UNDERGO HYPNOSIS IN AN ATTEMPT TO HEIGHTEN HIS RECALL OF THIS INCIDENT FROM TEN (10) YEARS AGO. MR. MISTLER STATED THAT HE WOULD UNDERGO HYPNOSIS TO ASSIST THIS AGENCY IN THIS INVESTIGATION.

THIS DETECTIVE THEN CONTACTED THE B.S.O. PSYCHOLOGICAL SERVICES UNIT, COMMANDER MARIE STEMPKOWSKI, AND INFORMED HER OF THIS AGENCY'S INVESTIGATION. COMMANDER STEMPKOWSKI ADVISED THAT SHE WOULD MAKE THE NECESSARY ARRANGEMENTS IN ORDER TO HAVE SUBJECT WILLIAM MISTLER HYPNOTIZED BY DOCTOR HARLEY STOCK, P.H.D., WITH THE B.S.O. PSYCHOLOGICAL SERVICES UNIT. AN APPOINTMENT WAS SET FOR FRIDAY, 08/02/91, AT 9 A.M.

FRIDAY, 08/02/91, AT APPROXIMATELY 0930 HOURS, WILLIAM MISTLER MET WITH THE UNDERSIGNED DETECTIVE AT HOLLYWOOD POLICE HEADQUARTERS. AT THAT TIME, THIS DETECTIVE AND WILLIAM MISTLER PROCEEDED TO THE B.S.O. PSYCHOLOGICAL SERVICES UNIT IN PLANTATION. AT APPROXIMATELY 0900 HOURS, WILLIAM MISTLER WAS INTRODUCED TO COMMANDER STEMPKOWSKI, DOCTOR HARLEY STOCK, AND SERGEANT PHIL AMAVILLE OF B.S.O. PSYCHOLOGICAL SERVICES UNIT.

AFTER BEING INTRODUCED TO THE AFOREMENTIONED SUBJECTS, WILLIAM MISTLER THEN UNDERWENT A PREHYPNOSIS INTERVIEW. DURING THIS PREHYPNOSIS INTERVIEW, WILLIAM MISTLER BECAME EMOTIONALLY UPSET TO THE POINT THAT DOCTOR HARLEY STOCK INDICATED THAT THEY COULD NOT DO THE HYPNOSIS AT THIS TIME. A DECISION WAS MADE THAT A COGNITIVE INTERVIEW BE CONDUCTED WITH WILLIAM MISTLER AT THE SEARS MALL.

THIS DETECTIVE ALONG WITH WILLIAM MISTLER THEN RETURNED TO THE CITY OF HOLLYWOOD AND DROVE TO THE WEST PARKING LOT OF THE SEARS MALL. COMMANDER STEMPKOWSKI, DOCTOR HARLEY STOCK, AND SERGEANT PHIL AMAVILLE ALSO ARRIVED AT THIS LOCATION. AT APPROXIMATELY 1030 HOURS, A COGNITIVE INTERVIEW WITH WILLIAM

MISTLER WAS CONDUCTED BY DOCTOR HARLEY STOCK. DURING THE COGNITIVE INTERVIEW, MR. MISTLER REITERATED THE SAME INFORMATION THAT HE HAD FURNISHED THIS DETECTIVE WITH IN HIS VOLUNTARY SWORN STATEMENT: AS TO HOW OTIS TOOLE DROVE UP IN A BLACK OVER WHITE 4DR CADILLAC, EXITED HIS VEHICLE, AND APPROACHED A WHITE MALE CHILD APPROXIMATELY FIVE (5) TO SIX (6) YEARS OF AGE. MR. MISTLER COULD NOT RECALL THE DESCRIPTION OF THE CLOTHING THAT THE CHILD WAS WEARING AT THAT TIME. UPON THE COMPLETION OF THE COGNITIVE INTERVIEW, THIS DETECTIVE AND COMMANDER STEMPKOWSKI SPOKE WITH MR. MISTLER WHO ADVISED THAT HE WOULD ATTEMPT TO UNDERGO THE HYPNOSIS AT A LATER TIME.

FRIDAY, 09/20/91, AT APPROXIMATELY 1305 HOURS, THIS DETECTIVE AND WILLIAM MISTLER ARRIVED AT B.S.D. PSYCHOLOGICAL SERVICES UNIT LOCATED AT 1204 NORTH UNIVERSITY DRIVE, PLANTATION. AT THAT TIME, THIS DETECTIVE MET WITH COMMANDER STEMPKOWSKI, DOCTOR HARLEY STOCK, AND DETECTIVE CHUCK EDELL WHO WOULD BE CONDUCTING THE HYPNOSIS SESSION.

IT SHOULD BE NOTED THAT THIS PREHYPNOSIS INTERVIEW AND ALSO THE HYPNOSIS SESSION WAS VIDEO TAPED FOR THIS AGENCY. A PREHYPNOSIS INTERVIEW WAS CONDUCTED BY DOCTOR HARLEY STOCK WITH WILLIAM MISTLER. MR. MISTLER BASICALLY WENT OVER THE SAME INFORMATION THAT HE HAD FURNISHED THIS DETECTIVE WITH EARLIER IN THIS INVESTIGATION AND ALSO AT THE COGNITIVE INTERVIEW CONDUCTED ON 09/02/91.

FOLLOWING THE PREHYPNOSIS INTERVIEW, THE HYPNOSIS SESSION BEGAN AT 1422 HOURS BY DOCTOR HARLEY STOCK. DURING THE HYPNOSIS SESSION, WILLIAM MISTLER RELATED THAT THE VEHICLE THAT OTIS TOOLE WAS OPERATING, THAT BEING A BLACK OVER WHITE CADILLAC, WAS RUSTY ALONG THE HOOD OF THE VEHICLE. HE DESCRIBED OTIS TOOLE AS HAVING REDDISH BROWN HAIR, A TWO (2) WEEK OLD BEARD, WEIRD EYES, GREENISH TEETH, YELLOW STAINED SHIRT, DARK PANTS, AND BROWN SHOES. MR. MISTLER STATES THAT OTIS TOOLE THEN EXITED HIS VEHICLE AND WALKED OVER TO THE CURB WHERE THE LITTLE BOY WAS STANDING. STANDING NEXT TO THIS CHILD WAS AN OLDER WOMAN AND

A FOURTEEN (14) YEAR OLD BOY. MR. MISTLER DESCRIBES THE OLDER WOMAN STANDING THERE GOING THROUGH HER POCKETBOOK LOOKING FOR SOMETHING AS OTIS TOOLE EXITED HIS VEHICLE AND WALKED UP TO THE CHILD. THE CHILD, ACCORDING TO WILLIAM MISTLER, WAS WEARING A BALL CAP AND WHITE SHOES. THE CHILD DID NOT APPEAR TO BE FRIGHTENED OR DID NOT RESIST IN ANY WAY. MR. MISTLER REMEMBERS OTIS TOOLE KNEELING DOWN AND SPEAKING WITH THE CHILD AND THEN EVENTUALLY TAKING HIM BY HIS HAND AND WALKING HIM BACK TO THE DRIVER'S SIDE OF HIS VEHICLE AND PLACING THE CHILD INTO SAID VEHICLE. AS MR. MISTLER MOVES HIS VEHICLE PASSED OTIS TOOLE'S VEHICLE, HE RECALLS A LICENSE PLATE BUT HE IS NOT SURE IF IT IS OUT OF STATE OR FLORIDA. HE DESCRIBES IT AS BEING GREEN AND WHITE AND POSSIBLY THE NUMBERS 508. DURING THE HYPNOSIS SESSION, MR. MISTLER DID NOT RECALL ANY ADDITIONAL INFORMATION THAT HE HAD NOT PROVIDED THIS AGENCY WITH PREVIOUSLY TO BEING HYPNOTIZED. UPON COMPLETION OF THIS HYPNOSIS SESSION, MR. MISTLER AND THE UNDERSIGNED DETECTIVE RETURNED BACK TO HOLLYWOOD POLICE DEPARTMENT.

SINCE THE HYPNOSIS SESSION, THIS DETECTIVE HAD SPOKEN WITH WILLIAM MISTLER ON A COUPLE OF OCCASIONS REGARDING WHY HE DID NOT FURNISH THIS INFORMATION TO THE HOLLYWOOD POLICE DEPARTMENT OR ANY AGENCY WHEN ADAM WALSH'S PICTURE WAS IN EVERY NEWSPAPER AND TELEVISION NEWSCAST. MR. MISTLER CONTINUED TO INSIST THAT THE INFORMATION THAT THE NEWS MEDIA WAS GIVING OUT WAS THAT OF A BLUE VAN BEING INVOLVED IN THIS ABDUCTION. UNLESS MR. MISTLER BELIEVED THAT A BLUE VAN WAS INVOLVED, THE INCIDENT THAT HE WITNESSED HE FELT HAD NOTHING TO DO WITH THE ABDUCTION OF ADAM WALSH. THIS DETECTIVE THEN ASKED MR. MISTLER AS TO WHY HE BELIEVED OTIS TOOLE HAD BEEN CHARGED IN THE ADAM WALSH CASE WITH HIS MURDER. MR. MISTLER STATED THAT HE SAW A PRESS CONFERENCE THAT WAS GIVEN BY THE ASSISTANT POLICE CHIEF AND POLICE CHIEF OF THE HOLLYWOOD POLICE DEPARTMENT REGARDING OTIS TOOLE AND HE THOUGHT THAT OTIS TOOLE HAD BEEN CHARGED WITH ADAM WALSH'S MURDER. AFTER THAT, MR. MISTLER STATED THAT HE DID NOT FOLLOW THE

OTIS TOOLE FURTHER STATED THAT WHILE HE WAS BEING HOUSED IN JACKSONVILLE, DETECTIVE TERRY OF THE JACKSONVILLE SHERIFF'S DEPARTMENT GAVE TOOLE INFORMATION FROM OTHER AGENCIES' CASE FOLDERS PRIOR TO THESE DETECTIVES' INTERVIEWS WITH OTIS TOOLE. BASED ON THE INFORMATION THAT DETECTIVE TERRY FURNISHED OTIS TOOLE WITH, TOOLE WAS ABLE TO GIVE INVESTIGATORS INFORMATION PERTAINING TO THEIR HOMICIDES THAT WOULD LEAD THEM TO BELIEVE THAT TOOLE MAY BE INVOLVED IN THEIR CASES.

OTIS TOOLE THEN INFORMED THIS DETECTIVE THAT HE WAS APPROACHED BY ANOTHER INMATE IDENTIFIED AS GERALD SCHAFER WHO IS CURRENTLY SERVING LIFE SENTENCES FOR MURDER IN THE STATE OF FLORIDA. MR. SCHAFER ASKED OTIS TOOLE IF HE WOULD BE INTERESTED IN WRITING A BOOK ABOUT THE MURDERS THAT OTIS AND HENRY LUCAS WERE INVOLVED IN AND ALSO INCLUDING THE ADAM WALSH CASE. GERALD SCHAFER TOLD OTIS TOOLE THAT HE KNEW THIS AUTHOR SONORA LONDON, AKA MEDIA QUEEN, WHO WOULD GIVE TOOLE MONTHLY SUMS OF MONEY IF TOOLE GAVE BOTH SCHAFER AND SONORA LONDON THE RIGHTS TO HIS BOOK. OTIS TOOLE STATED THAT HE TOLD GERALD SCHAFER THAT HE DID NOT COMMIT THE ADAM WALSH MURDER, BUT SCHAFER TOLD HIM TO CONFESS TO THE MURDER ANYWAY BECAUSE IT WOULD SELL MORE BOOKS. SINCE THAT TIME, OTIS TOOLE HAS NOT HAD ANY MORE CONTACT WITH GERALD SCHAFER. JUST PRIOR TO CONCLUDING THIS INTERVIEW WITH OTIS TOOLE, OTIS TOOLE ONCE AGAIN INFORMED THIS DETECTIVE THAT HE WAS NOT INVOLVED IN THE KIDNAPPING AND MURDER OF ADAM WALSH AND IF HE WAS, THERE WOULD BE NO REASON FOR HIM WITHHELDING THIS INFORMATION AT THIS TIME.

UPON CONCLUDING THE INTERVIEW WITH OTIS TOOLE, THIS DETECTIVE THEN MET WITH ASSISTANT SUPERINTENDENT PAUL DECKER. MR. DECKER HAD INFORMED THIS DETECTIVE THAT THE SUBJECT GERALD SCHAFER HAS BEEN WORKING WITH AN AUTHOR IDENTIFIED AS SONORA LONDON, AKA MEDIA QUEEN, WHO IS OUT OF ATLANTA, GEORGIA. ACCORDING TO PAUL DECKER, IT IS HIS BELIEF THAT BOTH SONORA LONDON IS USING

INMATES SUCH AS GERALD SCHAFER AND OTHERS FOR HER OWN PERSONAL GAIN IN OBTAINING BOOK RIGHTS ABOUT SERIAL MURDERERS. APPARENTLY SONORA LONDON IS USING GERALD SCHAFER AS HER GO BETWEEN WITH THE OTHER INMATES FOR THIS PURPOSE. RECENTLY, ASSISTANT SUPERINTENDENT PAUL DECKER HAS STOPPED SONORA LONDON FROM VISITING FLORIDA STATE PRISON OR COMMUNICATING WITH ANY OF THE INMATES IN HIS FACILITY.

BASED ON THE INTERVIEW WITH OTIS TOOLE, IT IS THIS DETECTIVE'S OPINION THAT OTIS TOOLE WAS BEING TRUTHFUL AND SINCERE ABOUT HIS NONINVOLVEMENT IN THE ADAM WALSH HOMICIDE.

INVESTIGATION TO CONTINUE.

=====

WAS DISCHARGED FROM THE MILITARY. DAHMER STATED THAT HE FLEW FROM SOUTH CAROLINA TO MIAMI ON 03/26/81. AFTER ARRIVING AT MIAMI INTERNATIONAL AIRPORT, HE WENT TO MIAMI BEACH WHERE HE GOT A ROOM FOR ONE WEEK AT AN UNKNOWN NAMED HOTEL. AFTER RUNNING OUT OF MONEY, DAHMER THEN SLEPT ON THE BEACH AND OTHER PUBLIC AREAS. UNTIL HE GOT A JOB AT SUNSHINE SUBS ON COLLINS AVENUE. UPON DAHMER'S ARRIVAL TO MIAMI, HE DISCARDED ALL OF HIS ARMY CLOTHING, HE DID NOT KEEP ANY OF HIS MILITARY CLOTHING.

THE OWNER OF SUNSHINE SUBS WAS A TEN HOULEV, WHITE MALE, APPROXIMATELY 65 YEARS OF AGE. JEFFREY DAHMER STATED HE WAS PAID OFF THE BOOKS DURING HIS EMPLOYMENT FROM APRIL UNTIL SEPTEMBER 1981. DAHMER FURTHER STATED HE WAS COLLECTING UNEMPLOYMENT WHILE HE WORKED. DAHMER STATED HE WENT TO THE UNEMPLOYMENT OFFICE LOCATED IN THE CITY OF MIAMI.

WHILE IN MIAMI BEACH, DAHMER DID NOT MAKE ANY FRIENDS OR CONFIDED IN ANYONE. HE MET AN ENGLISH WOMAN APPROXIMATELY 28 YEARS OF AGE WHO WAS A CO-WORKER AT SUNSHINE SUBS. THE ONLY SHOPPING MALL DAHMER HAD BEEN TO WAS THE OMNI MALL IN MIAMI. DAHMER SAID HE LEFT DADE COUNTY ONE TIME WHEN HE WENT TO FT. LAUDERDALE BEACH WITH THE ENGLISH WOMAN AND HER BOYFRIEND.

THIS DETECTIVE ASKED JEFFREY DAHMER IF HE HAD EVER BEEN TO THE HOLLYWOOD MALL IN HOLLYWOOD FLORIDA. DAHMER STATED THAT HE HADN'T BEEN TO THAT MALL AND DOESN'T KNOW ITS LOCATION. THIS DETECTIVE INFORMED DAHMER THAT I HAD TWO INDEPENDENT WITNESSES THAT STATED THAT THEY SAW HIM AT THE HOLLYWOOD MALL LATE ON JULY THE 27TH, 1981 WHEN ADAM WALSH WAS KIDNAPPED.

DAHMER RESPONDED THAT SINCE HIS ARREST IN MILWAUKEE THERE HAVE BEEN NUMEROUS SIGHTINGS OF HIM IN OTHER STATES, THAT HE HAD NEVER BEEN TO AND WHERE THERE WERE UNSOLVED MURDERS.

THIS DETECTIVE THEN ASKED JEFFREY DAHMER IF HE HAD ANYTHING TO DO WITH ADAM WALSH'S KIDNAPPING AND SUBSEQUENT MURDER. DAHMER REPLIED, "NO", HE SAID HE TOLD DETECTIVE FENELDY (MILWAUKEE HOMICIDE) ABOUT EVERY MURDER HE COMMITTED AND THAT ALL HIS MURDERS OCCURRED IN THE MILWAUKEE AREA. HE FURTHER TOLD POLICE ABOUT MURDERS THAT THEY HAD NO KNOWLEDGE OF.

DAHMER STATED THAT HE WAS NOT A PEDOPHILE AND WAS ONLY INTERESTED IN HOMOSEXUALS HIS AGE AND OLDER (EAR AND). HIS SEXUAL FANTASIES WERE OF MEN WITH ATHLETIC PHYSICS. JEFFREY DAHMER TOLD THIS DETECTIVE, "I WOULD WELCOME THE DEATH PENALTY, INSTEAD OF ROTTING AWAY IN THIS PRISON THE REST OF MY LIFE". "IF I KILLED ADAM WALSH, I WOULD TELL YOU".

SINCE DAHMER'S ARREST BY THE MILWAUKEE POLICE AND THE TAKING OF HIS CONFESSIONS, NO OTHER UNSOLVED MURDER CASES HAVE SURFACED LINKING JEFFREY DAHMER TO THEM.

.....  
FOLLOWING IS THE FIRST SUPPLEMENTAL REPORT SUBMITTED BY DETECTIVE

AUGUST 1994. THIS DETECTIVE HAS BEEN ASSIGNED THE ABOVE CASE. AS ASSIGNED THIS CASE, THIS DETECTIVE HAS FIELDED NUMEROUS CALLS POSSIBLE SUSPECT INFORMATION. THE FACT THAT THESE CALLS HAVE NEVER, IS NOT UNUSUAL AS SINCE THE HOMICIDE, THIS AGENCY HAS MANY OF THE SAME TYPE CALLS.

07/94, THIS DETECTIVE RECEIVED A PHONE CALL FROM A DIANA CASEY. AS INCLUDED IN THE ORIGINAL INVESTIGATION AND MUCH OF WHAT SHE DETECTIVE HAD ALREADY BEEN COVERED IN THE ORIGINAL SUPPLEMENTAL REPORT SHE DID INFORM THIS DETECTIVE IS THAT WHAT IS DIFFERENT IS BELIEVED WHAT SHE HAD OBSERVED WAS, IN FACT AT THE BEARS MALL IN WHEN SHE HAD ORIGINALLY STATED THAT IT WAS ANOTHER STORE. HER CASE HAD ALREADY BEEN INVESTIGATED BY SAUGH, WITH NEGATIVE RESULTS. EARLY AUGUST OF THE SAME YEAR, THIS DETECTIVE REVIEWED THE CASE AS INVESTIGATION. BASED ON THIS REVIEW, THIS DETECTIVE SUBMITTED RECOMMENDATIONS TO SERGEANT DUNBAR, DETECTIVE BUTCH, AND MAJOR MAHER. RECOMMENDATIONS INCLUDED REINTERVIEWING THE WITNESSES RELATING TO THE OTTIS INVESTIGATION, AS WELL AS A REINTERVIEW WITH PREVIOUSLY DOCUMENTED WITNESSES BECAUSE OF THE LENGTH OF TIME SINCE THIS INCIDENT. THIS DETECTIVE BELIEVED IT TO BE DIFFERENT TO ATTEMPT TO ESTABLISH A NEW MOTIVE FOR THE HOMICIDE AND TO SIMPLY EXPAND UPON THE ALREADY MENTIONED MOTIVES. NEW OR DIFFERENT MOTIVES SHOULD BE EXAMINED IF SUPPORTED BY THE EVIDENCE.

REVIEW OF THE EVIDENCE REVEALED THAT SEVERAL ARTICLES WERE OBTAINED REGARDING THE MURDER OF OTTIS. THESE ARTICLES INCLUDED A FILM OF A MACHETE WITH A GREEN HANDLE WHICH WAS LOCATED FROM THE STORE OF R. BENNETT IN JACKSONVILLE. POLICE LABORATORY REPORTS REVEALED A STRIPE ON SAID ITEM WHICH CORRELATED TO THE STRIPE ON SIGNAL NOTED WERE TESTS PERFORMED ON OTHER MACHETES REMOVED FROM A COVER WHITE FABRICALLY IDENTIFIED AS IN JACKSONVILLE. THIS COVER WAS COVERED FROM WELLS FERTILIZERS STORE AND IN JACKSONVILLE. IT WAS BELIEVED TO HAVE BEEN USED BY OTTIS WHILE WORKING THE TIME OF THE ABDUCTION WAS TO HAVE BEEN USED IN INCIDENT. WOUNDS OF THE INTACT CARPET OF SAID MACHETE WHICH HAD BEEN TREATED WITH BLOOD. THESE PHOTOGRAPHS SHOWED A BLOOD STAIN IN AN AREA OF THE REAR FRONT, AS WELL AS, THE DRIVER'S REAR FLOOR BOARD. IN ONE OF THE PHOTOGRAPHS HE HAD MENTIONED THAT HE HAD THE COVERED HEAD OF THE MACHETE INTO THE WATERWAY ADJACENT TO THE FLORIDA TURNPIKE.

BLOOD TESTS REVEALED THE PRESENCE OF BLOOD IN THE COVERED HEAD OF THE CARPET, AS WELL AS, THE DRIVER'S REAR FLOOR BOARD. PREVIOUSLY ACCORDING TO THE POLICE LABORATORY, THESE TESTS WERE PERFORMED IN 1980. NO FURTHER TESTS WERE PERFORMED ON THESE ITEMS. BEING PERFORMED BEFORE THE INCIDENT OF 1994, THIS MAY HAVE BEEN AN ACCURATE REVIEW OF THE EVIDENCE. IT WAS BELIEVED THAT THERE WERE NO BLOOD TESTS PERFORMED ON THE MACHETE BY THE JACKSONVILLE POLICE DEPARTMENT AT POLICE LABORATORY REVEALED THAT THE MACHETE IN QUESTION WAS CUT

INTO SEVEN SAMPLES AND WERE SENT TO BE TESTED BY THE SEROLOGY LAB IN JACKSONVILLE. THESE TEST RESULTS ARE THE ONES WHICH DISCOVERED POSITIVE RESULTS FOR THE PRESENCE OF BLOOD AND STATED THAT NO FURTHER ANALYSIS COULD BE PERFORMED. THE TRACK OF THESE ITEMS REVEALED THAT THEY WERE SENT BACK TO JACKSONVILLE POLICE DEPARTMENT ON 05/24/94, AND INTO THE CUSTODY OF DETECTIVE J. W. TERRY. THIS TRACK WAS CONDUCTED BY GLENN ABATE OF FDLE JACKSONVILLE REGIONAL OFFICE AND NOT CONDUCTED THROUGH PAPERWORK. ONE CARPET SAMPLE IN THE CUSTODY OF THE HOLLYWOOD POLICE DEPARTMENT IS BELIEVED TO BE A CLEAN SAMPLE OF THE SAME CARPET.

THIS DETECTIVE MADE PHONE CONTACT WITH J. W. TERRY, WHO HAS SINCE RETIRED AND CURRENTLY WORKING AT THE HIGHLAND COUNTY COURTHOUSE. DEPUTY TERRY HAD NO RECOLLECTION OF RECEIVING THE PREVIOUSLY MENTIONED CARPET SAMPLES AND/OR PLACING THEM INTO PROPERTY AT THE JACKSONVILLE POLICE DEPARTMENT. ON 01/16/95, THIS DETECTIVE SIGNED OFF SEVERAL ITEMS OF EVIDENCE IN THE CUSTODY OF THE HOLLYWOOD POLICE DEPARTMENT TO BE DELIVERED BY THIS DETECTIVE, TO THE GENETIC DESIGN LABORATORY IN GREENSBORO, NORTH CAROLINA. ON 01/17/95, THIS DETECTIVE STOPPED AT THE JACKSONVILLE POLICE DEPARTMENT PROPERTY EVIDENCE SECTION ENROUTE TO NORTH CAROLINA, AND WITH THE ASSISTANCE OF DEPT. TERRY, MADE AN ATTEMPT TO LOCATE SAID ITEMS. THE PROPERTY CLERK SUPERVISOR ADVISED THAT SHE WOULD MAKE AN EFFORT TO LOCATE PAPER WORK ON THE ITEMS AND/OR THE ITEMS THEMSELVES.

ARRIVING ON 01/18/95, THIS DETECTIVE TURNED SEVERAL ITEMS OVER TO JOHN RADER, OF THE GENETIC DESIGN LABORATORY, FOR THE PURPOSE OF EXTRACTING DNA FOR POSSIBLE COMPARISONS WITH KNOWN SAMPLES OF THE VICTIM IN THIS CASE. THE ITEMS SIGNED OVER TO MR. RADER WERE AS FOLLOWS: TWO OF FINGER FROM MACHETE, MACHETE AND BREATHER, ONE OF FINGER FROM MACHETE, CARPET STANDARD, AND A STANDARD OF BLOOD FROM THE VICTIM. THE TEST RESULTS WILL BE COVERED LATER IN THE SUPPLEMENT REPORT.

ON 01/11/95, THIS DETECTIVE WAS RECEIVED A PHONE CALL FROM A W/M BY THE NAME OF JERRY GREEN, PHONE # 904-233-1111, OF DELICORPNE FLORIDA. MR. GREEN STATED THAT HE BELIEVED THAT THE VAN WAS IN A BLUE FORD VAN AT A MR. DOUGHRILL ON LAWRENCE ROAD IN DELICORPNE AT THE ALLEGATION. MR. GREEN COULD NOT PROVIDE FURTHER INFORMATION REGARDING THE SUBJECT. IT IS THIS DETECTIVE'S OPINION AFTER DEALING WITH THIS SUBJECT ON NUMEROUS OCCASIONS THAT HE APPEARS TO BE SOMEWHAT UNSTABLE AND DOES NOT PROVIDE WORTH WHILE INFORMATION AT THIS TIME, AND IT IS DUBIOUS AS TO HIS CREDIBILITY. MR. GREEN WILL NOT BE IGNORED, HOWEVER, ANY FURTHER CONTACT WITH HIM MAY BE NECESSARY. IT SHOULD BE NOTED THAT MR. GREEN DESCRIBED THE VICTIM WHEN HE OBSERVED HIM EXACTLY LIKE THE PICTURE OF THE VICTIM THAT HAD BEEN CIRCULATED IN THE MEDIA. WHAT SHOULD BE BEING NOTED IS THAT THE FORD VAN WAS ALSO THE VEHICLE PROVIDED TO THE MEDIA AS A POSSIBLE SUSPECT VEHICLE. ACCORDING TO THE SUPPLEMENT REPORT REVIEWED BY THIS DETECTIVE, A BLUE VAN WAS SEEN LEAVING THE AREA OF THE CLEARING ON THE DATE IN QUESTION. THE PERSONS OBSERVING THE VAN, PLACED IT IN THE AREA THERE AT APPROXIMATELY 1:30 P.M., WHICH WOULD HAVE BEEN APPROXIMATELY ONE HOUR AFTER THE VICTIM WAS DISCOVERED MISSING.

ON 03/05/95, THIS DETECTIVE RECEIVED A PHONE CALL FROM A WHITE MALE SUBJECT WISHING TO REMAIN ANONYMOUS. THIS SUBJECT, LISTING A RECONTACT NUMBER OF 904-488-1, STATED THAT HE BELIEVED HE OBSERVED THE ABDUCTION OF ADAM WALSH WHEN HE WAS AT THE BEARS STORE ON A SATURDAY EVENING AT APPROXIMATELY 8:30 P.M. THIS SUBJECT STATED THAT HE WORKED CONSTRUCTION AND THAT HE WAS AT BEARS PICKING UP CONSTRUCTION EQUIPMENT AND BELIEVED A HELICOPTER OVERHEAD. THIS SUBJECT STATED THAT AS HE ENTERED BEARS, HE OBSERVED A W/M CARRYING A YOUNG W/M BY THE SIDE OF THE CURB, TOWARDS A

BLUE VAN PARKED ON THE SOUTH SIDE OF THE HIGHWAY. THIS CALLER STATED THAT HE WAS SURE THAT HE WAS THERE DURING THE EVENING, WHICH WOULD CONFLICT WITH THE EVIDENCE IN THIS CASE. THE REASON THE CALLER STATED THAT HE WAS CALLING ON THIS DATE IS THAT HE OBSERVED WHAT HE BELIEVED TO BE THE SAME VAN RECENTLY WESTBOUND ON SHERIDAN STREET AT 441. THE CALLER STATED THAT HE HAD WRITTEN DOWN THE TAG NUMBER BUT HAD LOST IT PRIOR TO CALLING. WHEN TOLD THAT THE TIMES HE REFERS TO, AS WELL AS THE DAY OF THE WEEK HE MADE THESE OBSERVATIONS CONFLICT WITH THE EVIDENCE, THE CALLER STATED THAT HE WAS RELIEVED AND BELIEVED THEN THAT HE DID NOT ACTUALLY SEE THE ABDUCTION IN QUESTION. THE CALLER HAS RECALLED THIS DETECTIVE ON NUMEROUS OCCASIONS STATING THAT HE MAY HAVE BEEN MISTAKEN AND MAY ACTUALLY HAVE BEEN AT SEARS AND WITNESSED THE ABDUCTION. THE INFORMATION PROVIDED BY THE CALLER ABOUT THE POSSIBLE SUSPECT VEHICLE WAS VAGUE AND VERY LITTLE INFORMATION TO FOLLOW UP. THE CALLER WAS ADVISED TO DEVELOP A TAG NUMBER OF THE VEHICLE IF HE OBSERVED IT AGAIN AND RECONTACT THIS DETECTIVE.

ON 04/03/75, THIS DETECTIVE RECEIVED THE DISPOSITION OF THE DNA TESTS PERFORMED BY THE GENETIC DESIGN LAB. DNA TESTS PERFORMED COULD NOT LOCATE ANY BLOOD ON ANY OF THE ITEMS SUBMITTED. THIS MAY BE A RESULT OF THE PREVIOUSLY MENTIONED TESTS PERFORMED IN 1974 WHICH MAY HAVE CONSUMED ALL OF THE BLOOD, OR SIMPLY DUE TO THE LENGTH OF TIME THE ITEMS HAVE BEEN STORED. AS OF THIS SUPPLEMENT REPORT, THE PREVIOUSLY MENTIONED BLOOD STAINED CARPET HAS NOT BEEN RELOCATED. A NUMBER QUERY REVEALED THAT THE VEHICLE IN QUESTION IS PRESENTLY REGISTERED TO A SIBER CARWAT, LYM DOE 11/21/52. THE REGISTRATION SHOWS HOWEVER THAT THE DECAL ON THE TAG OF THIS VEHICLE EXPIRED IN 1974 AND HAD NOT BEEN RENEWED. A DRIVERS LICENSE CHECK REVEALED THIS INDIVIDUAL WAS LAST KNOWN TO BE ON DAVETT STREET, IN ST. AUGUSTINE. ATTEMPTS WILL BE MADE TO LOCATE THIS VEHICLE SO FURTHER TESTING CAN BE PERFORMED TO DETERMINE POSSIBLE EVIDENCE FOR FURTHER GENETIC TESTING.

BASED ON THE REVIEW OF THE INFORMATION GIVEN IT WAS DISCOVERED THAT THE ORIGINAL INVESTIGATION INVOLVED AN EXTENSIVE INVESTIGATION INTO OTTIS TOOLE'S POSSIBLE INVOLVEMENT. TOOLE WAS A MEMBER OF 11111 AFTER HE CONFESSED TO THE ABUCTION OF THE VICTIM. TOOLE CLAIMED TO HAVE DRIVEN THE PREVIOUSLY MENTIONED VEHICLE AND TO HAVE BEEN IN A ROOMING HOUSE FROM A SEASIDE STORE NEAR FT. LAUDERDALE. ACCORDING TO THE INVESTIGATION FILED BY TOOLE LED INVESTIGATORS TO AN AREA WITHIN TOOLE MILES FROM THE SEVERED HEAD OF THE VICTIM IN THIS CASE WAS ACTUALLY FOUND. TOOLE DESCRIBED THIS AREA AS THE LOCATION HE DISMEMBERED THE HEAD FROM THE BODY WITH THE MACHETE WHICH WAS SIMILARLY DESCRIBED AS THE ONE PREVIOUSLY MENTIONED IN THIS SUPPLEMENT REPORT. TOOLE STATED THAT HE THEN DROVE WESTBOUND ON THE TURNPIKE SEVERAL MILES BEFORE HE DISCARDED THE HEAD INTO THE WATERWAY ALONG THE ROADWAY. IT APPEARED THAT THESE STATEMENTS BY TOOLE WERE AS ACCURATE AS REASONABLY COULD BE EXPECTED FOR AN INCIDENT THAT HAD OCCURRED APPROXIMATELY TWO AND A HALF YEARS PREVIOUS. DETECTIVES JOHNSON AND JOHNSON INTERVIEWED SEVERAL CELL MATES OF TOOLE'S REGARDING TOOLE'S HESITANCY IN CONFESSING TO THIS HOMICIDE, AS WELL AS TOOLE'S VIEWING OF A MOVIE OF THIS CASE WHICH HAD RECENTLY AIRED ON TV. ALL INMATE INTERVIEWED STATED THAT THE MOVIE WAS NOT VIEWED BY THEMSELVES OR TOOLE. THIS DETECTIVE RECEIVED A VIDEO CASSETTE OF THIS MOVIE TO REVIEW AND DISCOVERED THAT IT DID NOT GET INTO DETAILS ABOUT HOW THE VICTIM WAS ABDUCTED OR DESCRIBE WHERE EXACTLY THE SEVERED HEAD WAS DISCOVERED. IT IS NOT CLEAR WHETHER THE PREVIOUS INVESTIGATION DETERMINED WHERE TOOLE COULD HAVE OBTAINED THE INFORMATION DESCRIBED ABOVE IF HE WERE NOT INVOLVED, ONE POSSIBILITY BEING THAT IF HE WAS FURNISHED WITH THE INFORMATION WITH TOOLE HAVING SPECIFIC DETAILS FOR

PUBLICITY PURPOSES. ACCORDING TO THE ORIGINAL PAPERWORK, DETECTIVE HOISINGTON WAS THE DRIVER OF THE VAN IN WHICH TOOLE WAS DRIVEN TO WHERE THE PREVIOUSLY MENTIONED AREA WAS POINTED OUT. THIS DETECTIVE SPOKE WITH DETECTIVE HOISINGTON WHO RECALLED THIS INCIDENT CLEARLY. DETECTIVE HOISINGTON STATED THAT TOOLE, WHO WAS SEATED NEXT TO HIM IN THE FRONT PASSENGER SEAT, WAS NOT ASSISTED IN ANY WAY DURING THE DRIVE. DETECTIVE HOISINGTON STATED THAT TOOLE RECOGNIZED THE HOLLYWOOD BEARS STORE FROM OTHERS THAT HAD BEEN POINTED OUT, AS WELL AS THE ROUTE TAKEN FROM THE STORE AFTER THE ABDUCTION. DETECTIVE HOISINGTON ADDED THAT TOOLE THEN LED THEM NORTH ON THE TURNPIKE TO THE PREVIOUSLY MENTIONED AREA OF WHERE THE HEAD WAS ACTUALLY RECOVERED WITHOUT ANY ASSISTANCE.

SINCE HIS INITIAL CONFESSION, TOOLE HAS RECENTLY, HAS CONFESSED AGAIN, AND RECALLED AGAIN. THE ORIGINAL INVESTIGATION WAS ABLE TO CONFIRM TOOLE'S WHEREABOUTS IN JACKSONVILLE ON JULY 27TH, 1981, AND AGAIN IN JACKSONVILLE ON AUGUST 1ST, 1981. WITH THE ADDITIONAL DATING ON JULY 27TH, 1981, AND TOOLE'S WHEREABOUTS AT THE TIME UNKNOWN, HE CANNOT BE ELIMINATED AS A SUSPECT.

IN AUGUST OF 1991, AN INDIVIDUAL BY THE NAME OF WILLIAM MISTLER, SURFACED AS A POSSIBLE WITNESS TO THE ABDUCTION. MISTLER STATED THAT HE RESPONDED TO A NEWS ARTICLE IN THE SUN IN THE AREA OF THE TENTH ANNIVERSARY OF THE ADAM WALSH HOMICIDE WAS STOPPED BY THE ARTICLE. IT WAS STATED THAT OTTIS TOOLE WAS ELIMINATED AS A SUSPECT IN THIS CASE. MISTLER STATED THAT HE WAS UNDER THE IMPRESSION THAT TOOLE HAD BEEN ARRESTED FOR THE MURDER IN 1980 AND BELIEVED THAT IF HE HAD BEEN BROUGHT FORWARD WITH WHAT HE BELIEVED HE HAD BEEN THE DAY OF THE ABDUCTION. MISTLER STATED THAT HE OBSERVED TOOLE LOOK A YOUNG WOMAN HE BELIEVED TO BE ADAM WALSH INTO A 1971 BLACK OVER WHITE FOUR DOOR ALDAMA WITH AN INTERIOR NEAR THE ENTRANCE TO THE GARDEN SHOP OF THE DIARY STORE IN HOLLYWOOD. MISTLER UNDERWENT HYPNOSIS AT THE TIME AND STATED THAT HE BELIEVED THAT THERE WAS A SMALL DENT ON THE REAR BUMPER OF THIS VEHICLE AND HE BELIEVED HAD A FLORIDA TAG FROM ALACHUA COUNTY AFFIXED TO THE REAR. MISTLER RELATED PART OF THE TAG NUMBER TO POSSIBLY BE 1E9974. MISTLER SUBMITTED TO A POLYGRAPH TEST REGARDING HIS STATEMENTS TO BE TRUE. MISTLER'S OBSERVATIONS WOULD ACCURATELY DESCRIBE THE VEHICLE TOOLE STATED HE HAD DRIVEN WHEN HE CONFESSED TO THIS CRIME. INVESTIGATION WAS CONDUCTED ON THE REAR BUMPER AND THE INTERIOR CONTROL. THE REVIEW OF NEWSPAPER ARTICLES AVAILABLE IN THE FILE DID NOT MENTION A DESCRIPTION OF THE VEHICLE. TOOLE STATED THAT HE HAD DRIVEN AT THE TIME. IT IS NOT KNOWN WHETHER THERE WAS ANYTHING PUBLISHED OR ANNOUNCED, AVAILABLE TO MISTLER THAT WOULD ENABLE TO DESCRIBE THIS VEHICLE ACCURATELY IF HE DID NOT ACTUALLY OBSERVE IT. HE STATED THAT HE DID, WHILE IN THE STORE. MISTLER STATED THAT HE HAD A WIFE, HE BELIEVED TO BE REVE WALSH, CALLING FOR HER ON THE DAY OF THE ABDUCTION. MISTLER ALSO STATED THAT HE RETURNED LATER THE SAME DAY TO A JOHN WHAT HE HAD EARLIER PURCHASED AND STATED THAT HE OBSERVED JOHN BELIEVED TO BE JOHN WALSH BE WEARING A SUIT. LATER CONVERSATION BY THE DETECTIVE WITH JOHN WALSH, CONFIRMED THAT ADAM WALSH'S NICKNAME WAS JACKSON OR JACK AND THAT JOHN WALSH WAS WEARING A SUIT WHEN HE RESPONDED TO THE CALL FOR THE ABDUCTION. THIS INFORMATION COULD CONFIRM AT LEAST THAT MISTLER WAS PRESENT AT THE DIARY STORE ON THAT DATE. HOWEVER, RECALLED BY HIS NAME MISTLER, IT WAS IN FACT MENTIONED IN THE PREVIOUSLY MENTIONED NEWS ARTICLE MAY HAVE BEEN CITED BY MISTLER. IN LATER CONVERSATION WITH MISTLER WITH THIS DETECTIVE, HE REAFFIRMED ALL OF THE FACTS HE HAD EARLIER STATED.

THE ORIGINAL INVESTIGATIVE FILE CONCERNING REMAINS BY THE NAMES OF ARLENE AND HEIDI MAYER, WHO BELIEVED THAT THEY HAD BEEN OTTIS TOOLE IN THE

00040

MART JUST PRIOR TO THE ABDUCTION AT THE SEARS STORE. THE  
D THIS INFORMATION ON THE PICTURE OF TOOLE PUBLISHED IN THE  
THE SUBSEQUENT INVESTIGATION INTO THIS INFORMATION CAN NOT  
ELIMINATE THIS INFORMATION. THIS DETECTIVE WILL ATTEMPT TO  
USE INDIVIDUALS FOR RE-INTERVIEW. THIS DETECTIVE WILL PLAN A  
WITH OTTIS TOOLE WHO IS CURRENTLY HOUSED IN RAYFORD. THIS  
LL TAKE PLACE AFTER ALL EFFORTS TO OBTAIN PHYSICAL EVIDENCE  
REVIOUSLY IN THIS SUPPLEMENT REPORT HAVE BEEN EXHAUSTED. THE  
OF TOOLE WILL BE CONDUCTED TO FURTHER IMPLICATE HIM OR TO  
ULPATE HIM.

8/25, THIS DETECTIVE RESPONDED TO THE CITY OF ST. AUGUSTINE TO  
WITH B/M SIRE SAFWAT, REGARDING THE INVESTIGATION. AS  
ATED, MR. SAFWAT IS LISTED AS THE LAST REGISTERED OWNER OF THE  
IONED IN THE ORIGINAL INVESTIGATION WHICH MAY HAVE BEEN  
OTTIS TOOLE AT THE TIME OF THE ABDUCTION/HOMICIDE. ACCORDING  
TMENT OF MOTOR VEHICLE RECORDS, SAFWAT OWNED THE 1971 CADILLAC.  
HAT THE REGISTRATION HAD NOT BEEN RENEWED SINCE 1985. AT  
Y 1430 HOURS ON THIS DATE, THIS DETECTIVE MADE CONTACT WITH  
S RESIDENCE ON LOVETT STREET. MR. SAFWAT WAS INFORMED OF THE  
THIS CONTACT AND STATED THAT HE REMEMBERED OWNING THE VEHICLE  
SAFWAT STATED THAT HE PURCHASED THE VEHICLE FROM AN UNKNOWN  
N JACKSONVILLE AND WAS TOLD BY THE DEALER THAT IT WAS THE  
IOUSLY DRIVEN BY A HENRY LEE LINDA AND OTTIS TOOLE. SAFWAT  
SOMETIME IN THE LATE 1970'S HE HAD THE VEHICLE TOWED AWAY TO  
UNKYARD IN JACKSONVILLE. SAFWAT STATED THAT THE VEHICLE DID  
FETING IN IT WHEN HE PURCHASED IT AND WAS UNABLE TO GET IT  
TRUNK LID. BASED ON THIS INFORMATION, IT IS BELIEVED THAT  
IS NO LONGER AVAILABLE AND ATTEMPTS TO LOCATE IT FOR THE  
ENTIONED TEST WOULD BE FUTILE. NO MORE ATTEMPT WILL BE MADE  
E VEHICLE, HOWEVER, VIA A TELEPHONE CALL WITH THE DEPARTMENT  
ICLE. IF THE RESULTS OF THIS CALL ARE POSITIVE, A FOLLOW UP  
EPORT REGARDING THE RESULTS WILL BE GENERATED BY THIS

1/25, A LETTER HAD BEEN RECEIVED FROM A PERSON WHO WANTED TO  
EQUESTING TO TALK TO JOHN WALKER RE: THIS HOMICIDE. THIS  
HIS NAME, PETER GENOVESE, AND ASKED FOR A CONTACT NUMBER. THIS  
RELAYED TO THIS DETECTIVE ON 1/25/85 AND THIS DETECTIVE MADE  
MR. GENOVESE. MR. GENOVESE STATED THAT HE BELIEVED A SUSPECT  
IDE OF A YOUNG WIFE FOUND IN A HOLLOWOOD GOLF COURSE IN 1980,  
VED IN THE HOMICIDE OF ADAM WALKER. THIS DETECTIVE MADE  
WITH GENOVESE AT A LATER DATE. NO FURTHER INVESTIGATION, AND  
WILL BE COVERED IN A FUTURE SUPPLEMENT REPORT.

THE FOLLOWING IS THE SECOND SUPPLEMENT REPORT SUBMITTED BY DETECTIVE MARK SMITH.

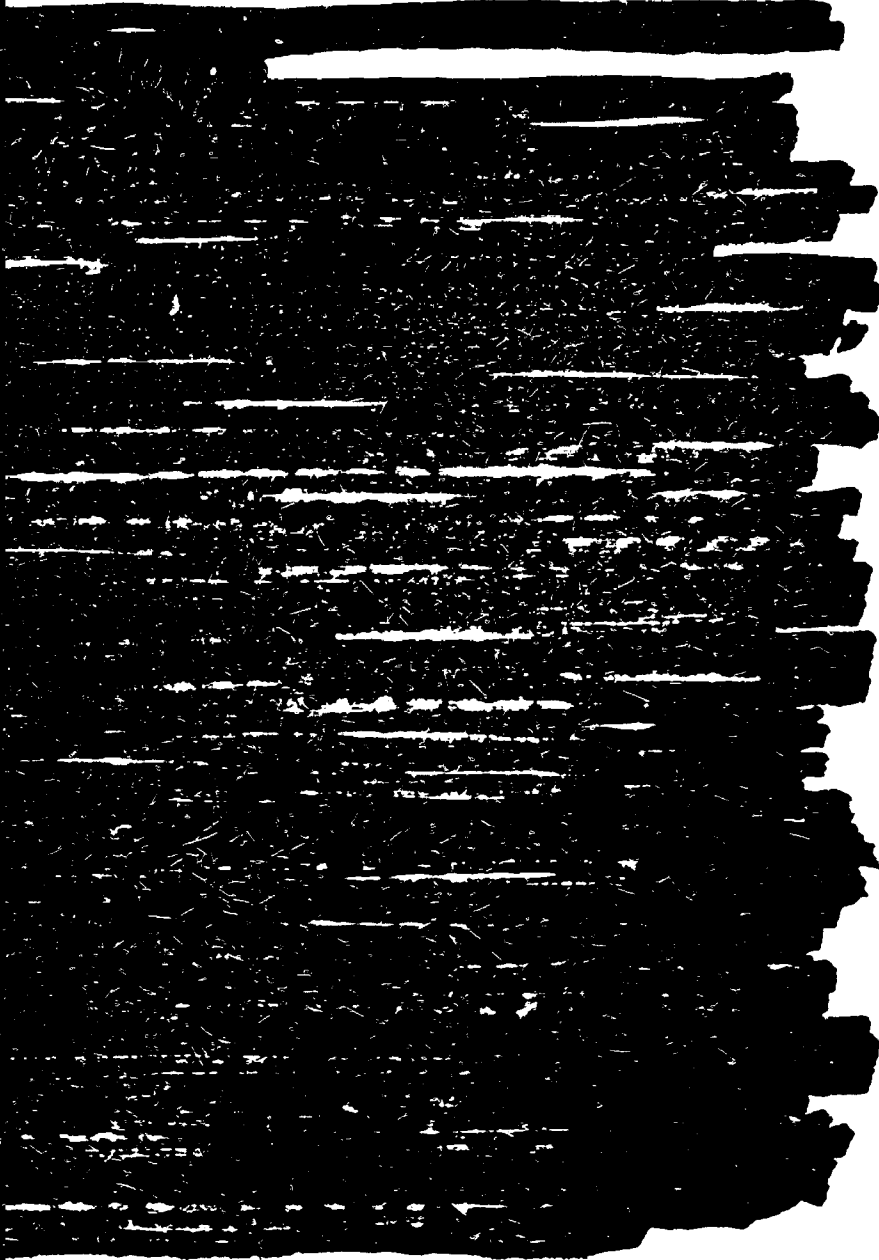

AS PREVIOUSLY STATED IN THIS DETECTIVE'S INITIAL SUPPLEMENT REPORT, A RE-INTERVIEW WAS TO BE ATTEMPTED WITH OTTIS TOOLE WHEN ALL ATTEMPTS TO LOCATE PHYSICAL EVIDENCE REGARDING THE INVESTIGATION INTO HIS POSSIBLE INVOLVEMENT HAD BEEN EXHAUSTED. BELIEVING THIS TO BE THE CASE AT LEAST AS OF THE DATE OF 6-23-95, THIS DETECTIVE MADE ARRANGEMENTS WITH THE UNION CORRECTIONAL INSTITUTE IN STARKE, FLORIDA TO INTERVIEW TOOLE ON 6-27-95.

THIS DETECTIVE, ACCOMPANIED BY DET. NAVARRO, RESPONDED TO THE U.C.I. FOR THE PURPOSE OF THIS INTERVIEW AT APPROXIMATELY 8:15A.M. ON SAID DATE. THESE DETECTIVES MADE CONTACT WITH INMATE COUNSELOR GENE SLOCUMB WHO MADE ARRANGEMENTS FOR TOOLE TO BE DELIVERED TO AN INTERVIEW ROOM LOCATED ADJACENT TO THE ADMINISTRATION BUILDING. THESE DETECTIVES WERE INFORMED BY PERSONNEL THAT TOOLE IS BELIEVED TO BE SUFFERING FROM ACTIVE HEPATITIS B AND C AND CAUTION SHOULD BE USED DURING THE INTERVIEW. TOOLE WAS BROUGHT TO THE INTERVIEW ROOM AT APPROXIMATELY 8:45A.M. FASHIONED WITH A SURGICAL MASK AS A PRECAUTION AGAINST TRANSMITTING HIS SUSPECTED DISEASE. THESE DETECTIVES ENTERED THE INTERVIEW ROOM WITH SIMILAR MASKS FOR PRECAUTIONARY REASONS AND MADE AN INTRODUCTION WITH TOOLE. TOOLE HAD NO INITIAL RESPONSE TO THE INTRODUCTION UNTIL HE WAS INFORMED OF THE PURPOSE OF THE INTERVIEW. TOOLE'S INITIAL REACTION APPEARED THAT HE WAS DISTURBED AND STATED THAT HE HAD NO INVOLVEMENT IN THIS CASE OR ANY OTHER CASE, INCLUDING THE ONE WHICH HE WAS CONVICTED OF. TOOLE, WHO APPEARS UNCOMFORTHEN BY NATURE, NEVER RAISED HIS VOICE BUT DID APPEAR TO BE SOMEWHAT DISTURBED INITIALLY. AFTER APPROXIMATELY 30 MINUTES OF GENERAL CONVERSATION, TOOLE AGREED TO BE INTERVIEWED AND TAPE RECORDED BY THESE DETECTIVES. BEFORE TOOLE WAS ASKED ANY SPECIFIC QUESTIONS REGARDING THIS CASE, THIS DETECTIVE INFORMED TOOLE OF HIS CONSTITUTIONAL RIGHTS WHICH HE STATED HE UNDERSTOOD AND PROCEEDED WITH THE TAPE RECORDED INTERVIEW.

DURING THE INTERVIEW, TOOLE WAS SHOWN TO IN GENERAL, AS WELL AS ABOUT SPECIFICS ABOUT THIS CASE. WHEN SPEAKING ABOUT THIS CASE, TOOLE DENIED ANY INVOLVEMENT AND STATED THAT DID NOT DRIVE THE VEHICLE HE HAD PREVIOUSLY ADMITTED TO DRIVING TO HOLLYWOOD WHERE HE STATED HE ABDUCTED THE VICTIM IN THIS CASE AND SUBSEQUENTLY TRAVELLING WITH HIM NORTH ON THE TURNPIKE. THIS TAPED STATEMENT MAY OR MAY NOT BE TRANSCRIBED DUE TO THE VOLUME AND MANNER OF TOOLE'S SPEECH WHICH WOULD MAKE TRANSCRIPTION DIFFICULT. THE TAPE HOWEVER WILL BE MAINTAINED AS EVIDENCE IN THIS CASE. TOOLE APPEARED TO TIRE AND/OR BECOME DISTRACTED NEAR THE END OF THE TAPED STATEMENT AND AGREED TO SPEAK WITH THESE DETECTIVES THE FOLLOWING DATE. THIS INTERVIEW WAS TERMINATED WITH THE UNDERSTANDING THAT RE CONTACT WOULD BE MADE AND TOOLE WAS RETURNED TO THE MEDICAL UNIT AT THE U.C.I. BECAUSE OF HIS SUSPECTED CONDITION. WHAT SHOULD BE NOTED IS THAT, ALTHOUGH TOOLE WAS SUSPECTED TO HAVE THE HEPATITIS VIRUS, HE APPEARED COHERENT AND PHYSICALLY ABLE TO FUNCTION WITHOUT ANY ASSISTANCE.

FROM MICHAEL MONAHAN W/M 5-24-68 WHICH WAS CONDUCTED AT THE OFFICE OF FEDERAL PROBATION OFFICER TERRY GRAVES, ON 02-10-75, THIS DETECTIVE RECEIVED A PHONE CALL FROM MR. GRAVES REGARDING MONAHAN WHO IS HIS PROBATIONER. MR. GRAVES INFORMED THIS DETECTIVE THAT HE HAD RECEIVED A PHONE CALL FROM MONAHAN REGARDING RECENT NEWSPAPER ARTICLES ABOUT HIS POSSIBLE INVOLVEMENT IN THE ADAM WALSH MURDER. MR. GRAVES WAS CONCERNED WITH THE ACCUSATION BECAUSE MONAHAN WAS HIS PROBATIONER AND WANTED TO KNOW IF THERE WAS ANY CREDENCE TO IT. MR. GRAVES ADDED THAT MONAHAN WAS NOTIFYING HIM AS REQUIRED WHEN HE IS INVOLVED IN A CRIMINAL INVESTIGATION. MR. GRAVES WAS INFORMED THAT, DUE ONLY TO THE RECENT NEWSPAPER ARTICLES, IT WOULD BE NECESSARY FOR THIS DETECTIVE TO SPEAK WITH MONAHAN AND TO ARRANGE FOR A SWORN TAPED STATEMENT TO BE OBTAINED. IT SHOULD BE NOTED THAT MONAHAN WAS NOT CONSIDERED A SUSPECT BY THE ORIGINAL INVESTIGATORS AND NO EVIDENCE OR MOTIVE WAS REVEALED IN THE INVESTIGATION TO CONSIDER HIM ONE. IT IS BELIEVED THAT MONAHAN'S NAME SURFACED IN THE MEDIA AS A RESULT OF AN INQUIRY BY AN ALABAMA NEWSPAPER REPORTER INTO OPENING THE CASE FILE. THIS DETECTIVE, ALONG WITH DET. SGT. DUNBAR, HAD EARLIER CONDUCTED AN INTERVIEW WITH THIS REPORTER, JAY GREEN, WHEREIN HE DISCLOSED THE ALLEGATION THAT MONAHAN COMMITTED THE MURDER OF ADAM WALSH AS A FAVOR FOR JAMES CAMPBELL, AN ACQUAINTANCE OF THE WALSH FAMILY. MR. GREEN WAS PROVIDED NO FEEDBACK BY EITHER DETECTIVE AND THE INTERVIEW WAS TERMINATED. THIS ALLEGATION WAS NOT GIVEN MUCH CREDENCE, AS THE WEAPON USED BY MONAHAN IN AN UNRELATED CASE AFTER THIS HOMICIDE, HAD BEEN EXAMINED WITH NEGATIVE RESULTS OF MAKING A CONNECTION WITH THIS HOMICIDE. IT SHOULD BE NOTED THAT THE FACT MONAHAN POSSESSED SUCH A WEAPON WAS NOT SUSPICIOUS IN NATURE, DUE TO HIS PROFESSION AT THE TIME. FURTHERMORE, THE MOTIVATION PROVIDED BY MR. GREEN THAT MONAHAN COMMITTED THE MURDER AS A FAVOR FOR CAMPBELL, WAS FARFETCHED IN NATURE AND THE UNRELATED CRIME HE REFERRED TO WAS A PAN LEAF FROM COMMITTING THIS HOMICIDE. REGARDLESS, THE DETECTIVE FELT IT TO BE WORTHWHILE TO CONDUCT AN INTERVIEW WITH MONAHAN BEFORE THE TUNGUR CREATED BY THE NEWSPAPER ARTICLES ON 1-2-75. MONAHAN PHONED THIS DETECTIVE AND STATED THAT HE WAS WILLING TO PROVIDE THIS DETECTIVE WITH A SWORN TAPED STATEMENT AND A POLYGRAPH IF REQUESTED ON 2-11-75.

THE INTERVIEW WAS CONDUCTED AT THE STATE OFFICE AS SCHEDULED WHEREIN MONAHAN WAS ASKED TO RECALL HIS ACTIONS AND AFTER THE DATES IN QUESTION. TO MONAHAN'S RECOLLECTION, HE WAS DRIVING WITH HIS GIRLFRIEND AT THE TIME, CHRIS FEHLHAGER, NEAR HER FATHER'S HOME IN E.T. LAUDERDALE WHEN HEARING OF THE ABDUCTION ON THE CAR RADIO SOMETIME IN THE LATE AFTERNOON. MONAHAN RECALLS RESPONDING TO THE WALSH RESIDENCE WITH MISS FEHLHAGER TO ASSIST, AND RECALLS AT SOME POINT PASSING OUT FEELING AS WELL AS SEARCHING THE NEIGHBORHOOD LOOKING FOR THE CHILD WITH HER. MONAHAN STATED THAT HE WAS CLOSE TO ADAM AND THE WALSH FAMILY AND ASSOCIATED WITH THEM AT HIS FATHER'S RESIDENCE AS WELL AS THE BEACH. MONAHAN REFERRED TO JAMES CAMPBELL AS CLOSER TO ADAM AND THE WALSHS THAN HE AND DAILY SAT HIM FREQUENTLY. REGARDING HIS ASSOCIATION WITH CAMPBELL, MONAHAN STATED THAT HE AND CAMPBELL WERE FRIENDS, BUT CAMPBELL WAS DEER AND ASSOCIATED MORE WITH HIS OLDER BROTHER. MONAHAN DID STATE THAT HE STAYED AT CAMPBELL'S APARTMENT IN DAVIE FOR TWO NIGHTS, BUT DID NOT EVER CONSIDER THEMSELVES ROOMMATES. THE INTERVIEW WITH MONAHAN WAS TERMINATED USING THE FORMAT FOR A POSSIBLE VOICE STRESS ANALYSIS ALTHOUGH THERE WAS NOTHING TO INDICATE DECEPTION IN MONAHAN BASED ON THIS DETECTIVE'S OBSERVATIONS AND THE CONTENT OF HIS STATEMENT. A DETERMINATION WILL BE MADE AT A LATER DATE WHETHER TO SUBMIT THE STATEMENT FOR AN ANALYSIS AFTER THIS DETECTIVE ATTEMPTS TO OBTAIN CORROBORATION IN MONAHAN'S STATEMENT. THIS WILL INCLUDE BUT NOT BE LIMITED TO A STATEMENT

FROM CHRIS FEHLHABER.

ON 6-22-95 THIS DETECTIVE MADE CONTACT WITH MISS FEHLHABER'S MOTHER MARJORIE SHAW AT THE RESIDENCE OF ANOTHER DAUGHTER IN FT. LAUDERDALE. MRS. SHAW STATED THAT HER DAUGHTER CHRISTIANA IS CURRENTLY MARRIED AND LIVING IN ST. LUCIE COUNTY. MRS. SHAW WAS INFORMED OF THE PURPOSE OF THIS CONTACT AND STATED THAT SHE WAS FAMILIAR WITH HER DAUGHTER'S AND MONAHAN'S ASSOCIATION DURING THE TIME OF THE ABDUCTION AND SUBSEQUENT DISCOVERY OF THE PARTIAL REMAINS OF THE VICTIM. MRS. SHAW STATED THAT MONAHAN AND HER DAUGHTER WERE IN FACT DATING DURING THAT TIME AND RECALLED THAT SHE WAS HOME WHEN HER DAUGHTER ACCOMPANIED MONAHAN WHEN THEY WENT TO LOOK FOR THE VICTIM AND PASS OUT FLIERS SHORTLY AFTER THE ABDUCTION. MRS. SHAW ALSO RECALLS BEING AT HOME WHEN IT WAS ANNOUNCED THAT ADAM WALSH'S PARTIAL REMAINS WERE IDENTIFIED, AND THAT MONAHAN AND HER DAUGHTER WERE AT THE BEACH AT THE TIME. WHEN THE TWO RETURNED HOME, MRS. SHAW STATED THAT SHE INFORMED THEM OF THE DISCOVERY AND ALL THREE BECAME EXTREMELY EMOTIONAL. MRS. SHAW ADDED THAT MONAHAN'S REACTION APPEARED SINCERE. AFTER THIS INTERVIEW, THIS DETECTIVE MADE ARRANGEMENTS TO INTERVIEW CHRISTIANA AT HER RESIDENCE ON 6-23-95.

ON THIS DATE, THIS DETECTIVE ARRIVED AT CHRISTIANA'S RESIDENCE AT APPROXIMATELY 10:45A.M. AND RECEIVED A SWORN TAPE STATEMENT FROM HER. CHRISTIANA STATED THAT SHE AND MONAHAN BEGAN DATING IN 1978 WHILE ATTENDING ST. THOMAS AQUINAS HIGH SCHOOL THROUGH 1981. EVEN AFTER SHE LEFT FOR COLLEGE IN THE FALL OF 1981, CHRISTIANA STATED THAT SHE WOULD RETURN HOME DURING THE SUMMERS AND THE TWO WERE STILL CONSIDERED BY FRIENDS/GIRLFRIEND. IN THE SUMMER OF 1991, CHRISTIANA BEGAN HEARING OF THE ABDUCTION OF ADAM WALSH THROUGH MONAHAN NITEL. THE SAME DAY OF THE DAY AFTER WHEN MONAHAN CAME TO HER FATHER'S HOME IN FT. LAUDERDALE, SHE STATED THAT MONAHAN'S RECOLLECTION WAS THAT THE TWO OF THEM WERE DRIVING IN HER GREEN CAMARO AND HEARD OF THE ABDUCTION OVER THE CAR RADIO. CHRISTIANA STATED THAT IT IS POSSIBLE BUT NOT CERTAIN DUE TO THE NUMBER OF STATIONS SHE LISTENED TO. CHRISTIANA RECALLS GOING TO THE WALSH HOME, DRIVERS AROUND A HOLLYWOOD NEIGHBOURHOOD LOOKING FOR ADAM, AND RESPONDING TO THE POLICE WHEN HE WAS LEFT. IN ORDER TO PASS OUT FLIERS, ALL IN THE COMPANY OF MONAHAN. CHRISTIANA ALSO RECALLED THAT FROM THE POINT OF THE ABDUCTION TO THE TIME THE PARTIAL REMAINS WERE DISCOVERED, SHE AND MONAHAN WERE IN CONTACT EITHER IN PERSON OR BY PHONE. CHRISTIANA REMEMBERS MONAHAN'S ASSOCIATION WITH JAMES CAMPBELL AND CONSIDERED THEM FRIENDS BUT NOT CLOSE FRIENDS. SHE ALSO STATED THAT SHE ACCOMPANIED MONAHAN TO THE DIPLOMAT HOTEL WHERE CAMPBELL WORKED AND SAW HIM THERE WITH ADAM ON NUMEROUS OCCASIONS. CHRISTIANA ADDED THAT SHE DOES NOT BELIEVE THAT MONAHAN IS INVOLVED IN THE ABDUCTION/MURDER OF ADAM WALSH, BASING HER OPINION ON HER OBSERVATIONS OF HIS RELATIONSHIP WITH ADAM, AS WELL AS HER RELATIONSHIP WITH MONAHAN.

ON 7-3-95, THIS DETECTIVE OBTAINED A SWORN TAPE STATEMENT FROM PETER GENOVESE. GENOVESE WAS MENTIONED IN THIS BUREAU'S INITIAL SUPPLEMENT REPORT REGARDING CONVERSATION WITH THIS DETECTIVE ABOUT THIS INVESTIGATION, AS WELL AS ANOTHER HOMICIDE INVESTIGATION OCCURRING IN 1981. GENOVESE HAD EARLIER STATED TO THIS DETECTIVE THAT HE HAD TOLD AMERICA'S MOST WANTED IN MARCH OF 1995 ABOUT POSSIBLE KNOWLEDGE HE MAY HAVE REGARDING THE ADAM WALSH MURDER. GENOVESE RECALLED AN INDIVIDUAL WHO WAS EMPLOYED AT THE HESS GAS STATION LOCATED EAST OF 341 ON GRIFFIN RD. IN 1989 WHO HE FELT MAY HAVE BEEN INVOLVED IN THE ABDUCTION/MURDER. GENOVESE STATED THAT HE WAS 15 YEARS OLD AT THE TIME HE HEARD ABOUT THE ADAM WALSH ABDUCTION/MURDER, RECALLING THAT A POSSIBLE SUSPECT VEHICLE WAS A BLUE VAN. GENOVESE STATED THAT THE INDIVIDUAL HE WAS REFERRING TO DID IN FACT OWN AND OPERATE A LIGHT BLUE VAN

000410

AT THE TIME A YOUNG W/F WAS FOUND MURDERED ON A HOLLYWOOD GOLF COURSE SHORTLY BEFORE THE ADAM WALSH MURDER. GENOVESE ADDED THAT THE MURDERED W/F WAS APPROXIMATELY 12 YEARS OF AGE AND WAS POSSIBLY DATING THE W/M OPERATOR OF THE BLUE VAN.

THIS DETECTIVE RESEARCHED WHAT GENOVESE REFERRED TO REGARDING THE MURDER OF THE YOUNG W/F AND DISCOVERED IT TO BE THAT OF STACY WYTRVA (SO-42402) WHO HAD BEEN FOUND MURDERED ON 6-17-80 AT THE HILLCREST COUNTRY CLUB. WYTRVA HAD BEEN STANGLED AND THE INVESTIGATION CENTERED ON A RELATIONSHIP SHE HAD HAD WITH 30 YEAR OLD W/M ALZEMORE WILLIAM THIBAUT WHO WORKED AT THE PREVIOUSLY MENTIONED HESS GAS STATION. ACCORDING TO THAT INVESTIGATION, THIBAUT WAS THE PRIME AND ONLY FEASIBLE SUSPECT IN THAT CASE. THIBAUT RETAINED AN ATTORNEY DURING THE INVESTIGATION AND WAS NOT FURTHER IMPLICATED AT THAT TIME.

GENOVESE STATED THAT HE RECALLED THIS INDIVIDUAL'S BIZARRE BEHAVIOR AT THE GAS STATION FOLLOWING THE MURDER WHEN HE OBSERVED HIM TALKING ABOUT THE VICTIM, REFERRING TO HER AS HIS GIRLFRIEND. GENOVESE STATED THAT HE AND HIS FRIENDS WOULD PLAY IN THE WOODS ADJACENT TO THE GAS STATION VIRTUALLY EVERYDAY, AND WOULD OBSERVE THIBAUT AND HIS VAN AT THE GAS STATION. GENOVESE STATED THAT THIBAUT WOULD NORMALLY GET IN HIS VAN WHICH HE STATED WAS EQUIPPED WITH A BED AND A STOVE. GENOVESE STATED THAT HE RECALLED SEEING A MACHETE WITH A BLACK HANDLE WHICH HE HAD A SHIRT WRAPPED AROUND. GENOVESE REMEMBERS THAT THIBAUT HAD A LARGE AMOUNT OF NEWSPAPERS STREWN ABOUT THE INSIDE OF HIS VAN AND COMMENTED ABOUT THE MURDER OF HIS GIRLFRIEND ON THE GOLF COURSE. GENOVESE RECALLED LATER THAT HE OBSERVED A NEWSCAST ABOUT THE MURDER WHERE IT WAS REPORTED THAT THE VICTIM RECEIVED ANT BITES AND/OR FINGERNAIL MARKS ON HER CHEEK. UPON REVIEW OF THE FILE, THIS STATEMENT BY GENOVESE WAS IN FACT ACCURATE. GENOVESE REMEMBERS GOING TO THE GAS STATION THE FOLLOWING DAY, AND OBSERVED THIBAUT CLIPPING HIS UNUSUALLY LONG FINGERNAILS. GENOVESE RECALLED HIS FATHER ATTEMPTING TO, OR ACTUALLY CONTACTING A D.S.O. DEPUTY FRIEND OF HIS REGARDING HIS OBSERVATIONS. ATTEMPTS WILL BE MADE TO CORROBORATE THIS THROUGH HIS FATHER AND/OR FURTHER REVIEW OF THE FILE. A COMPUTER QUERY WAS CONDUCTED ON THIBAUT REVEALING A CRIMINAL HISTORY FOR BURGLARY AND NARCOTICS OFFENSES BOTH IN FT. LAUDERDALE AND FT. PIERCE. A DRIVER'S LICENSE QUERY REVEALED THAT THIBAUT IS CURRENTLY RESIDING IN FT. PIERCE. THIS DETECTIVE WILL CONTINUE TO INVESTIGATE THIS CASE REGARDING A POSSIBLE CONNECTION WITH THE ADAM WALSH CASE. THIS WILL INCLUDE DETERMINING IF THERE WAS A CONNECTION BETWEEN THIBAUT AND THE FT. PIERCE AREA IN 1980 OR 1981 THAT THERE IS IN 1985.

THIS INVESTIGATION WILL CONTINUE WITH A FOLLOW-UP INVESTIGATION REGARDING AN INTERVIEW WITH A THIBAULT ASSOCIATE AND ROOMMATE AT THE TIME OF THE WYTRVA MURDER. ATTEMPTS WILL BE MADE TO DETERMINE IF THE INFORMATION PROVIDED BY GENOVESE AND THE INVESTIGATION OF THE WYTRVA MURDER IS CONNECTED IN ANYWAY WITH INFORMATION THIS DETECTIVE RECEIVED FROM DET. HARROP OF THE COOPER CITY POLICE DEPT. REGARDING THE SAME TWO HOMICIDES. THE RESULTS WILL BE COVERED IN A FOLLOW UP SUPPLEMENT REPORT.

THE FOLLOWING IS THE THIRD SUPPLEMENT REPORT OF THIS CASE SUBMITTED BY DET. MARK SMITH.

DURING THE RE-INVESTIGATION OF THIS CASE, THIS DETECTIVE RECEIVED A PHONE CALL FROM A JUDY CHANDLER. MS. CHANDLER STATED THAT HER SON, GRANT HUCKER 7-30-58, INFORMED HER UPON VIEWING THE NEWSCAST OF THE MISSING PERSON REPORT OF ADAM WALSH ON 7-27-91, THAT HE BELIEVED HE HAD SEEN THE CHILD IN THE COMPANY OF AN OLDER W/M IN A NEWER MODEL SILVER CADILLAC. MS. CHANDLER ADDED THAT SHE CALLED THE HOLLYWOOD POLICE DEPT. DIRECTLY AFTER THE 6 P.M. NEWSCAST TO INFORM THE INVESTIGATORS OF HER SON'S OBSERVATION. NOT KNOWING THE OUTCOME OF THIS CONTACT, THIS DETECTIVE MADE ARRANGEMENTS TO MEET WITH MR. HUCKER AT HIS RESIDENCE IN BOCA RATON THE FOLLOWING DATE.

MR. HUCKER STATED THAT HE BELIEVED HE OBSERVED ADAM WALSH IN THE FRONT SEAT OF THE PREVIOUSLY MENTIONED VEHICLE WITH THE 50-60 YEAR OLD DRIVER, WHO HE OBSERVED TO HAVE HIS RIGHT ARM OVER THE CHILD'S SHOULDERS AND RIGHT HAND BETWEEN HIS LEGS, WHILE THEY WERE STOPPED AT A TRAFFIC LIGHT ON FEDERAL HWY. NEAR THE POMPANO FASHION SQUARE SOMETIME BETWEEN 12 NOON AND 3 P.M.. MR. HUCKER STATED THAT THIS OBSERVATION WAS THE SAME DATE OF THE REPORTED MISSING PERSON. MR. HUCKER STATED THAT AS HE OBSERVED THIS, THE CHILD MADE EYE CONTACT WITH HIM AND RECOGNIZED IT TO BE THE SAME CHILD OBSERVED IN THE PICTURE SHOWN IN THE NEWSCAST. DUE TO THE DIFFICULTY OF THE FOLLOW-UP OF THIS TYPE OF LEAD APPROXIMATELY 14 YEARS AFTER THE FACT, THIS INFORMATION WILL REMAIN UNDER CONSIDERATION IF AND WHEN IT MAY RELATE TO ANY PERSONS OF INTEREST IN THIS RE-INVESTIGATION.

DURING THE REVIEW OF THE ORIGINAL CASE FILE, THIS DETECTIVE DETERMINED SEVERAL OF THE NUMEROUS LEADS TO BE OF INTEREST, BUT ARE NOT LIMITED TO THE FOLLOWING HOWEVER. ON 8-5-81 AN INDIVIDUAL BY THE NAME OF TERRY WILBER CONTACTED THE HOLLYWOOD POLICE DEPT. REGARDING THIS CASE. MR. WILBER REPORTED THAT HE BELIEVED THAT HE HAD SEEN ADAM WALSH ON FOOT NEAR A GAS STATION IN FT. PIERCE, IN THE NORTHBOUND DIRECTION OF THE FLORIDA TURNPIKE. WHAT SHOULD BE NOTED IS THAT THIS INFORMATION IS RECEIVED APPROXIMATELY 5 DAYS BEFORE THIS AGENCY IS MADE AWARE THAT THE VICTIM'S PARTIAL REMAINS ARE RECOVERED NOT FAR FROM THIS AREA. THIS DETECTIVE MADE PHONE CONTACT WITH MR. WILBER WHO RECALLED HIS OBSERVATIONS. MR. WILBER, TO HIS CURRENT RECOLLECTION, STATED THAT HE OBSERVED A W/M JUVENILE, WHO HE BELIEVED TO BE ADAM WALSH, AT A REST AREA ALONG WITH A W/M WHO HE BELIEVED TO BE OLDER THAN WHAT THE CHILD'S FATHER WOULD BE. MR. WILBER STATED THAT THE OLDER W/M WAS ENCOURAGING THE CHILD TO ENTER A BROWN VAN PARKED AT THE REST AREA, BUT THE CHILD DID NOT WANT TO GET IN. WHEN HE LATER OBSERVED THE PICTURE OF ADAM WALSH ON TELEVISION, HE BELIEVED THIS CHILD TO BE HIM. FOR THE SAME REASON MENTIONED IN THE GRANT HUCKER TIP, THIS INFORMATION WILL BE KEPT UNDER CONSIDERATION.

TWO OTHER PERSONS OF INTEREST FOR INTERVIEW ARE IDENTIFIED AS HEIDI AND ARLENE MAYER. THE MAYERS WERE LISTED IN THE INVESTIGATION IN 1983 AS WITNESSES TO AN INCIDENT AT THE HOLLYWOOD K-MART STORE AFTER OBSERVING A PICTURE OF OTTIS TOOLE IN A LOCAL NEWSPAPER. THE MAYERS STATED THAT THEY BELIEVE THEY OBSERVED TOOLE AT THE K-MART LOCATED AT 651 S. 60 AVE., WHICH

000415

MILES OF THE SEARS STORE, ONE OR TWO DAYS BEFORE THE REPORT OF ADAM WALSH. AT THE CURRENT TIME, THE WHEREABOUTS OF THESE TWO IS UNKNOWN, AND ATTEMPTS TO LOCATE THEM WILL CONTINUE. THIS RE-INVESTIGATION THIS DETECTIVE HAS RECEIVED SEVERAL LEADS FROM OTHER LAW ENFORCEMENT AGENCIES. THE MISSING CHILDREN CLEARINGHOUSE OF THE F.D.L.E. INFORMED THIS DETECTIVE OF AN CALLER WHO STATED HAD INFORMATION REGARDING THIS CASE. THE ED THAT AN INDIVIDUAL HE KNEW CONFESSED TO KILLING ADAM WALSH TO HIM THAT THE REST OF THE REMAINS WERE PLACED INTO AN OIL DRUM ALONG S.R.70. S.R.70 WAS DISCOVERED TO BE ACCESSED VIA 441 AT IT NORTH ON THE FLORIDA TURNPIKE FROM WHERE THE REMAINS OF THE HIS CASE WERE DISCOVERED. ALTHOUGH THE CALLER WAS ANONYMOUS, HE OUGH INFORMATION ABOUT HIMSELF AND THIS SUBJECT, WHOM HE STATED IGHBOOK, TO BE LOCATED AND INTERVIEWED. THIS INTERVIEW WILL BE N THE NEAR FUTURE.

75. THIS DETECTIVE RECEIVED A CALL FROM A CAPT. STEVE BALAG OF ONZO POLICE DEPT. REGARDING A MURDER SUSPECT FROM THEIR IN 1972. CAPT. BALAG STATED THAT W/M KENNETH ADRIAN LECLAIR THE PRIME SUSPECT IN THE MURDER OF A 10 YEAR OLD BOY IN 1972. LECLAIR HAD BEEN IDENTIFIED AS A SUBJECT WHO HAD LURED INTO HIS VEHICLE AND WAS SUBSEQUENTLY CHARGED IN AN UNRELATED

ALTHOUGH LECLAIR HAD FAILED A POLYGRAPH EXAMINATION REGARDING E, HE WAS SUBSEQUENTLY RELEASED FROM CUSTODY AND TRACKED TO THE RIDA. THIS DETECTIVE PERFORMED A BACKGROUND CHECK OF LECLAIR ED HIS FIRST ARREST IN FLORIDA TO BE IN 1982 FOR POSSESSION OF D MARIJUANA IN INDIAN RIVER COUNTY, THE COUNTY WHERE THE THE VICTIM IN THIS CASE WERE RECOVERED IN 1981. LECLAIR HAS ARRESTED FOR ARMED ROBBERY IN 1980 AND AUTO THEFT IN 1985 AND, HIS CRIMINAL HISTORY, LAST RESIDED IN DAYTONA BEACH, FL. AS THIS INFORMATION WAS RECENTLY RECEIVED AND HAS NOT BEEN ON AS OF YET. THE DISPOSITION OF THIS INFORMATION WILL BE FOLLOWING SUPPLEMENT REPORT.

IONED IN A PREVIOUSLY SUBMITTED SUPPLEMENT REPORT, THIS UGHT TO TRY AND ESTABLISH A CONNECTION BETWEEN THIS HOMICIDE IDE OF STACY WYTRVA. AFTER REVIEWING THE WYTRVA FILE, THIS IDENTIFIED SEVERAL PERSONS OF INTEREST TO CONTACT REGARDING THEIR THE CASE. BESIDES THE SUSPECT WILLIAM THIBAUT, THESE INCLUDE W/M DARRYL BERENSON, W/M CURTIS GIBSON, W/M GEORGE BARRY MURDOCK, W/M RONALD MAYNARD, W/M PAUL MARCHAND, AND W/M KER.

TECTIVE MADE PHONE CONTACT WITH DARRYL BERENSON AT HIS TAMPA. MR. BERENSON RECALLED THE CRIME AND THE SUSPECT N THE ORIGINAL INVESTIGATION. BERENSON WAS LISTED AS AN HO ACCOMPANIED THIBAUT AND CURTIS GIBSON TO THE HILLCREST GOLF PRIOR TO THIBAUT'S ARRIVAL AT HEADQUARTERS WHERE HE (THIBAUT) ESTIONED BY DETECTIVES. ACCORDING TO THIBAUT AT THE TIME, THE RIVING TO THE GOLF COURSE WAS TO QUESTION A SECURITY GUARD OR THEY SAW ANYTHING SUSPICIOUS SO HE COULD HELP IN THE N. THE TRIO EVENTUALLY ARRIVED AT HEADQUARTERS FOR THIBAUT TO D, PRIOR TO THIBAUT RETAINING AN ATTORNEY AFTER SHOWING HIS POLYGRAPH EXAMINATION.

AS INTERVIEWED BY THIS DETECTIVE ABOUT HIS RECOLLECTION OF Y, AS WELL AS ANY THOUGHTS HE MAY HAVE HAD ABOUT A SUSPECT. NOT RECALL THE ACTIVITY AT THE GOLF COURSE WITH THIBAUT OR

EVEN RESPONDING TO HEADQUARTERS WITH HIM. BERENSON DID STATE THAT HE AND THIBAUT WERE NEIGHBORS FOR APPROXIMATELY 2 MONTHS BUT WERE NOT CLOSE FRIENDS. HE FURTHER ADDED THAT THIBAUT WAS STRANGE AND A LONER, AND BELIEVED HIM TO BE THE MURDERER OF WYTRVA. BERENSON REFERRED TO CURTIS GIBSON AND TODD LANGNECKER AS CLOSER FRIENDS OF THIBAUT THEN HE. AS OF THIS SUPPLEMENT REPORT, THIS DETECTIVE HAS BEEN UNABLE TO MAKE CONTACT WITH GIBSON OR LANGNECKER, WHO IS BELIEVED TO BE CURRENTLY RESIDING IN THE CENTRAL FLORIDA AREA.

ACCORDING TO THE ORIGINAL INVESTIGATION, BARRY MURDOCK WAS LISTED AS THE OWNER OF THE HESS GAS STATION WHERE THIBAUT WAS EMPLOYED AT THE TIME. MR. MURDOCK IS ALSO THE INDIVIDUAL THAT PETER GENOVESE, MENTIONED IN A PREVIOUSLY SUBMITTED SUPPLEMENT REPORT, CONVERSED WITH WITHIN THE PASSED YEAR ABOUT THIBAUT. MR. MURDOCK WAS INTERVIEWED AT THAT TIME AND STATED THAT HE HAD KNOWN THIBAUT FOR APPROXIMATELY 19 YEARS AND THAT THIBAUT WAS STAYING AT HIS HOME FOR 3 MONTHS. ACCORDING TO MR. GENOVESE, WHEN HE SPOKE WITH MR. MURDOCK WITHIN THE PASSED YEAR, MURDOCK TOLD HIM THAT HE ALWAYS BELIEVED THAT THIBAUT WAS INVOLVED IN THE MURDER OF WYTRVA. FOR THIS REASON, AS WELL AS THE LENGTH OF TIME HE HAD KNOWN THIBAUT, MR. MURDOCK WAS OF INTEREST FOR INTERVIEW BY THIS DETECTIVE.

A BACKGROUND INVESTIGATION OF MURDOCK INDICATED THAT HE WAS A RESPECTABLE BUSINESS OWNER AND FAMILY MAN, AND THE CONTACT AND THE INTERVIEW WITH HIM WOULD BE DONE DISCRETELY. THIS DETECTIVE HAS ATTEMPTED ON NUMEROUS OCCASIONS TO ARRANGE FOR MR. GENOVESE TO HAVE A COVERTLY MONITORED CONVERSATION WITH MR. MURDOCK. HOWEVER, DUE TO SCHEDULING PROBLEMS ON THE PART OF GENOVESE, AS WELL AS THIS DETECTIVE, THIS HAS NOT BEEN DONE AS OF THE TIME OF THIS SUPPLEMENT REPORT. IT IS BELIEVED THAT THIS WILL STILL BE ACCOMPLISHED AND IS PREFERRED PRIOR TO ACTUAL CONTACT WITH MR. MURDOCK BY THIS DETECTIVE. THE OTHER INDIVIDUALS LISTED APPEARED PERIPHERAL AT THAT TIME, BUT DID INDICATE THEY MAY POSSESS, OR ARE ABLE TO OBTAIN, SOME USEFUL INFORMATION. AS OF THIS SUPPLEMENT REPORT, THESE INDIVIDUALS HAVE BEEN DIFFICULT TO LOCATE AND THIS DETECTIVE WILL CONTINUE TO ATTEMPT TO DO SO.

AS NOTED IN A PREVIOUSLY SUBMITTED SUPPLEMENT REPORT BY THIS DETECTIVE, INFORMATION ABOUT THIS CASE WAS RECEIVED FROM A DET. HARROP OF THE COOPER CITY POLICE DEPT. DET. HARROP INFORMED THIS DETECTIVE THAT INFORMATION OF THE ADAM WALSH MURDER WAS UNCOVERED IN THEIR INVESTIGATION OF AN ATTEMPTED MURDER AND SUICIDE CASE. DET. HARROP STATED THAT W/F JEANETTE GARRETT ATTEMPTED TO MURDER HER 10 YEAR OLD DAUGHTER AND THEN COMMITTED SUICIDE. DURING THEIR INVESTIGATION, A CASSETTE TAPE INTERVIEW WAS DISCOVERED BETWEEN JEANETTE GARRETT AND A REPORTED PSYCHIC, WHEREIN SHE DISCUSSED THE ADAM WALSH MURDER. THIS DETECTIVE REVIEWED THIS TAPE RECORDING WHEREIN MRS. GARRETT STATES THAT HER EX-HUSBAND DONALD GARRETT KILLED ADAM WALSH, AS WELL AS A YOUNG GIRL NAMED STACY. THE STACY WYTRVA INVESTIGATION REVEALED THE PRIME SUSPECT IN THAT CASE TO BE WILLIAM THIBAUT WHO AT THE TIME WAS STAYING WITH BARRY MURDOCK WHO LIVED IN COOPER CITY. THE SIGNIFICANCE OF THIS INFORMATION IS UNDETERMINED AT THIS TIME BUT WORTHY OF FOLLOW-UP INVESTIGATION. AS STATED PREVIOUSLY REGARDING THIBAUT, ALL ATTEMPTS WILL BE MADE TO CONTACT PERIPHERAL WITNESSES PRIOR TO CONTACTING DONALD GARRETT, AND THE BACKGROUND INVESTIGATION OF HIM REVEALED NOTHING OF SIGNIFICANCE AT THIS TIME.

DET. HARROP PROVIDED THIS DETECTIVE THE NAMES OF TWO PSYCHICS, ONE OF WHICH WAS BELIEVED TO HAVE CONDUCTED THE PREVIOUSLY MENTIONED TAPE RECORDED INTERVIEW. THIS DETECTIVE MADE CONTACT WITH ONE ROSE QUARATO WHO DID NOT RECALL SUCH INTERVIEW OR RECALL THE NAME JEANETTE GARRETT. BARBARA SNEIDER

STATED THAT SHE DID NOT RECALL THE INTERVIEW BUT DID LOCATE THE NAME IN HER RECORDS AS A PASSED CLIENT. THE DEATH OF JEANETTE GARRETT HAMPERS THIS FOLLOW-UP; HOWEVER ATTEMPTS WILL BE MADE TO CONTACT FRIENDS AND/OR NEIGHBORS WHO SHE MAY HAVE REVEALED THIS INFORMATION TO AND MAY BE ABLE TO PROVIDE SOME INSIGHT.

ON 9-20-95 THIS DETECTIVE MET WITH CHEMIST GLEN ABATE AND SEROLOGIST JAMES POLLACK AT THE F.D.L.E. JACKSONVILLE REGIONAL LABORATORY FOR A PRE-ARRANGED REVIEW OF THEIR FILES REGARDING THIS CASE. THE PURPOSE OF THIS REVIEW WAS TO DETERMINE FIRSTHAND IF THE BLOODSTAINED CARPET EVIDENCE COLLECTED AND TESTED BY THAT AGENCY IN 1983, WAS IN FACT UNOBTAINABLE AT THIS TIME. ACCORDING TO THE F.D.L.E. CASE FILE, THE BLOODSTAINED CARPET SAMPLES (F.D.L.E. ITEM NUMBERS 7-14) WERE RECEIVED BY SEROLOGIST POLLACK FOR EXAMINATION ON 11-7-83. THE FILE REVEALED THAT THESE CUTTINGS HAD POSITIVE RESULTS ON PRESUMPTIVE BLOOD TESTS AND HAD INCONCLUSIVE RESULTS AS TO BEING HUMAN BLOOD. THE RECORDS REFLECT THAT AFTER TESTING, THESE ITEMS WERE SIGNED INTO THE CUSTODY OF DEBRA MEEKS OF THE F.D.L.E. ON 2-14-84. ON 5-24-84, DEBRA MEEKS SIGNED OVER ITEMS 7-14, ALONG WITH THE 1971 BLACK/WHITE CADILLAC INTO THE CUSTODY OF AN INDIVIDUAL FROM THE JACKSONVILLE POLICE DEPT. WITH THE INITIALS BEGINNING IN "J". IT IS BELIEVED THAT THIS INDIVIDUAL IS EITHER DET. J.W. TERRY OR DET. JAMES GEISENBERG OF THE JACKSONVILLE P.D., AS COVERED IN A PREVIOUSLY SUBMITTED SUPPLEMENT REPORT BY THIS DETECTIVE. DET. TERRY HAD NO INDEPENDENT RECOLLECTION OF TAKING CUSTODY OF THESE ITEMS AND THERE IS NO DOCUMENTATION TO DATE TO CONFIRM THIS ON THE PART OF THE JACKSONVILLE P.D. OR THE HOLLYWOOD POLICE DEPT.. EFFORTS WILL BE MADE BY THIS DETECTIVE TO INTERVIEW RETIRED DET. GEISENBERG ABOUT HIS RECOLLECTION OF THESE EVENTS.

POSITIVE PRESUMPTIVE BLOOD TESTS WERE ALSO CONDUCTED ON A MACHETE AND GREEN CANVAS SHEATH RECOVERED THE SAME TIME AS THE PREVIOUSLY MENTIONED VEHICLE. THE FILE INDICATED THAT DET. JACK HOFFMAN OF THE HOLLYWOOD POLICE DEPT. SIGNED FOR THE MACHETE AND SHEATH ON 11-18-83 AND ARE PRESENTLY IN THE CUSTODY OF THE HOLLYWOOD POLICE DEPT.. THESE TWO ITEMS ARE TWO OF THE ITEMS SUBMITTED BY THIS DETECTIVE TO THE GENETIC DESIGN LABORATORY IN GREENSBORO, N.C. AND REFERRED TO IN A PREVIOUSLY SUBMITTED SUPPLEMENT REPORT.

THE F.D.L.E. FILE INDICATED THAT ITEMS 1-6 (HAIRS, FIBERS, CARPET STANDARD, AND DEBRIS FROM THE MACHETE AND SHEATH) ALONG WITH ITEMS 10A AND 10B (MACHETE AND SHEATH) WERE SENT TO THE TALLAHASSEE REGIONAL LABORATORY OF THE F.D.L.E. MICROANALYSIS UNIT FOR EXAMINATION BETWEEN 11-4-83 AND 11-23-83. THIS ANALYSIS YIELDED NEGATIVE RESULTS OF A COMPARISON WITH STANDARD HAIR SAMPLES FROM THE VICTIM IN THIS CASE AND WERE LATER SENT TO THE HOLLYWOOD POLICE DEPT. ON 2-7-84 WHERE THEY ARE CURRENTLY IN THE CUSTODY OF.

ON 9-21-95 THIS DETECTIVE RESPONDED TO THE TALLAHASSEE REGIONAL LABORATORY FOR A PRE-ARRANGED REVIEW OF THEIR FILE REGARDING THIS CASE. THEIR FILE CONFIRMED THE ABOVE INFORMATION OF EVIDENCE TRACKING AND REVEALED TESTING OF EVIDENCE RECEIVED IN THE EDWARD JAMES INVESTIGATION REGARDING THIS HOMICIDE. THE EVIDENCE TESTED IN THAT INVESTIGATION YIELDED NEGATIVE RESULTS FOR A COMPARISON WITH HAIR STANDARDS OF THE VICTIM IN THIS CASE AND WERE LATER SENT TO THE SUBMITTING AGENCY (B.S.O.) ON 3-22-82. THIS EVIDENCE IS BELIEVED TO BE CURRENTLY IN THE CUSTODY OF THE HOLLYWOOD POLICE DEPT.

ON 9-21-93 AT 8:15 P.M., THIS DETECTIVE MET WITH KATHRYN SHAFFER IN THE CITY OF LAKE LAND, FL.. MS. SHAFFER WAS PREVIOUSLY IDENTIFIED IN THE INITIAL INVESTIGATION AS AN EMPLOYEE OF THE SEARS DEPT. STORE IN HOLLYWOOD IN JULY 1981. MS. SHAFFER WAS EMPLOYED AS A SECURITY GUARD AT THAT TIME AND WAS SO EMPLOYED IN A NON-UNIFORM CAPACITY ON JULY 27, 1981, THE DATE OF THE ABDUCTION OF ADAM WALSH. MS. SHAFFER WAS INITIALLY HESITANT ON DISCUSSING THE MATTER WITH THIS DETECTIVE, REMINDING THAT SOME PEOPLE ATTEMPTED TO PLACE BLAME ON HER FOR HER ACTIONS WHICH MAY HAVE LED TO THE DEMISE OF THE VICTIM. DURING THE INTERVIEW, MS. SHAFFER DID REASONABLY RECALL THE EVENTS OCCURRING ON SAID DATE AFTER SHE STARTED WORK AT 12 NOON. MS. SHAFFER RECALLS DISCOVERING A DISTURBANCE AT THE VIDEO GAMES NEAR THE CATALOG DEPT. SHORTLY AFTER SHE PUNCHED IN AT 12 NOON, WITH THE PARTICIPANTS BEING 2 B/M JUVENILES AND 2 W/M JUVENILES. MS. SHAFFER STATED THAT SHE MOTIONED FOR THE B/M JUVENILES TO EXIT THE STORE THROUGH THE CATALOG (NORTH) EXIT AFTER THEY INFORMED HER THAT THEIR PARENTS WERE NOT IN THE STORE.

MS. SHAFFER THEN RECALLS THAT SHE ASKED THE 2 W/M JUVENILES IF THEIR PARENTS WERE INSIDE THE STORE AND ONLY GETTING A NEGATIVE RESPONSE FROM THE OLDER W/M, AND NO RESPONSE FROM THE YOUNGER W/M. BELIEVING THESE 2 W/M'S TO BE ASSOCIATED WITH EACH OTHER, SHE ORDERED THEM BOTH TO EXIT THE GARDEN SHOP (WEST) EXIT WHICH THEY DID. MS. SHAFFER ESTIMATES THAT APPROXIMATELY 30 MINUTES LATER SHE RECEIVED A PAGE TO RESPOND TO THE CATALOG DEPT. TO A

000419

SSING CHILD. WHILE ENROUTE THERE, MS. SHAFFER RECALLS SEEING THE LAMP DEPT. WHERE SHE IS SHOWN A PHOTOGRAPH OF THE VICTIM. BELIEVED AFTER SEEING THIS PHOTOGRAPH THAT SHE HAD NOT SEEN THE CHILD. BASED ON THE FACIAL FEATURES OF THE CHILD IN THE PHOTOGRAPH. AFTER HEARING MORE DETAILS, MS. SHAFFER STATED TO HER BOSS AT THE STORE THAT SHE COULD NOT REMEMBER, THAT SHE INTERRUPTED A DISPUTE BETWEEN TWO EMPLOYEES AT THE APPROXIMATE TIME THAT THE VICTIM WOULD HAVE BEEN ESCORTED BY REVE WALSH. MS. SHAFFER STATED TO HER BOSS THAT SHE BELIEVES THE PARTICIPANTS OF THIS DISPUTE FROM THE STORE AND BELIEVED ONE OF THEM TO HAVE BEEN ADAM WALSH. WHEN ASKED BY THIS DETECTIVE DURING THIS INTERVIEW SHE BELIEVED AT THIS TIME IF THE YOUNGER W/M SHE ESCORTED OUT THE STORE ON THAT DATE WAS ADAM WALSH, MS. SHAFFER STATED THAT SHE WAS 85% SURE.

THE DETECTIVE IDENTIFIED SEVERAL OTHER SEARS EMPLOYEES OF INTEREST WHO WERE INTERVIEWED FOR THE FIRST TIME REGARDING THIS CASE. MRS. GANAS WAS IDENTIFIED AS THE EMPLOYEE AT THE LAMP DEPT. WHO SPOKE ABOUT THE PURCHASE OF A LAMP. MS. GANAS STATED WORK ON THE LAMP DEPT. STARTED AT 12 NOON AND OBSERVED REVE WALSH SHORTLY THEREAFTER. AFTER REVE WALSH ASKED MRS. WALSH ABOUT A PARTICULAR LAMP, SHE WAS GIVEN A NOTE TO SIGN BY REVE WALSH REGARDING IT. MS. GANAS STATED THAT MRS. WALSH WORKS ON THE LAMP DEPT. FOR APPROXIMATELY 10-15 MINUTES BEFORE MRS. GANAS STATED THAT MRS. WALSH RETURNED APPROXIMATELY 5 MINUTES BEFORE ASKING HER IF SHE HAD SEEN HER SON. EVERYTHING STATED BY MS. GANAS IS CONSISTENT WITH REVE WALSH'S VERSION OF EVENTS, INCLUDING TIME. MRS. BRAUN, WHO WORKED AT THE CATALOG DEPT., STATED THAT SHE BELIEVES REVE WALSH ENTER THE SEARS STORE VIA THE CATALOG ENTRANCE WITH A YOUNG CHILD IN HIS ARMS. MRS. BRAUN WAS NOT SURE WHETHER THE CHILD WAS ADAM WALSH. SHE ESTIMATED THE TIME TO BE AROUND 11 A.M.. JOHN B. KING, WHO ALSO WORKS ON THE CATALOG DEPT., STATED THAT HE OBSERVED REVE WALSH AND A YOUNG CHILD ENTER THROUGH THE CATALOG ENTRANCE SHORTLY AFTER HE BEGAN WORK THAT DAY. KING OBSERVED BOTH AT THE VIDEO GAMES DISPLAY AREA AT ONE TIME. KING OBSERVED SEVERAL OTHER JUVENILES THERE. KING RECALLS SEEING REVE WALSH ON THE PERCOM PAGE FOR ADAM WALSH AT APPROXIMATELY 12:30 P.M. AND BELIEVES HE IS THE CHILD IN THE PHOTOGRAPH.

THIS DETECTIVE MADE CONTACT WITH KING AT HIS RESIDENCE. MR. KING IS INTERVIEWED FOR THE ABDUCTION/HOMICIDE INVESTIGATION, AS WELL AS HIS INTERVIEW FOR THE MURDER OF REVE WALSH. KING STATED THAT HE WAS ABSOLUTELY CERTAIN THAT HE BELIEVES REVE WALSH ENTER THE SEARS STORE VIA THE CATALOG ENTRANCE WITH A YOUNG CHILD IN HIS ARMS AT THE REPORTED AGE OF ADAM WALSH. MR. KING FURTHER RECALLED OBSERVING A YOUNG CHILD COAXING MRS. WALSH INTO ALLOWING HIM TO REMAIN IN THE CATALOG DEPT. ADJACENT TO THE CATALOG DEPT.. MR. KING WAS ALSO CERTAIN THAT REVE WALSH, WHO HE LATER LEARNED TO BE REVE WALSH, LEFT THE CHILD AT THE STORE AND PROCEEDED IN THE DIRECTION CONSISTENT WITH THE LAMP DEPT.. IT IS NOTED AT THIS TIME IS THAT PERSONS WHO RECALLED SEEING REVE WALSH ENTER THE SEARS STORE SHORTLY AFTER 12 NOON, AS SHE STATED SHE BELIEVES SHE WHO BEGAN WORK AT 12 NOON AND COULD NOT POSSIBLY HAVE OBSERVED REVE WALSH ENTER THE STORE AT THAT TIME. THE PERSONS WHO ESTIMATE THE TIME TO BE ANYTIME BETWEEN 11 A.M. AND 12 NOON WERE WORKING PRIOR TO AND AFTER THAT TIME AND THEREFORE SEVERAL OTHER EMPLOYEES OF INTEREST HAVE BEEN IDENTIFIED AND INTERVIEWED. ATTEMPTS WERE MADE TO PHYSICALLY CONTACT THEM.

THIS DETECTIVE AND DET. SGT. DUNBAR WILL BE PRESENTING THE RESULTS OF THE BEHAVIORAL SCIENCES UNIT OF THE F.B.I. IN QUANTICO, VA.. FOLLOW-UP INFORMATION WILL BE COVERED IN SUBSEQUENT REPORTS.

Captain Robert Mowers  
Hollywood Police Department  
3250 Hollywood Boulevard  
Hollywood, Florida

Dear Captain Mowers:

As per your request on Friday, August 7, 1981, an extensive interview and specific polygraph examination was conducted on Mr. John Walsh. Said polygraph examination was conducted to determine, if in fact, he was criminally involved in or had guilty knowledge as to who was responsible for the abduction of his son, Adam Walsh, which occurred on or about July 27, 1981.

Prior to said examination, a pre-test interview was conducted. The following are excerpts from this interview:

Mr. Walsh stated that he was born in up-state New York, and is one of four children. He identified his father as being a very sincere and loving man, who graduated from the University of Notre Dame. During World War II he was a fighter pilot and a decorated war hero. His mother was also born and raised in up-state New York, and came from a prominent family. She was the class president and his parents were high school sweethearts.

While attending a private Catholic high school he participated and excelled in all sports and academically he had no problems.

After graduating from high school he enrolled at the University of Buffalo and considered himself an all American college student during his first two years of study there. During his last two years of study he became active in the anti-Vietnam movement, and felt very rebellious against then President Nixon. He said he let his hair grow and experimented with an assortment of illegal drugs and narcotics. On three occasions he tried LSD, smoked marijuana, and experimented with cocaine and mescaline.

Page 2

Mr. John Walsh Interview

Mr. Walsh expressed great love and respect for his father, and said as much of an American his father was, he thought he would offend him by expressing his anti-Nixon and Vietnam sentiments. On one occasion after confiding with his father, he remembers his father telling him that he also did not think that the war was just and he would not be disappointed in his son if he went to Canada and refused the draft. Rather than avoiding the draft, he and his brother, Jimmy, acknowledged their draft notice, but both failed their physical examinations and were classified 4-F.

Subject stated that he has an 80 percent hearing loss to his left ear due to injuries that he received while playing hockey.

At age 21, he met his wife who was then 17 years old and attending her senior year in high school. At that time he belonged to his college fraternity and had many girlfriends, but for some reason he was attracted to his wife and they both felt it was "love at first sight."

After graduating from college he moved to South Florida, and found employment at the Diplomat Hotel, which is located in Hollywood, Florida. A gentleman by the name of Jeff O'Reagan, who was his good friend that he knew from college, was working as a lifeguard at the Diplomat, and was able to find him a job as a beach boy and lifeguard.

While there he had occasion to come into contact with a very wealthy man by the name of Mr. Monahan, who at that time had business dealings with the Diplomat Hotel. On one particular day he saved the life of Mr. Monahan's son, who was drowning while swimming in the ocean. Soon after this incident, on July 10, 1971, Mr. John Walsh married his wife, Reva, and as a wedding gift Mr. Monahan gave them a six week paid vacation in Europe.

After they returned from Europe Mr. Walsh was offered a job from Mr. Monahan, which paid \$12,000 annually. Even though Mr. Walsh had to take a cut in pay he saw the future in working for Mr. Monahan and his company known as GAC. After two more years of employment, Mr. Monahan had a falling out with GAC and since Mr. Walsh's loyalty was to Mr. Monahan, he also quit the company.

Page 3  
Mr. John Walsh Interview

Mr. Walsh immediately found employment with Out Island Promotion Board, and he found this job very rewarding; not so much financially, but the acquiring of experiences in the hotel business. In 1976, he resigned his position with this company and was offered a position with Diversified Marketing Company. He received stock in this company and was partners with a gentleman by the name of Warren Binder.

Subject stated that Mr. Binder was the type of man who would work seven days a week, 52 weeks out of the year, and after being with him for a period of time he realized that he was depriving his family by spending all of his time at work and none at home.

After discussing this with Mr. Binder they separated in good terms and he accepted employment with Hotel Management Association, Inc., which is a company out of Houston, Texas. This company also owns and manages Houston Grand and Grier Glass. A large portion of the financial backing into this company comes from Saudi Arabia.

Since his employment with Hotel Management Association, Inc., he has been able to spend a considerable amount of time with his wife and child. Subject stated on his tenth anniversary he gave his wife a half carat diamond ring, which she always wanted, and he was able to attend every sports event that his son participated in, specifically t-ball games, and for the first time he felt a strong unity between his wife, child and himself.

After his father passed way, he brought his mother, brother, who is 22 years old, and sister who is 30 years of age, to South Florida. Since his mother has never had to work and is on a fixed income, he gives her \$300 per month to help pay expenses. Mr. Walsh said that his wife is not aware of the fact that he gives his mother

... this time during the interview, Mr. Walsh became

girlfriend, but she is now happily married, and they haven't dated for at least five years. He stated since his son's disappearance he was contacted by her through a third party, and she asked if there was anything she could do to help. Mr. Walsh stated that he believes his wife has always been very loyal to him and his son. She had never given him reason to believe that she is seeing other men, and he has never found a time, during their marriage, where she would leave for several hours, and not be able to explain her whereabouts. He reiterated the fact that she is very close to his son, Adam, and loves him very much, and both he and his wife, Reva, are very protective of him.

Mr. Walsh described his wife as being a very loyal and understanding woman, who at the present time is active in body building. Just recently she participated in a body building tournament and came out third place, which was a pleasant surprise to everyone. She is also attending Broward Community College, majoring in interior design. She attends day classes several days a week. He said she has always worked her schedule so she could take Adam to school in the morning and pick him up in the afternoon.

Mr. Walsh stated that she has told him on several occasions that two or three of the male students have come on to her in a very pleasant way, which did not offend her, but she let it be known that she was happily married.

When Mr. Walsh was asked if he recalled any discussions with his wife concerning her purchasing a lamp at Sears, he recalled that at least a month or two prior to going to Sears she had made it known that she had wanted a particular type of lamp. They had priced this lamp at another store and it was almost twice the price that Sears sold it for. They waited until Sears had the lamp on sale, and he recalled seeing the lamp in a magazine of some type. He gave the ad to his wife, and remembered on the night prior to his son's disappearance, they discussed the fact that she was going to Sears to buy the lamp. It was the first day of the sale when she and Adam went to Sears; the same day that Adam was abducted.

Page 6  
Mr. John Walsh Interview

He stated that he recalled his wife making a list of things she had to do, and she cut out the ad from the magazine, putting it on her blueprint table, which is located in the kitchen. Mr. Walsh remembered getting up sometime between 7 and 7:30 am, on the day in question, and Adam was still sleeping. He and his wife talked of the events of the day; then he went to work. He picked up his brother, Joe, who lives in Dania, then they proceeded to work. On or about 10 am he called his wife at home, and again she told him that she was going to Sears with Adam to buy the lamp.

When Mr. Walsh was asked who resided in their house, he said that he, his wife, Reva, their son, Adam, and a close friend by the name of Jimmy Campbell. He described Mr. Campbell as being 25 years of age, and he has known him for over ten years. Subject recalled that they met when he worked as a beach boy at the Diplomat Hotel. Jimmy was 12 or 13 at the time, and used to spend his time at the Diplomat doing odd jobs, just to be near the ocean. He said Mr. Campbell's father was a test pilot, who had crashed twice and was disabled from the Air Force, but presently lived in Hollywood, with his wife who is a registered nurse at a Broward County Hospital. He further stated that Jimmy Campbell is not good looking, rather skinny bad complexion, somewhat introvertive and overly sensitive. Campbell's younger brother, Tommy, is very good looking, athletic and just married. It was general knowledge that Jimmy's father favored his younger son, Tommy, and Mr. Walsh felt it was rather sad.

Jimmy liked to surf and was very much into diving. Subject stated that Jimmy always looked up to him and confided in him and he honestly feels that he is Jimmy's only true friend. Campbell also goes by the name of Dudley. The Walsh's gave him that name because he was so helpful and always there when needed. He was their "Dudley do-right."

When Mr. Walsh was asked if Jimmy Campbell ever made mention to him as to how he related to his family, he said that Jimmy was always offended by the fact that his father played tennis at the country club with the Jewish women, while his mother worked all the time to support the family. Jimmy always identified his brother, Tommy, as being very macho. He is the type

Page 7  
Mr. John Walsh Interview

of guy who drinks Busch beer and could beat anyone at anything. He identified himself (Jimmy) as being passive and somewhat of a lonely boy. Mr. Walsh realized that even though Jimmy Campbell's father did not kick him out of the house he was not really accepted and the father preferred that he did not live there. After he and Reva married, since the Monahan's were mutual friends of both Jimmy Campbell and Mr. Walsh, Jimmy would come by their house and visit.

After his son, Adam, was born, the visits were more frequent, and Mr. Walsh did not mind this for he felt that his wife and son were left alone, at home, unprotected, during the night, and if Jimmy Campbell stayed there, he would feel that the family was being protected. At first, he would occasionally pay Campbell for some of the time he spent there babysitting and doing minor repair work around the house. As time went on, Mr. Campbell spent more and more time there each day, and before anyone knew it, it was taken for granted that he was living there.

Mr. Walsh stated that not only did he like and respect Mr. Campbell, he and his wife decided that he would be their child's godfather, for they realized the sincere love he had for Adam.

Subject stated that Jimmy Campbell and his parents were very good Catholics, and for a five year period, during the time he stayed with them, he became like an adopted older brother to Adam. He taught Adam how to swim and did babysit for them. He worked as a houseboy yet there was mutual respect and he was never taken advantage of. He was always considered as one of the family. Campbell coached the t-ball team that Adam played on. He taught Adam how to surf; cleaned the house and was very much accepted by the entire family. Not only by the Walsh's, but their relatives also.

When Mr. Walsh was asked when Jimmy Campbell moved from their home, he responded saying, "Reva said we needed our privacy." She asked him, "What are you going to do - you can always see Adam." Adam was getting older, his wife said. He (Jimmy) had to start pulling for himself. She stated that he had not gone to school that semester and she was disappointed in him, he was getting a little lax.

Page 8

John Walsh Interview

this time and point in the interview, it was brought to Mr. Walsh's attention that from his statement, it is apparent that it was Reva's choice that Campbell move out, and he was asked what his sincere, honest opinion of the matter was.

this time he responded saying, "I told Reva I wanted my privacy. I can't sit in my shorts in my own house. What does he need, to light a fire under him"? I was getting tired of having him around. Reva said she would talk to him. For the next 15 or 20 minutes during the interview he let it be known to this examiner that he was beginning to feel a little jealous of Campbell being around. He did not want to share his son with anyone, even though he knew that Campbell and Adam's relationship was a sincere and loving one. Mr. Walsh was somewhat apprehensive in making these admissions, but admitted this to the undersigned saying it was actually the first time he had admitted it to himself. He said, "It felt like if I was carrying the load. I was paying my mother's bills, and my brother working for me and I am responsible for everyone. I was under a lot of pressure at the time. Reva and I agreed. She said even though I need him I would have to assume more responsibilities. I told her I would. She wanted me around more. For the past year I have spent more time with my wife and child."

Walsh stated, "When we went to soccer games I paid for everyone. Sometimes it would cost me \$55.00." He stated he never told this to Reva. Reva talked to "Dudley" and he stated that he would look for an apartment. From that time she mentioned for him to leave, maybe a month later by. There was no pressure on him. He stated it didn't seem as if they were kicking him out. The tentative date for him to move out was June 1, 1981. He left sometime in July.

Walsh stated after Campbell left, who is also known as Dudley, they cleaned out the room and put some of Adam's toys in it. He continued to babysit.

Walsh stated that "Dudley" is Adam's godfather and is totally distraught. Mr. Walsh stated that he knew Adam was alive and well and that he would get him back. He stated, "Whatever you want me to do, I will do." Dudley stated to Mr. Walsh that the police

Page 9  
Mr. John Walsh Interview

probably think he is distraught running around with psychics. He would say to me, "John tell me what to do." Mr. Walsh stated that he has seen Dudley by himself crying and he has told me not to give up hope. Dudley has done everything, everyone has asked him to do.

In the beginning Walsh stated, he and his brother Joe thought they would find him. Dudley was not living with them at the time. He stated they still saw him all the time.

Mr. Walsh recalled that on the day of Adams's disappearance he was told that his wife Reva and Adam went to Sears alone. Soon after he was noticed missing, he was paged, and about ten minutes later Mr. Walsh's mother (Adam's grandmother), came to Sears. When Reva saw her she asked if she had seen Adam. Mr. Walsh believed that the police told his mother to go home and see if Adam had walked there, and it was his mother than called him at the office. Subject stated that he and his brother, Joe, went directly to Sears, after being notified of his son's disappearance. Upon his arrival, he immediately saw his wife, Reva, then he started to search the mall. Subject stated that he does not know when James Campbell was notified.

After a brief time of discussing an unrelated issue, a specific polygraph examination was conducted on Mr. John Walsh. The specific questions asked were as follows:

- A. Concerning you son, Adam's, abduction, do you intend to answer my questions truthfully? Answer. Yes.
- B. Do you know the individual that took Adam? Answer. No.
- C. Do you know where Adam is now? Answer. No.
- D. Did you conspire with anyone to cause Adam's disappearance? Answer. No.
- E. Are you withholding information from the police concerning Adam's disappearance? Answer. No.

Page 10  
Mr. John Walsh Interview

- F. Do you suspect anyone of taking Adam? Answer. No.
- G. Do you know who took Adam? Answer. No.
- H. Did you take Adam? Answer. No

\*\*\*\*\*

After careful analysis of said polygraph examination, it is the opinion of this examiner that Mr. John Walsh showed no physiological reactions which would be indicative of being deceptive of any of the above relevant questions asked during his polygraph examination.

It is also this examiner's opinion that Mr. Walsh was not criminally involved in nor has he guilty knowledge as to who is responsible for the abduction of his son, Adam.

If I can be of any further assistance in this matter, do not hesitate to call upon me.

Thank you.

Captain Robert Mowers  
Hollywood Police Department  
3250 Hollywood Boulevard  
Hollywood, Florida

Dear Captain Mowers:

As per your request on Friday, August 7, 1981, an extensive interview and specific polygraph examination was conducted on Mr. James Campbell. Said polygraph examination was conducted to determine, if, in fact, he was criminally involved in or had guilty knowledge as to who was responsible for the abduction of Adam Walsh, which occurred on or about July 27<sup>th</sup> 1981.

Prior to said examination, a pre-test interview was conducted. The following are excerpts from this interview:

Mr. Campbell was asked by this examiner to give a summary background of himself so that this examiner could better relate to him and be able to formulate the specific questions in a manner he would be able to relate to and respond truthfully.

Mr. Campbell stated that he is the second oldest of four children, and his parents were both in the military. His father was a fighter pilot in the U. S. Marines, and his mother was a Navy nurse. He was born in Tennessee, and he has an older sister by the name of Debbie, who is 26 years of age. He is 25 years old. He stated that he has a younger sister, Ellen Mc Kensey, who is 24 years old, and his kid brother is Thomas, 23 years old. After living several years at Homestead Air Force Base, his father received an honorable discharge, under medical conditions, from the U. S. Marines, after he was considered totally disabled because of his collapsed lungs.

He and his family moved to Cleveland, Ohio, his father's hometown, and in 1968, or 1969, they returned to South

483

Florida. Mr. Campbell attended St. Matthews grade school and graduated from St. Thomas Aquinas High School. He earned his Associate of Arts Degree at Broward Community College, majoring in Political Science and he attended one and a half years at Florida International University and majored in Humanities. Subject stated that for the past year he took off from attending school because he lost interest. He was working during the day and attending classes at night.

When Mr. Campbell was asked what his hobbies were, he stated that he loves the ocean. He loves sailing, surfing, diving; anything that pertains to water. He never participated in any school activities because his one and only love was the ocean. He remembered he wasn't "One of the guys" and wasn't like the other kids. He did not enjoy sports nor was he one for socializing. He remembered that in late 1969 or early 1970, he met John Walsh for the first time. He was either twelve or thirteen years of age, and John was ten years older. John was a lifeguard at the Diplomat Hotel at the time, and since he liked hanging around the older beach boys, they immediately became friends. They had the same thing in common, the ocean, and occasionally he would get a free ride home or a sip of beer by just being around. At that time he was very good friends with a man by the name of John Monahan. Even though John was three years younger than he, and John was his brother's best friend at the time, they all had mutual likes such as the ocean and became close friends. He would stay after school; they would go to the Diplomat to swim and they would spend their weekends there. He stated he could never work an inside office job for he loved the outdoors and the beach.

Mr. Campbell recalled that in late 1970 or early 1971, John Walsh left South Florida, and returned to New York. Campbell recalled meeting Reva, John's wife, on several occasions, when he was very young, but could not recall any specific times. After John's return to South Florida, subject lost contact with him for

Page 3  
Mr. James Campbell

John worked at the Crystal House, which is located on Miami Beach, but they kept in touch with each other through a mutual friend by the name of Billy Brachen. Subject recalled when he and John Walsh became closer friends it was when John Monahan's father offered John Walsh a job. Subject stated, "He got John off the beach. John was to represent the properties of GAC. I started to see him more and more often because John worked for my best friend's father. John, Johnny Monahan, Reva and me would go to different resorts. John has been in the hotel business ever since then. I was still living at home with my parents. Reva was pregnant. I would stop off at their house for a beer I would see John every once in awhile at the office because I did errands for Monahan, Sr. When Reva was pregnant, John was working from 7 am to 7 or 8 pm every day. I helped Reva get Adam's room ready. We painted it and we were all pretty close at that time. Reva had Adam on November 14, 1974. I had just graduated from high school and was going to Broward Community College. We were all ecstatic about the baby. I had met John's parents for the first time before Adam was born. I had a lot of free time, and I would spend it with John's parents. I took them shopping, to the beach, etc., while John was working.

When Adam was born I was elated to be his godfather. John's sister, Jane, was the godmother.

Reva had Adam at 12 in the afternoon. The kid was beautiful. I was ecstatic he was a boy. I wanted him to do skindiving, surfing, swimming. It was the closest friendship between Adam and me. Reva's mother flew down to help care for Adam. I saw him

everyday. I helped Mrs. Drew, Reva's mother. I became very close to Adam at a very early age. I'd bring over Pampers, milk - I had the pleasure of taking care of him, changing his diapers. I am still living with my parents. John lived in Hallandale, ten minutes away. I spent a lot of time with Adam, being he was my godchild."

When Mr. Campbell was asked specifically when he moved in with the Walsh's, he stated that John was working for Warren Binder, but he could not remember the exact month or year. John and Reva had moved to Miami and he would drive to their home whenever he could to visit. When he got there he would have a few beers and talk to Reva. On many occasions, rather than drive all the way home he would spend the night. At times he would spend weekends there, caring for the baby and he would drive John to and from the airport when he had to make trips away from home. Subject stated that John did not mind him being there for he would do errands around the house, care for Adam, and be there if he was needed while John was away.

It was at that time that subject Campbell got a job at the Carriage House, which is located on Miami Beach. He remembered Billy Maidment was instrumental in getting him the job. He was commuting from Miami Beach to Hollywood, daily, and also at that time, Reva's brother, Cliff, moved to South Florida. Together he and Cliff rented a house close to Reva's home, which made it very convenient. There, he and Cliff lived for one to one and a half years. Subject recalled that after being together for a year and a half Cliff wanted to go back to Buffalo, and since he owned most of the furniture (subject), he moved the furniture back into his parents' house, and gave up the lease on the apartment.

Subject stated, "I was still spending a lot of time at Reva's. John was still

00055

Page 5  
Mr. James Campbell

working long hours. I spent a lot of time with Adam. I like kids, really a lot. We became very close - John still traveled. I did a lot of work around the house. It was nice. I had to move out of my rented house. Reva found a house in Hollywood. In Miami, Adam and I shared a room. Every winter, Reva, Adam and myself would go to Buffalo, New York, snow skiing. We drove a couple times and flew a couple times. We would stay with her parents at their home. Reva and I are very close - best of friends, like brother and sister. "

When Mr. Campbell was asked what type of sleeping arrangements they made when traveling to and from New York, at first he stated they would get a double room, but after further questioning, he stated they would share one room; he would sleep in one bed and Reva and Adam would sleep in the other.

When subject was questioned concerning his relationship with Adam, he stated, "I was close to Adam - closer than his father. I was his father, brother, uncle, and playmate. I could play with him and John would read to him. Adam would say, 'I have two fathers, one stays at home, one works.' As much love you would give this kid, he would give it back. We're inseparable - totally. If he got scared, he would sleep with me. I liked Adam, I love him, also, it was financially beneficial. Reva had her schedule, we shared him (Adam). There was some problems, lack of privacy, things were running good, nobody stepped on anybody's toes, but this past year everything was in a rut. Last year I quit my job and started my own business. I took loans, financed, and bought a fleet of boats, several types. From 6/80, until 12/80, I worked at the Diplomat. Augie, who was the dockmaster at the Diplomat for twenty three years lost the concession there, just before the season. So since Augie

Page 6  
Mr. James Campbell

was out, I was out. There was no money to be had. From there I went to the Golden Strand Hotel, which is located at 178th Street and Collins Avenue. This year the wind was bad about 20 - 25 knots. Nobody wanted to sail. It wasn't safe. There were a lot of companies that would rent boats out to the tourists, even when it was windy. But I was concerned for their safety.

January and February were also bad months. March and April were still bad. I wanted to get out on my own. I was tired of making breakfast and doing dishes. It wasn't a free ride. I had a lot of responsibilities. I needed my freedom and they wanted their privacy. I wanted mine. I wanted to get an apartment close by. I wanted to be James Campbell, not one of the Walsh's. I wanted to be out by December. If I didn't get out soon I would never get out - I realized that I accumulated a lot of things. When Adam disappeared I was out of their house for about a week. I moved in with my parents. I had no money for an apartment. I needed \$1000 for an apartment. Since my parents had an extra bedroom because my brother had just gotten married, I stayed there.

I didn't want to move back into my parents house, but I had no choice."

When Mr. Campbell was asked what type of relationship he had with his parents and why he did not want to move back into their house he said, "My father favored my younger brother. He was straight A's and I was a C and B student. My kid brother played football, basketball and baseball, and he was really tough. I was passive and he was a macho man. I stayed at my parents'

Page 7  
Mr. James Campbell

home for one week before the disappearance. I was trying to sell my truck to get enough money to get an apartment. I wanted an apartment next to Reva and Adam.

When Mr. Campbell was asked specifically what he did on the day of Adam's disappearance he related the following:

"On the morning of Adam's disappearance I came over for breakfast. Adam just got up. I was away from him for a week. Not the same as living there. Not the toothbrush, etc. Even if you live next door, it is not the same as if you are living in the same house. He is what kept me in the house.

I was there Sunday night watching TV. Reva and I talked it out. We both needed our freedom - no hard feelings. I wanted to take Adam to a surfing movie. He wanted to see the Lost Ark. At first he said no, but when I was walking out he said okay. I got him dressed, and we went to the movie from 8 to 10 pm. While there we ate popcorn and all the good stuff. Adam had a good time. Since we both had not eaten, we went to Larry's Clam Stand in Ft. Lauderdale. We ate chicken wings. I drank a beer and Adam had a rootbeer. Adam fell asleep in the car while I was driving him home. Everyone was in bed when we got there but the door was locked. I knocked on the door and Reva came to the door and opened it. She wanted to know where we had been - she expected us home at 10. I said goodnight because I was tired. I had a drink of water then left."

Mr. Campbell was asked if he recalled Reva being upset with him because he had taken Adam home so late. He responded, "No not upset, or concerned, just inquisitive as to why

Page 8  
Mr. James Campbell

we were so late. Then I went to my parents' house and went to bed. The next morning I came over at 9:30 am and had tea with Reva. We were suppose to get our driver's licenses together. She said she had to go to Sears to buy a lamp, then work out at the gym at 1 pm. Adam got up and laid on the couch and watched TV. Reva jumped on the couch with Adam and they cuddled. I told him I had to go to work. I gave him a peck on the cheek and went to work."

When Mr. Campbell was asked what he did after leaving the Walsh's residence on the day in question, he related the following:

"A new company had bought out the hotel and they were making promotional films. They wanted me to do some wind surfing. We couldn't get together until 3:30 pm. They were busy. I was waiting for them and I was out a 100 yards off the shore surfing. I had been out in the water for thirty or forty minutes, then I saw Joe, John's brother. It was around 4 pm. He waived me in. I knew something wasn't right. I could tell by the way he waived. I went to Joe and he said Adam was missing since 12 noon. Reva had tried to call me, but I was out in the water. She couldn't get a hold of me. I got dressed and asked friends to put things away for me; then I drove to Sears, 100 mph. When I got there, there was Reva and the police. I was freaked. I couldn't believe it. I drove up and down the mall looking for Adam."

When subject was asked if he knew anyone who would like to get back at the Walsh's by taking Adam and he said we have have no enemies. It is a close-knit family. They never brought people home that weren't mutual friends."

00055  
Page 9  
Mr. James Campbell

At this point and time during the interview, the undersigned asked Mr. Campbell to go over again what had happened on the morning in question and he related the following:

"After the movie, Adam and I went to eat. Then we went straight home. I was going to take him to the Danis pier for a walk, but he fell asleep in the car. After we ate some chicken wings at the clam stand, I took him directly home. When we got there I didn't have any house keys so I knocked on the door. Reva let us in and asked where we were. She didn't appear to be upset and I told her we had to stop off and eat because we didn't have time to eat before we went to the movies. I was carrying Adam into the house. Then he woke up and walked straight into his parents' bedroom. I'm strict with Adam as far as meals and bed time are concerned. With me he is in bed at 8:30 sharp. He had his dad wrapped around his little finger, typical dad. Adam went straight to his dad's room and I took a drink of water. Reva went into the room with him. I didn't see John. I yelled from the front door, 'I'll see you tomorrow.' Then Reva walked out of the room to the door. I told Reva either I'll see you in the morning or we will do the driver's licenses in the morning. I can't remember exactly what I said. I drove straight to my parents' house and went to bed. Next morning I got up and got dressed. I get up at the same time every morning. Nobody was home. My father and kid brother went to Cleveland for my grandfather's birthday. Since I couldn't afford to go, I stayed home. My mother didn't go either. She is a registered nurse and works from 11 pm to 7 am as a supervisor at Biscayne Medical Center. She usually doesn't get home until 9 am. My sister, Debbie was in Key West. I left

Page 10  
Mr. James Campbell

before my mother came home. Reva's birthday is July 24, and her driver's license had expired, and I had my wallet stolen from my car in July, so we both had to get duplicate licenses. We tried to get together to get our licenses before, but we never had time. We were suppose to get our licenses that day but even if we weren't going to get the licenses, I still would have gone by to have tea and to see Adam. Reva said she was too busy to do it. I left her and Adam on the couch cuddling. He needed a lot of body contact. I was there for about a half hour or an hour. I was driving my sister's car. I had it for about three weeks while she was in Europe. After leaving Reva, I went straight to work. I went to my office. I took all of the sails out and put up a couple. I didn't rent any boats because I knew we were doing some filming. I washed down the boats and jogged to the Thunderbird Hotel which is five or six hotels away. I wanted to borrow a couple of sails, but the owner wasn't there and two young kids were doing his work. I didn't know them nor did they know me but they gave me the owner's phone number, and they told me that I would have to get his permission before they would lend me anything. While walking back to the hotel I noticed an old lady had fallen in the water. She asked me for help. I went over and helped her up and it was about 2 pm at this time. I went back to the hotel and just waited around. The owner came down with the camera crew around 3:30 or 4 pm. The owner introduced me to the camera crew. They concluded that the lighting wasn't good. Then they asked me if I would do some wind surfing. I got warmed up and about 15 minutes later returned, changed into a different bathing suit and the crew came back to get ready for the filming, and I went out for another half hour. We were in the middle of filming when Joe came out and waived me in. They

Page 11.  
Mr. James Campbell

asked me where I was going and I just asked one of my friends to pick up for me. Then I drove straight to Sears.

When Mr. Campbell was asked if he and Reva Walsh were ever intimate or had sexual relationship, he emphatically denied any type of relationship other than one of mutual love and respect as a brother and sister have towards each other. But after further questioning, Mr. Campbell admitted that they have been lovers for the past several years.

He stated that their romance started approximately one and a half or two years after Adam was born and the last time they had sex was two weeks ago, which would make it one week prior to Adam's disappearance.

Subject stated that before they lived together, they both realized it was true love, and since John was having relationships with other girls, he did not feel guilty about their relationship.

When Mr. Campbell was asked if Reva knew that John was having sex with other women, he responded that he had never told her, but he didn't think it had to be said. Subject stated, "We talked of our future together. We had opportunities to be together forever, but we didn't follow through with it. She went back to school to find herself a career just in case she had to support herself. Adam was the bond between John and Reva, but I hope he's not the bond between us."

When subject was asked what his opinion was concerning John's love for his son, Adam, he responded that John loved Adam very much and if he and Reva ever separated, there would definitely be a power struggle

Page 12  
Mr. James Campbell

for custody and that has been on all their  
mines. He said, "I love Adam - I would  
never do anything to hurt him."

When subject Campbell was asked specifically  
if he felt it was Adam that was keeping  
John and Reva together his answer was, "Yes."  
When asked if he felt that John knew that  
he and Reva were having a relationship  
he stated, "We never talked about it - not  
directly. John would say things like is  
this my family or your family? but he never  
came out and asked me. How could he say  
anything to me? I would never say anything  
about his relationships." When subject was  
asked how Reva felt toward her son, Adam,  
he said she would never let him suffer financially  
or any other way. Adam comes first before  
all. My love for Adam is equal to my love  
for Reva. They are one in the same. Adam  
and Reva are like one person - I love them  
both."

When asked, "Do you feel her closeness was  
more to you than John?" he responded, "Yes,  
but she loved John too."

When subject was asked why he left the Walsh's  
home he responded, "I wanted to get my life  
together before we could get our life together."  
I didn't know where we were going from here."  
When asked whose idea was it for him to  
leave, he stated, "Originally it was John's.  
I think he was jealous, but it was mutual,  
I was jealous of him. I knew I had to get  
established before we could get established."  
When asked when it all came to a head, about  
him moving out, he stated:

"Lately we've been having petty arguments.  
It was a mutual understanding. It wasn't  
a shock to any one of us. I wasn't happy  
lately, doing the dishes, housework - some  
damn domestic - if I only had tits. It's  
not my goal cleaning up after everybody.  
I want to be me."

SECOND POLYGRAPH EXAMINATION

FOR  
JAMES CAMPBELL

---

On August 10, 1981, a follow up polygraph examination was conducted on Mr. James Campbell, which consisted of an extensive pre-test interview, and the formulation of relevant questions that were asked on his polygraph examination that pertained specifically to the relevant issue which concerned the disappearance of Adam Walsh.

The following are excerpts from that pre-test interview:

When Mr. Campbell entered the room that was to be used to conduct the polygraph examination, he appeared to be nervous and somewhat upset. He said, "Joe, why are they treating me so rough? I know they think I'm responsible for Adam being missing. The police are making all kinds of accusations. I've got to calm down ---- calm down. I've got to convince myself not to let the barbarians get to me. I should have just said to myself that they were just doing their job, and not take it personally -- but I do take it personally. It is very upsetting."

After several minutes of conversation, not relating to the specific issue, the undersigned was able to calm Mr. Campbell down and begin the interview:

Q. James, let's start from the very beginning.

A. Okay, Joe, I could talk to you -- I trust you. I can't remember per se when I met Reva. The first time I actually taked to her was at John Monahan's house, while I was in high school, probably sometime around 1974. It was when John Walsh was

working for GAC, and they were married.

Q. Had you met her before they were married?

A. I heard alot about her from John. I'm sure I met her on one of our trips, but I really can't remember. The actual time I really met her was during the summer I graduated from high school. I liked her from the very first. I didn't know if it was bells and stars in love, but it was just the fact that she was a nice person. She was pregnant at the time; maybe five or six months pregnant. We had all drove to the River Ranch. It was John Monahan, myself, John and Reva. We drove in the station wagon, and that was the first big trip that we made together. I remember getting a ticket while driving for speeding. The place we went to was like a villa. John, Sr., and Mrs. Monahan were already there with some of the children. John and I (John Monahan), had our own room and John and Reva had theirs.

Q. When was the first time you were attracted to Reva?

A. She was beautiful when she was pregnant. She just glowed like an angel. I always thought she was a beautiful woman.

Q. When was the first time the two of you were alone?

A. I guess at their house in Hallandale, at lunch time. She may have made me a sandwich, or gave me a beer, and we talked about fixing up the bedroom for the baby. She was bugging John to do it but he was always working. She had brown furniture, and we painted it white with yellow handles. Then we bought yellow shades, with golden triangles and some decals for the mirrors. We fixed up the baby's room real nice. She told me John had constantly been

putting her off concerning fixing up the room so we did it together. We were friends. I would help her out; go to the store. We were very casual with each other. She did not have a car at the time so I drove her.

Q. Did she ever confide in you before the baby was born?

A. Not really. I don't recall. We were just good friends, but I don't think she told me anything very personal. I remember before that time we met in Key West together; the Monahan family, John and me. I remember she and I sat on the seawall together and we smoked marijuana.

Q. Whose marijuana was it?

A. It was hers. We only had a few joints. I remember we were smoking the last one, and I dropped it in the water. We were passing it back and forth.

Q. Did you ever snort cocaine with Reva?

A. Yes, but I can't remember the last time. I think they had friends over from out of town. There was John, Reva, Karen and myself.

Q. Who's Karen?

A. Jeff's wife. Jeff is John's best friend.

Q. Did you ever have a relationship with Karen?

A. No.

Q. Continue if you would.

A. Now when Reva and I talk about our relationship, she would say, "Why did you wait so long."

Q. When was the first time you and Reva were intimate with each other?

A. It was one night when Adam was in bed. We were smoking a joint. Then we drank some tea and watched TV. I was rubbing her back, nothing sexual, just her neck and shoulders, but after doing it awhile and because of the fact that we were alone and had just finished smoking a joint, my hands roamed, and she turned, all at the same time. It was just a mutual thing. Nothing planned - it just happened, and we kissed.

Q. Where was John at the time?

A. He was out of town on business.

Q. What happened then?

A. One thing lead to another, and we slept together. Actually we didn't sleep together, we had sex, then I slept on the couch. The next morning she was very uneasy. She told me we should never let it happen again. You have to understand the relationship we had. I would spend the nights there when John was out of town, not for the sex part of it, but because I would watch out for her and Adam and do errands around the house. Then Reva and I became intimate. We knew we shouldn't do it, but it was very natural - nothing cheap about it. It was beautiful when it happened. We knew we were in love, but didn't know what we were going to do about it. For Adam's sake she would stay with John. We discussed little things like someday having a little car - a little house together, when Adam got older. She wouldn't do anything until Adam reached a certain age. We talked about two years - maybe that's how long it would take to finish college. Something happened after Adam was born. She and John drifted apart. I never pried, but there wasn't that closeness. Reva felt it was coming from John, not her. She felt he was the cause of them

not being close. Once, when Reva and I were driving together, I made mention to her that one of my old girlfriends lived there, and pointed to a house when we drove by. The next day she said to me that she didn't want me fooling around with another girl. I told her I wasn't and I wasn't going to.

Q. Do you have any other relationships with other girls or have you had sex with any other girls since the first time you made love to Reva?

A. I went out a couple of times, but there was never a relationship. I was faithful - no other girls - no other relationships. Just her, just Reva because I loved her.

Q. Did Reva see any other man while the two of you were together?

A. No, she wasn't into one night stands. She is too much of a mother. Too serious. At the one time we were the most serious I didn't have my shit together. It was a time when we felt it difficult to be apart from each other. We enjoyed each other's company. This was during the middle of our relationship. If I had everything together at that time then we would have been together now. I didn't do my part. I didn't finish school, maybe she didn't follow up either. I guess it just wasn't meant to be. There was a time when we were super close; we didn't even argue. I guess because she was on a guilt trip she started busting my balls for me not following up. We understood it. I had to make a move and do something. That was about one or one and a half years ago. I tried to get the boats going, but because of the bad weather they weren't successful. I wanted out of the house about a year ago. Reva was putting pressure on me lately. She told me that I had to have a life of my own, and that our

relationship was going nowhere. My goal at that time was to get an apartment of my own. I didn't want to go back to my parents. Whether or not Reva came with me wasn't important. I had to be on my own. I had to do it myself. I had to prove to myself that I could do it.

Reva told me we could have had a thing. We should have had a thing, and she was disappointed in me. She told me that.

Q. How much do you love her now?

A. I love her alot.

Q. Did Reva tell you that she and John wanted to have another baby?

A. No, not per se. John would say to Adam, "How would you like to have a baby sister." At one time I didn't think it was possible but after the past year it was very feasible. There is a big difference between John and I. I'm stagnant and John is just now taking off in the business. I would have had to have it together or forget it. Adam came first for the both of us. I guess I kinda knew she wanted to have a baby.

After I took the first polygraph, when I got home, we all discussed it. Reva and I talked about the test. When I got home she asked me where I was for seven hours. She asked me what it was all about and I told her. It was at that time she said to me, "Didn't you tell him that John and I were talking about having another baby?" I told her, "No, I never told him that." When I got home that night, my sister was there with Reva and they were awake waiting for me. Jeff was napping. They both asked me what happened. I told them that they asked me alot of personal questions, and they told me to tell them exactly what was asked. Before I would

answer any of the questions I was waiting for my sister to leave. Reva and I walked my sister to the car and then she left. After that, Reva asked me what questions were asked during the polygraph test. I told her they asked about our relationship. She asked me what I said and I told her that we were in love. I told her that I told you that we made love together. Then she said, "I knew that was going to come up." I assured Reva it was confidential. She said she was sure our stories were different versions concerning what happened between us. Reva asked me if I mentioned that she and John were going to have another kid and I said to her, "Oh really, I wasn't told." Then she said to me, "You heard us talking about it." Reva and I then had a little argument about that and I walked back into the house. She made some tea. We drank the tea and talked. When I got back into the house she was looking in the refrigerator and broke down and was crying about Adam. I held her and she took a sleeping pill and went to bed. Karen woke up because she couldn't sleep and we all slept in the living room on chairs.

Q. Was Reva concerned about John finding out about you and her?

A. When the police first mentioned about us taking a lie detector we looked at each other and that was our only concern about taking the test. I explained to Reva about the confidentiality of the test; how there was only you and me in the room, and there were no police involved. I explained to her that you were not a police officer, you were just doing it to help in the investigation. Then I told her I would probably go back and take another test.

Q. What did John Walsh say about taking the polygraph test?

A. He said that you were very nice. You were well dressed, intelligent and you have a way about talking to people. There was no pressure involved in taking the test, but the one thing John said was that you had to tell the truth. That's the most important thing.

Q. James, in going back, prior to Adam's disappearance, the day you left the Walsh's house, do you remember that?

A. Yes.

Q. Can you tell me about it.

A. Yes, the day I left, we argued. John said I had to be out June 1. After he told me that I would be upset once in awhile just thinking about the fact that I had to move out, but I knew the day would soon come. Reva and I were sparring a little bit at that time, but nothing serious. Reva was encouraging me to get an apartment. She was busting my balls. I told her I was looking for an apartment and I was trying to sell my truck to get enough money to put a deposit down. I told her I wasn't waiting any longer. I told her I was moving out immediately for my own sanity. I started moving my clothes out. I was pissed as hell. I couldn't take anymore of it. I figured if I got my own apartment I would be sane again. I started loading my car and she was mad. She sat on the porch. She was pissed. I was fuming. I was upset with myself because I didn't want to leave under circumstances like this. I didn't want to leave like this. After I left I didn't call her that night or the next day. I went over a couple of days later and everything was okay. John had gone to work and Reva and I had tea. We ate breakfast, I think. Then sometime after that she might have come over to the beach with Adam or maybe I stopped off after work to say hello. I

really don't remember. I just know that there were no hard feelings after I moved out. I told her I was staying with friends and at the office. I didn't want to say that I was back at my parents' house. I wasn't happy at my father's. I remember one week I went to four movies just to stay out of the house. I tried to stay away. I felt like I was a bachelor. Reva would kid me and say, "How's the divorce." She would always invite me to come by and see Adam. I would always call and say, "I miss you." I missed both her and Adam.

Q. Tell me about the night before the abduction.

A. Two nights before the abduction I called John and told him I wanted to take Adam to the movies. Then the night before the abduction, when I was going to take him to the movies I called up, and there was no one home and I was really pissed. Later I talked to Reva and she said they had gone to the tropical plant show. When I drove over they were planting a tree. Then, 60 Minutes came on. The morning of the abduction I went over to Reva's house and she said, "Are you taking Adam with you?" I told her that I was busy and couldn't take him. If I wasn't upset with Reva, there is no doubt that I would have taken Adam with me, but I didn't want her to think that anytime she asked me I would have to say yes. She said something about she was either going to take him to gram or gram was going to watch him. That was sometime between 9 and 10 am. I'm not really sure of the time. I think I stopped at Jack's Diner for breakfast. That was around 10:30 am. I went to the office. I unlocked the door and went inside. It was kind of a weird day. I just didn't open the sails. I walked

Page 11

to Sears and started looking for Adam.  
Joe, that's all I know. I'll answer any  
questions you ask me, and I'll tell the  
truth.

After the pre-test interview was conducted  
it was decided by the undersigned and  
investigators that the same relevant questions  
would be asked on Mr. Campbell's second  
polygraph examination.

Those questioned are listed earlier in  
this report.

Mr. Campbell showed no physiological reactions  
which would be indicative of being deceptive  
on any of the relevant questions asked  
during the second polygraph examination.  
Therefore, it is the opinion of this examiner  
based on Mr. Campbell's polygraph examination  
that he responded truthfully on all of  
the relevant questions asked during his  
polygraph examination.

If I can be of any further assistance  
in this matter, do not hesitate to call  
upon me.

Sincerely,

Joseph M. Matthews

**NARRATIVE SUMMARY** 169.23.3 EJ

The decapitated head of the deceased was found by two fishermen in a canal located 25 yds. south of the 110 mile marker on the Florida Turnpike. The canal is located on both sides of the turnpike and near the point at which the head was found there is a turnpike bridge where the canal passes under the road. This is a favorite local fishing spot. The head was found on the East side of the road near a small bridge. FHP was first notified and they in turn notified the Indian River Sheriff's Office who took the head to Associate Medical Examiner Dr. Cox. He compared the dental records of the deceased with those of the head and made a positive I.D. Upon the suggestion of their office, Dr. Cox asked Dr. Wright to also examine the head and it was flown back to the Broward Medical Examiner's Office by Helicopter accompanied by personnel from the Hollywood Police Department. D.P. Hughes, Chief Investigator for the BME made a scene visit for the purpose of conducting experiments to try to better establish the time of death. At this time further investigation continues into trying to answer these questions.

#### DEATH INVESTIGATION AND PRELIMINARY AUTOPSY EXAMINATION

At approximately 8:45 P.M., August 10, 1981, I received a telephone call from the Indian River County Sheriff's Office informing me that a head of a young boy was found in the canal west of town, close to the Florida Turnpike. The head allegedly was found by some fishermen who reported the incident to the Florida Highway Patrol. The Homicide investigator in this case is Don Coleman. At 2:00 A.M., on 8-11-81, I received a telephone call from the Nursing Supervisor in the Indian River Memorial Hospital informing me that the police from Hollywood, Florida would like to view the head. I proceeded to the Autopsy Room and the police officers from Hollywood, Florida, identified themselves as follows: Detective Gibbons, Detective Ron Young, and Detective Dennis Maylon. Also present at our investigation and examination are Homicide Investigators Sid Dubose and Don Coleman of the Indian River County Sheriff's Office. It was noted in the morgue entry log that the head was signed in at 1:30 A.M.

**GROSS EXAMINATION:** The specimen consists of a head and a portion of the neck. Extensive cutting and chopping wounds are observed posteriorly from ear-to-ear with at least two parallel wounds being separated by a 1.5 cm. loose strip of skin and subcutaneous fat. The cutting wounds show sharp margins with no tearing or undermining. Cutting wounds also extend on the left side below the ear to within 5 cm. to the corner of the mouth. Another cutting wound extends below the right ear to within 2.3 cm. to the corner of the mouth. A separate 1 cm. cut is noted on the helix of the left ear. The soft tissues of the neck are torn into multiple pieces by apparent cutting wounds exposing one of the cervical vertebra, the body of which appears to be transversely sectioned. Also observed is a clean slicing cutting wound which involves the right inferior posterior occipital skull exposing the dura for a diameter of 2.5 cm. The opposite left occipital bone shows a parallel slicing cut in the same plane as observed in the right occipital bone. This differs from the changes in the right occipital bone in that the bone has not been completely severed and the dura is not exposed.

The hair is sandy brown in color and is easily removed from the scalp. Some of the hair is given to the investigating officers from Hollywood. There is total slippage of skin over the surface of the entire head and face. No evidence of mutilation is noted over the scalp or face. The eyes with opaque cornea are bulging, and somewhat protuberant, probably secondary to gas formation in the orbital fat. Extensive putrefaction with a foul-smelling odor is present. The mandible is examined and it is found to be partially exposed from extensive cutting and chopping wounds involving the neck. A fracture is present in the main body of the right mandible, and two separate fractures are present in the body of the left mandible. The mandible appears to be completely disarticulated from the skull. It is freely movable in the exposed wound.

The teeth are then examined. The upper right incisor is missing and an erupting tooth can be located in its place. Four upper teeth are present on the right side distal to the missing right upper incisor. Five teeth are intact and present in the upper left side. The teeth in the lower jaw are then examined and all ten teeth are present, five on each side. An apparent amalgam dental filling is noted on the buccal side of the last lower molar. This amalgam filling is confirmed by x-ray.

Multiple portable x-rays are taken which will be interpreted by a radiologist. They confirm the presence of the amalgam filling in the lower left last molar. Further examination of the x-rays reveals the cranial cavity to be filled by gas, probably accounting for the head floating to the surface.

At approximately 11:00 A.M., August 11, 1981, Lieutenant R. Hynds of the Hollywood Detective Division brought me the results of the dental records on Adam Walsh, a six year old male child. The dentist is Marshall Berger, D.D.S. (6-1002) of Hollywood, Florida. His records reveal an amalgam filling on the buccal side of the last lower left deciduous molar, corresponding to the finding in the decapitated head.

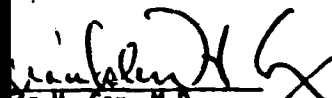

In addition, the head is identified as Adam Walsh by a close family friend, John Monahan, in the presence of Lieutenant Hynds. The identification and dental records confirm that the decapitated head is Adam Walsh, a six year old missing child from Hollywood, Florida.

Shortly after noon on August 11, 1981, I spoke with Dr. Ron Wright, Broward County Medical Examiner, who agreed to accept and complete the examination on the decapitated head of Adam Walsh. Accordingly, the specimen was packed in ice and given to Investigator Ronald Young to be flown that afternoon to the Broward County Medical Examiner's Office.

Chief Medical Examiner Broward County, FL

Dear Dr. Wright:

The following are results of bacteriological analysis of water samples provided to this laboratory by your office on August 13, 1981. The Property Receipt stated that samples were taken by the Hollywood Police Department between 1035 and 1100 hours on 8/13/81. Samples are in reference to your case number ME-1187, Homicide - Adam Walsh.

Sample number one (1) was taken approximately 500' North and West of the recovery site. Number two(2) was taken at the recovery site and number three (3) was taken approximately 500' South and East of recovery site.

	SAMPLING STATION		
	#1	#2	#3
Fecal Coliform (org/100 ml)	10	30	20
Staphylococci (org/1 ml)			
Coagulase Positive	0	0	0
Coagulase Negative	128	44	332
Fecal Streptococci (org/100 ml)	0	10	15
Total Anaerobes (org/100 ml)	*TNTC	*TNTC	*TNTC

\* at least 200 org/100 ml

Fecal Coliform counts are well below state standards (400 org/100 ml) for recreational waters. The count of fecal coliform organisms is usually much higher when any animal matter is decomposed in a body of water. The low count of coagulase positive staphylococci also does not indicate warm-blooded animal remains.

The ratio of fecal coliform to fecal streptococci strongly indicates that the fecal organisms present are not from human intestinal tract but from horses or cows.

15100751

The most significant finding is the large number of anaerobic bacteria found at all three locations. Culture techniques involved use of brain-heart infusion agar which favors growth of putrefying bacteria which are largely amino-acid and purine fermenters. These organisms liberate large amounts of gas, notably the characteristic hydrogen sulfide. The organisms present are most probable of the genus clostridia.

Please contact me if I can be of further assistance.

Very truly yours,

RE: Adam Walsh Murder

Dear Lt. Hynds:

With reference to the above subject, the following idea is submitted in the event that same has not already been considered.

The person(s) who abducted Adam Walsh may have purchased gas or other items at Sears during the time period before the incident occurred. If so, there is the possibility such a purchase may have been paid for with a Sears charge card, personal check or cash where the customer's name and address was taken. In that event, Sears' records should be able to document that occurrence. Even if that theory did not prove out, you would be provided with a partial list of persons who were at the Sears scene of the crime during that time period. Obviously, if all such persons have not come forth to identify themselves today, your department would be able to now contact them for questioning.

The preceding theory could also be expanded to include other stores in the Mall during the time period in question, and also gas stations on the Turnpike. It's too bad the Florida Turnpike does not document tag numbers of all vehicles using that highway.

You are welcome to contact me should you find a need to do so.

Very truly yours,

AMERICAN BIDET COMPANY

A Jim Byron from the Department of Transportation (Ft. Pierce Office 464-6330) call reference to information that you requested on construction work on the Turnpike in 198

On August 25, 1980 DIXIE Asphalt began work in the area of of the Turnpike that we are intrested in. They based thier operation at mile maker 126 on the access road where we were at the other day. The contract expired March 25, 1981, but Mr. Byron found that the access road was not closed for a long time after.

The company, DIXIE Asphalt, is no longer in operation but is now ADICO co. based out of Orlando. The president of the company is Jamie Badenock.

I attempted to get a telephone number from the Orlando area of the ADICO company with no luck.

Mr. Byron advised that the person that you need to speak to is Red Peck who was the supervisor of the job. Mr. Byron could give no leads on how to get a hold of Peck.

On Monday, August 10, 1981 at 20:15 p.m., this R.O. was notified by Dispatcher Dave Weckerle that there was a body of a young white male in a canal at the #130 mile marker on the Florida Turnpike, south of Fort Drum Service Plaza. This R.O. responded and arrived at the scene at 20:52 p.m. This R.O. was met by FHP Troopers Medlock and Weaver, who showed me the location of the Walsh remains.

This R.O. observed the head of what appeared to be that of a young, white male floating in a drainage canal located approximately 75 yards east of the #130 mile marker and approximately 25 yards north of the established road edge of S.R. 91 (Florida's Turnpike). This R.O. then interviewed Robert Hughes and Vernon Bailey. They advised me that they arrived at the previously described location at approximately 18:45 p.m. to go fishing. They were standing on the canal bank approximately 100 feet north of where the head was floating. They advised they could see something floating in the water and thought it was a doll's head. They put a boat in the water and rowed over to it and discovered it was a human head. They rowed back to their truck and called their office by radio; advised them what they had found and requested FHP to be notified. Trooper Medlock arrived at the scene at 19:20 p.m., followed by Trooper Weaver at 19:33 p.m. At approximately 22:00 p.m. I.D. Officers Fitzgerald and McPherson arrived, along with the Vero Beach Fire Department Rescue Team and Floyd Strunk Funeral Home. This R.O. instructed Fitzgerald and McPherson to photograph the scene. Photographs were taken at 22:11 p.m. The Fire Department searched the canals for other body parts, to no avail.

At 22:40 p.m., this R.O. advised Lt. Sid DuBose of what had occurred. DuBose arrived at the scene at 23:20 p.m. After viewing the remains, DuBose and this R.O. agreed that it appeared to be that of Adam Walsh.

At 00:10 a.m. the search was postponed until daylight, August 11, 1981. Floyd Strunk Funeral Home transported the remains to the Indian River Memorial Hospital Morgue. This R.O. and DuBose remained at the scene awaiting the arrival of Sgt. Naylor, Jim Gibbons, and Ron Young, all from the Hollywood Police Department. After their arrival at 01:18 a.m., this R.O. and DuBose escorted them to the morgue to view the remains. At 02:40 a.m. Dr. Franklin Cox examined the remains and at 02:48 a.m. announced that the head appeared to have been intentionally severed with an instrument, such as a meat cleaver.

At approximately 07:00 a.m., August 11, 1981, the search for physical evidence was resumed. After a three-day search by members of the Vero Beach Fire Department, Florida Highway Patrol, Indian River County Sheriff's Department and other law enforcement agencies, covering thirty-five miles of Florida's Turnpike from Yee Haw Junction south to St. Lucie County and back to Yee Haw Junction, with no additional body remains or physical evidence being discovered, the search was concluded on August 12, 1981 at 14:00 p.m. The investigation by this agency is continuing and will continue until the person or persons responsible for this heinous crime are apprehended and brought to justice.

Ibbbons, Detective  
ive Bureau

DATE August 13, 1981 FILE LA 81-136

SUBJECT Psychological Profile of Murderer  
of Adam Walsh

  
Cohen  
Advisor

REFERENCES Dr. Mark Reisner, Psychologist  
Los Angeles Police Department  
Telephone: 213-485-2620

above date, I had a conversation with a Dr. Mark Reisner,  
the three psychologists employed by the Los Angeles  
Department. Reisner offered the following psychological  
e of the type of person capable of abducting, murdering  
capitating Adam Walsh. Reisner stated that a profile  
only be of a general nature due to a lack of physical  
ce.

SEX: Male

AGE: 19-35 years of age, probably in his  
early to late twenties

RACE: Caucasian or Latin. Expressed the  
opinion that this type of conduct  
not generally inter-racial.

MENTAL STATUS: Borderline psychopathic/psychotic  
personality with a tremendous  
homosexual conflict expressed in  
violence and rage. Probably a "loner"  
and not liked by many people. Individual  
unlikely to brag or talk about this act.  
Unlikely that he will exhibit any remorse  
or guilt over act or confess to the  
abduction or murder.

EDUCATIONAL  
BACKGROUND: Little formal education. Lower socio-  
economic background.

OCCUPATIONAL  
SKILLS: Probably has held many unskilled or  
minimally skilled laboring jobs.

SOCIAL RELATIONS: Identifies with and is attracted to  
children. May sometimes work with  
children. Poor relationships with  
both females and males.

Jim Gibbons, Detective  
Detective Bureau

August 13, 1981

CRIMINAL HISTORY: Almost certainly has abducted or attempted to abduct a child in the past. Almost certainly has sexually assaulted a child in the past. Very likely that he has been arrested and imprisoned for such acts.

Reisner stated that the decapitation indicated that there had been sexual conduct with the boy.

Further, that after the abduction, the individual would seek an isolated environment, and that the individual would maintain control over the boy by employing both deception and physical force.

On Monday 7-27-81 at approximately 1230 hrs. Adam Walsh was kidnaped from the Sears Mall located in the city of Hollywood. From the time the child was kidnaped the family or the police department did not receive any demands for a ransom.

On Monday 8-10-81 the severed head of Adam Walsh was discovered by two fishermen at mile marker #131 on the Florida Turnpike, Indian River County.

Dr. RONALD WRIGHT, Broward County Medical Examiner, advised that his investigation indicates that the head was severed by either a Machete or a meat cleaver with a blade length of at least five (5) inches or more.

On Wednesday, August, 19th, 1981 Madison County Sheriff Department arrested a W/M, MICHAEL PATRICK KELLY for DUI, and in his possession he had a attached Machete. KELLY had advised he had information that this Machete was possibly involved in this investigation.

Request that you attempt to determine if this blade has human blood on it or rust.

Also examine the accompanying blue denim trousers for human blood.

FROM: Det. J. Hoffman

REFERENCES:

This detective received a telephone call on 10/24/88 from Sgt. Richard Scheff of the Broward County Sheriff's Department.

The nature of this call pertained to the recent trip to Ralford Prison by Sgt. Scheff and Sgt. Fantagrassi.

During the week of 10/17/88, Sgt. Scheff and Sgt. Fantagrassi went to Ralford Prison to conduct an interview with prisoner, Gerard J. Schaffer. Mr. Schaffer recently wrote letters to various police departments, including the Broward Sheriff's Department. In these letters, Schaffer states that he is a cellmate of Ottis Toole and also does legal appeals for fellow inmates.

Mr. Schaffer tells how Ottis Toole has spoken to him frequently about the Adam Walsh Murder. Mr. Schaffer believes that Toole is telling him the truth. Toole also gave Schaffer a hand written confession to the Walsh Murder.

According to Sgt. Scheff, after interviewing Schaffer, it is his opinion that Schaffer is strictly interested in this matter because he thinks he would be entitled to the reward money offered by the Walsh Family. Schaffer believes the reward money is in excess of \$100,000.00.

Gerald Schaffer informed Sgt. Scheff that he represents Ottis Toole in all further matters. Schaffer stated he must be present at all interviews conducted with Ottis Toole in the future. Should Otis Toole be taken out on location, Mr. Schaffer indicates that he must accompany Toole and the Law Enforcement Agency.

Gerald Schaffer informed Sgt. Scheff that Ottis Toole told him that he used a bayonet to commit the Walsh Murder. This bayonet was taken from Ottis Toole's sister's residence in Jacksonville.

Sgt. Scheff and Sgt. Fantagrassi proceeded to locate Toole's sister. Upon doing this, Toole's sister was interviewed by these detectives. Toole's sister informed Sgt. Scheff that she had obtained the bayonet in question in 1979. This bayonet has been hanging on her mantle since the year she obtained it. According to her, if Ottis would have taken this bayonet she would have been fully aware of it.

681

She assured the detectives that the bayonet has never left her residence.

Ottis Toole's sister agreed to cooperate by furnishing the bayonet to the Sheriff's Department to be forwarded to the Crime Lab.

It is the opinion of Sgt. Scheff and Sgt. Fantagrassi that Gerard J. Scheffer is interested in this matter strictly for his own personal benefits. There is no evidence at this time to link Ottis Toole to the Walsh Murder.

It should be noted that Detective Dunbar was also present and we attempted to tape this call, however only the undersigned voice came through <sup>available</sup> ~~strong~~

The subject Kelly sounded afraid of Moran, vague at times however appear to have several facts concerning the incident and subject Moran which could be checked, as well as knowledgeable. He did not sound to be intoxicated and did not slur speech.

He appeared at times to be evasive and <sup>did</sup> imply facts <sup>with knowledge</sup> without being specific. He was very fearful of Moran and appear to be withholding information.

At this time the phone was returned to Deputy Respress. Respress described the subject Kelly as matching the recent composite. Respress advised that he had notified Kelly's father (Charles) at 305-452-5179. Kelly's father gave Respress some information concerning subject Moran which seems to further give weight to this. Respress advised that the machete would be held in evidence to further investigate also that <sup>Hollywood investigators</sup> ~~we~~ were interested in this subject.

( It should be further noted that Kelly stated his brother was shown the machete to see if blood was on it. )

At this time he notified Sgt JB Smith at his residence of this new information, as well as the previous call on 8-15-81

INTER-OFFICE MEMORANDUM

DATE: 8-21-81

SUBJECT

FROM: Det. J. Hoffman #0038

RE: ADAM WALSH HOMICIDE  
81-56073

On Monday 7-27-81 at approximately 1230 hrs. Adam Walsh was kidnaped from the Sears Mall located in the city of Hollywood. From the time the child was kidnaped the family or the police department did not receive any demands for a ransom.

On Monday 8-10-81 the severed head of Adam Walsh was discovered by two fishermen at mile marker #131 on the Florida Turnpike, Indian River County.

Dr. RONALD WRIGHT, Broward County Medical Examiner, advised that his investigation indicates that the head was severed by either a Machete or a meat cleaver with a blade length of at least five (5) inches or more.

On Wednesday, August, 19th, 1981 Madison County Sheriff Department arrested a W/M, MICHAEL PATRICK KELLY for DUI, and in his possession he had an attached Machete. KELLY had advised he had information that this Machete was possibly involved in this investigation.

Request that you attempt to determine if this blade has human blood on it or rust.

Also examine the accompanying blue denim trousers for human blood.

POLYGRAPH EXAMINATION REPORT

TO: DET. JACK HOFFMAN, Homicide Division, Hollywood Police Dept.

FROM: CARL J. LORD  
INVESTIGATOR/POLYGRAPH EXAMINER

DATE: September 15, 1981

SUBJECT: Reve D. Walsh

CLASSIFICATION: Suspect - Case No. 81-56703

Please be advised that the above named subject voluntarily submitted to a polygraph examination in order to determine her truthfulness concerning her contentions with regard to the above captioned case.

The purpose of the examination was to determine whether or not the subject was telling the truth when she claimed that she had no guilty knowledge of, nor had she participated in the murder of her son, Adam, sometime between July 27th and August 10, 1981.

The facts concerning this case were provided the examiner by Det. Ron Hickman and Det. Jack Hoffman of the Homicide Division of the Hollywood Police Dept.

The examination was conducted by the undersigned on September 14, 1981 in the Capital Crimes Division of the State Attorney's Office, Room 610, Broward County Courthouse.

The examination was monitored in its entirety by Dets. Hoffman and Hickman.

Before her pre-test interview, the subject executed a consent waiver and stipulation agreement. Both executed forms have been incorporated as part of this examiner's case file.

During the pre-test interview, data was collected by the examiner concerning the subject's personal history, arrest record, educational history, as well as the subject's medical, physical and psychological background. All the above described data is contained within the examiner's worksheet.

After determining the subject's sensitivity levels this examiner conducted a peak-of-tension test in order to determine the subject's suitability for testing. Results of the aforementioned test indicated that the subject was indeed testable, as the examiner could determine truth from deception on the subject's polygrams.

Continuing on with the pre-test interview, the subject stated, that on July 27, 1981 she took her son to Sears and left him in the toy department. Upon returning to the toy department, she found him missing and to this date has not seen him alive.

She reiterated that she neither participated in or had actual knowledge of who committed the murder of her son.

Following the pre-test interview and a thorough review of the questions to be used on the examination, the following pertinent test questions were propounded to the subject during the course of the test:

No. 20      Regarding the murder of Adam, do you intend to lie to any question about that?

Ans.        No.

No. 23      Do you know for sure who murdered your son?

Ans.        No

No. 25      Did you, yourself, cause the death of your son?

Ans.        No.

00091

No. 28 Did you help anyone murder Adam Walsh?

Ans. No.

No. 29 Did you see Adam Walsh die?

Ans. No.

In the examiner's opinion, the subject's responses on her polygrams indicated no significant deception to any of the above listed test questions which were propounded during the course of several individual examinations incorporating the military general question test and "You" phase test.

It is further the opinion of this examiner, based upon the subject's polygraph examination that the subject was telling the truth and had no guilty knowledge of, nor participated in the murder of her son.

Respectfully submitted,

*Carl J. Lord*

Avenue and Johnson Street. After pulling into the driveway at the school, TERRY O'BRIGHT then advised MRS. CONLEY that a white van which was at the red light at 72nd Avenue and Johnson appeared to look exactly like that which was involved in the sex offense. MRS. CONLEY then followed this vehicle to a residence at 7271 McArthur Parkway and wrote down the following tag which was on the white van: 76 Florida 10GK-41129. The operator of this vehicle was a:

W/M, approximately 40 years of age, medium length brown hair, wearing a white T shirt and smoking a pipe.

MRS. CONLEY then departed the area and dropped the children off at the school where the offense was then related to an employee of the City of Hollywood Recreation Department who in turn contacted this agency to make a report.

The undersigned then proceeded to the residence at 7271 McArthur Parkway and made contact with the owner of said vehicle:

W/M. RICHARD FRANCIS GIBBONS SR., DOB 11/17/25, of 6115 Lincoln Street, Hollywood, Florida (989-8128).

MR. GIBBONS SR. was apprised of the investigation that was being conducted by this agency and was requested to come to Police Headquarters so that a further investigation into this incident could be conducted.

Thursday, July 15, 1976 -- 1325 Hours

The undersigned arrived at Headquarters and upon doing so MR. GIBBONS was apprised of his constitutional rights on a Departmental Rights Waiver Form and agreed to talk about the incident. It should be reflected in this report that MR. GIBBONS advised that he had no knowledge of this incident and denied being

involved in any way. MR. GIBBONS allowed the undersigned to, at this point, take a photograph of himself and his van. MR. GIBBONS was then allowed to depart from Police Headquarters.

Thursday, July 15, 1976 -- 1400 Hours

At this time the undersigned investigator then proceeded to 7511 Taylor Street and made contact with the victims of this offense. They were briefly interviewed and it was learned that after the incident occurred they returned to their neighbor's house and drove throughout the neighborhood in attempts of locating the vehicle. Upon arriving at the elementary school, TERRY O'BRIGHT observed what appeared to be the suspect vehicle and this is how the tag was obtained leading to assigned to MR. GIBBONS SR. It should be further noted that the van belonging to MR. GIBBONS appeared to be the same but it is unknown whether or not it was that observed in the earlier sex offense.

TERRY O'BRIGHT and ROBIN O'BRIGHT were then afforded the opportunity to view the departmental sex photo album but they were unable to identify anyone involved in the sex offense. It should also be noted that the undersigned feels that the vehicle belonging to MR. GIBBONS appears to be the same description as that used in the offense, but MR. GIBBONS does not fit the physical description related to the undersigned by the victims. Due to this circumstance, this case will be held in abeyance until such time as new investigative leads are obtained.

AT THIS TIME THE OCCUPANT/DRIVER PROCEEDED EAST BOUND ON THE SOUTH SIDE OF THE SCHOOL. OFFICER O'BRIEN, WHO WAS ON THE EAST SIDE OF THE SCHOOL, ALSO OBSERVED THE DEFENDANT (DAVENPORT) DRIVING AWAY FROM THE SOUTH SIDE OF THE BUILDING AT A HIGH RATE OF SPEED AND BOTH DETECTIVE BILL AND OFFICER O'BRIEN CHASED THE DEFENDANT ATTEMPTING TO HAVE THE DEFENDANT PULL HIS VEHICLE TO THE SIDE OF THE ROAD. BOTH OFFICERS UTILIZED THE BLUE LIGHTS ON THEIR POLICE UNITS, HOWEVER THE DEFENDANT REFUSED TO STOP HIS VEHICLE. DETECTIVE BILL THEN PASSED THE DEFENDANT'S VEHICLE, PULLED IN FRONT OF THE DEFENDANT'S VEHICLE, COMING TO A GRADUAL STOP, THUS FORCING THE DEFENDANT AND VEHICLE TO STOP. BOTH OFFICERS APPROACHED THE DEFENDANT AND VEHICLE AND AGAIN IDENTIFIED THEMSELVES.

AT THIS TIME THE DEFENDANT (DAVENPORT) WAS REQUESTED TO EXIT HIS VEHICLE, WHICH HE DID, AND HE WAS IMMEDIATELY PLACED UNDER ARREST FOR OBSTRUCTING AN OFFICER IN THE PERFORMANCE OF HIS DUTIES. THE DEFENDANT (DAVENPORT) WAS IMMEDIATELY ADVISED OF HIS RIGHTS, WHICH HE ACKNOWLEDGED THAT HE UNDERSTOOD, BY OFFICER O'BRIEN.

AT THIS TIME OFFICERS OBSERVED THAT THE INTERIOR OF THE DEFENDANT'S VEHICLE WAS SIMILAR TO THAT DESCRIBED BY THE VICTIMS OF THE SEX OFFENSES.

WHO STATED THE VEHICLE HAD A RED COLORED CARPET INSIDE. THE VEHICLE IN QUESTION ALSO HAD A MOTORCYCLE IN THE REAR SECTION. AT THIS TIME OFFICERS FELT THAT THIS WAS IN FACT THE SAME SUSPECT INVOLVED IN THE SEX OFFENSES. HOWEVER HE WAS TRANSPORTED TO THE POLICE DEPARTMENT TO BE BOOKED FOR THE OBSTRUCTION CHARGE, AND SO THAT A MORE COMPLETE INVESTIGATION COULD BE MADE CONCERNING THE SEX OFFENSES.

SOME OF THE VICTIMS OF THE SEX OFFENSES RESPONDED TO THE POLICE DEPARTMENT AND POSITIVELY IDENTIFIED THE DEFENDANT (DAVENPORT) IN A PHOTO LINE UP. THE VEHICLE DRIVEN BY THE DEFENDANT WAS ALSO POSITIVELY IDENTIFIED BY THE VICTIMS. THE DEFENDANT WAS SUBSEQUENTLY CHARGED WITH 4 COUNTS OF LEWD AND LUSCIVIOUS, OR INDECENT ACTS IN PRESENCE OF CHILD, ALL SECOND DEGREE FELONIES, FSS 800.04.

WHILE INVENTORING THE DEFENDANT, OFFICERS LOCATED MISCELLANEOUS CLOTHING, FOOD, JEWELRY, AND MONEY. THE INTERIOR OF THE VEHICLE WAS INCOMPLETE DISARRAY AND WHILE INVENTORING SAME VEHICLE, OFFICERS LOCATED 52 ROLLS OF QUARTERS, 2 ROLLS OF NICKELS, 5 QUARTERS, 2 DIMES, ONE NICKEL, SEVEN PENNIES, 11 20 DOLLAR BILLS, AND 4 FIVE DOLLAR BILLS, IN A YELLOW COLORED SUITCASE. TOTAL VALUE \$765.57. OFFICERS ALSO LOCATED A CLEAR PLASTIC BAG CONTAINING MISCELLANEOUS JEWELRY IN A BLUE SUITCASE. THE JEWELRY CONSISTED OF: 4 GOLD WATCHES, TWO GOLD CHAINS (ONE BROKEN), 13 SETS OF CUFFLINKS, ONE SINGLE CUFFLINK, 4 TIE CLIPS, 5 TIE PINS, 1 RING, 1 MONEY CLIP, 1 ARIES COIN, 1 CIGARETTE LIGHTER. ALSO LOCATED IN THE VEHICLE WAS ONE BUCK TYPE KNIFE, WHICH WAS LOCATED IN A LOCKED POSITION (OPEN) IN THE CASE ATTACHED TO THE VEHICLE STEERING COLUMN, ONE KODAK AND ONE YASHICA CAMERA.

IT APPEARED THAT THE JEWELRY, MONEY, AND CAMERAS MAY HAVE BEEN TAKEN IN OTHER OFFENSES, THEREFORE SAME WAS PLACED INTO EVIDENCE PENDING FOLLOW UP INVESTIGATION BY THE DETECTIVE BUREAU.

- Q. Mr. Davenport on the date January 26, 1980, at approximately 4:30 in the afternoon, did you have occasion to be in the area of Cypress Elementary School here in the City of Pompano?
- A. Yes.
- Q. And at that time were you driving your Van?
- A. Yes.
- Q. What kind of Van is it again please?
- A. 1974 Ford Econoline.
- Q. Is it white in color?
- A. Yes.
- Q. It has two black lights mounted kind of like on the roof in the back?
- A. Yes.
- Q. Is there a motorcycle inside your van?
- A. Yes.
- Q. What other property do you have inside your van?
- A. All my personal belongings, clothing, home made bed, food.
- Q. At this time you do not really maintain a residence anywhere is that correct?
- A. That's correct.
- Q. And you've been kind of like vacationing down here in Florida and living out of your van?
- A. Yes.
- Q. Back to the date and time in question in the area of Cypress Elementary Did you have occasion to see two young boys playing the area of some rocks and stuff around the school?
- A. Yes.
- Q. And would you describe what actions you took in relation to these two kids, what happened over there by the school?
- A. I parked my Van on the opposite side of the street where they were playing and
- Q. Do you recall if you said anything to the kids?
- A. I never said a word to them.
- Q. Then what did you do?
- A. I just opened up the driver door, had my shorts, my cut off jeans or whatever you want to call them, had them down around by the ankles, but I just sat there and played with myself, knowing the kids were watching me. After I climaxed I just drove off.
- Q. Approximately how long did you stay in that position, do you.....
- A. I don't really know, five minutes or so.
- Q. If people would come by, like drive by or in that area, would you close the door, do you remember ever closing the door when people came by.
- A. Yes. There was one car that came by and I closed the door.
- Q. OK and then after a car would be gone or whatever you opened the door' back up and exposed your penis to these children?

- A. Yes.
- Q. You never touched these children in any way?  
A. Never touched them, never said a word to them.
- Q. You were aware however they were watching you and seeing what you were doing?  
A. Yes.
- Q. I know we discussed this in another statement uh... at the time that you were doing this, did you realize you were doing something that was wrong, immoral and actually against the law?  
A. Yes.
- Q. You stated prior that you've had this problem for approximately 20 years that you're aware of?  
A. Yes.
- Q. Again, in this statement do you feel that there is a way that you can be helped to rid yourself of this problem or quit doing this?  
A. I can only hope that through physiological examination and all this that somebody can help me.
- Q. Is there anything further you want to add in this statement? Again this is separate from the other one and may be read separately by somebody else, and anything you wish to say that you feel could be pertinent to this case or.....  
A. Well only that I feel bad for what I've done. I have strong guilt feelings, but it still doesn't prevent me from doing it.
- Q. Is there any doubt in your mind that if you wouldn't have been apprehended or caught by the police department that you would continue doing this?  
A. No doubt whatsoever.
- Q. We've discussed other cases same of that nature. Is there any occasion... I understand that you told us in this statement that you didn't touch these children or um... even talk to them in this case. But have you ever hurt anyone as far as this problem is concerned?  
A. Physically no, I don't know what harm psychologically that it may cause some of these kids.
- Q. And you feel bad when you are doing this?  
A. Yes. I only hope that the kids don't become affected by it the way I have. This is... this is the same thing that has happened to me when I was a kid and I think that's part of my problem.
- Q. Is that part of your guilt feeling that this happened to you when you were a kid and may have caused what happened now and you think that maybe you are doing it to these kids. Is that part of the guilt or what ever you want to call it.  
A. Yeah. I know what happened to me at the time it was a big joke but I feel that it has something to do with the problem that I've got now.
- Q. OK Mr. Davenport is there anything further that you want to add to this statement.  
A. I can't think of anything else.
- Q. Today when the Officer came up to you I understand that you were in the same park or the same area as when this thing that we were talking about had occurred. Is that correct?

- A. I was on the other side of the school but....
- Q. Same type, same area, general.
- A. Yeah.
- Q. When the Officer pulled up he was in a plain..unmarked<sup>CAR</sup> and tried to show you the badge or did show you his badge and to talk to you and try to get you to stop and you took off from that area what was the reasons that you left that area?
- A. When he pulled in he pulled in kind of fast around the front of my van. At the time I didn't know he was a Policeman, didn't see a badge. I didn't hear him say that he was a Policeman.
- Q. Did you hear him yelling to stop and things like that?
- A. What I heard was....I think I heard him saying Hay mister just as I was pulling away from the curb and put it bluntly, getting out of the area.
- Q. Why were you in such a hurry to get out of there when he pulled in?
- A. I thought he was probably a parent of one of the kids.
- Q. Is there any reason that you couldn't hear him call?
- A. I had the radio on in the van.
- Q. So even though he was showing identification or trying to you were more in a hurry to get out of there and were not paying a whole lot of attention I assume?
- A. Right. I deliberately avoided looking at him because I figure if I don't look at him he isn't going to get a good look at me. And I'll just leave.
- Q. And subsequent to that he pulled over in front of you and you saw the lights in the car and stuff like that. Is that correct?
- A. As I...I don't know where it was where I got pulled over or where I pulled off the road. As I started to turn, make a left hand turn I could hear him tooting the horn in back and that's when I looked behind me and I saw the blue light on the dash. And I pulled over.

Statement concluded, 8:32PM.

- A. Yes.
- Q. You are aware at this time that you are charged with this crime. Is that correct?
- A. Yes.
- Q. Or these crimes. Several (inaudible)
- A. ....
- Q. At approx 7PM myself and Detective Bill came here in this office here to speak with you and at that time Detective Bill advised you of your constitutional rights. Is that correct?
- A. Yes.
- Q. Did you understand your constitutional rights?
- A. Yes.
- Q. Did you sign a rights form and initial your answers to the questions or statements advised by Detective Bill?
- A. Yes
- Q. And is this the form here in front of you with your signature on it?
- A. Yes.
- Q. And since then we had a discussion, a verbal discussion of incidents here in the City of Pompano Beach. While we've been talking to you today is this conversation been voluntary on your part?
- A. Yes.
- Q. Have (you) forced you, or tricked you, or kicked you or done anything to you to have you speak with us?
- A. No.
- Q. Completely on your own?
- A. Yes.
- Q. I would like to draw your attention to the date January 19, 1980. It was

a Saturday, approx 6PM, which would have been 2 Saturdays ago. Not last Saturday a few days ago but the Saturday before that. Did you have occasion to be in the area of Cypress Creek Baptist Church which is located in our City at 101 SW 17 St, Pompano?

A. Yes.

Q. OK. Mr. Davenport what type of vehicle do you drive?

A. A 1974 Ford Van.

Q. What color is it?

A. White.

Q. And inside the van do you have more or less your belongings?

A. I've been living in the van.

Q. Is there a motorcycle in the back of the van to?

A. There is a motorcycle in there. Homemade bed. All my clothing.

Q. When you went to this area, of the Cypress Creek Baptist Church in the parking lot area were you in this van?

A. Yes.

Q. Did you observe several kids playing frisbee there or playing ip that area?

A. Yes.

Q. And on that date and on that time did ...during that time did you have occasion to play with these kids, uh..throw the frisbee around, or talk to them or have conversation with the kids?

A. Yes.

Q. Describe in your own words if you please Mr. Davenport what occurred there with those kids?

A. In my own words I um...I used an excuse to talk to them at first cause they were throwing stones in the Church yard and I went over and told them please don't do that because when they m-ow the lawn it will..the lawn mower will hit those stones and then when they saw that I wasn't mad because they had been throwing stones there was a rubber disc similiar to a frisbee. I started throwing that and uh...showing(thenus) them how to throw it so it would spin in the air, more or less to get any fear of me over and then I asked them, I said...I told them I have something that I would like to show them. I asked them if they would like to see it. They said yeah. I took them over to the van. While I was sitting in the passenger seat I let them look thru a book called Qui just to see what their reaction would be and when they seemed very interested in it I just opened up my pants and took out my penis and started playing with it in front of them. And one of the kids asked me, he said you want me to show you mine and I said I don't care and he pulled his pants down and uh...I don't know how long we were in the van, long enough so that I jacked off anyway and then I told them that I had to go.

Q. You came to a climax while the kids were there and stuff?

A. Yes. They left. They stepped out of the van and I got in the drivers seat and took off.

Q. How many kids were in the van?

A. How many?

Q. Yes?

A. Two of them were actually all the way in the van and uh...the third one was just..most of the time was standing on the ground looking in.

- Q. Did you touch any of the kids?  
A. Yes. The one that pulled his pants down/I played with his penis and he played with mine.
- Q. For approx how long?  
A. Oh, just maybe 15 seconds at the most.
- Q. Mr. Davenport I got a book here that we took out of your van today. Is this the same book that you showed these kids?  
A. Yes.
- Q. Kinda used to lure them into the van or whatever?  
A. Yes.
- Q. Can you advise approx how long you've had this problem?  
A. 20 years.
- Q. Anything else that you would like to add to this statement?  
A. I'd like to put it on record that I know that I need help. Psychiatric help. I'm sorry for what I have done. Every time that I do something like this I..I...it bothers me and yet it's a complusion with me.
- Q. At the time that you do this Mr. Davenport do you realize during this period of time that you are doing something that is wrong and against the law?  
A. Yes.
- Q. But you can't help yourself from doing it?  
A. I..I can't help myself from doing it. I can't. I've tried.
- Q. Do you feel that with proper help you could stop doing it?  
A. I don't know that there is anyway that I can be helped.

Statement concluded, 8:17PM.

- Q. He said look and what?
- A. He said, 'look' and I just looked cause I thought like like they said they only came unsnapped and then he said, uh, take them... he said like 'take down your pants' and I go...

- Q. You were kind of scared of the guy when he took his pants down?
- A. Yes, I was.
- Q. What was he... was he just, after he took his pants down, was he just sitting there normal or was he playing with his thing?
- A. He's like...
- Q. Touching it, touching himself? What do you call that thing, a pee pee? Or...
- A. Yeah I should know I have one.
- Q. That's what you...
- A. We call it p e e .
- Q. A pee pee? Okay, for record he's referring to a penis. And he was pl... he was touching himself and that's when he... that's when he asked you to take your pants down too?
- A. Before, after I (inaudible)
- Q. After you had taken your pants down he tried touching himself?
- A. Uh huh, like I sit there and he goes like... puts his head down, starts to suck it and I go I like I go... 'get off, stop, stop' and he goes 'why was I hurting you? I go 'yes' and he goes, 'oh, okay, I didn't mean to hurt you; I go, 'oh, uh huh', I just like pulled my pants up then and he goes I have to go, and I go like on my bike and he... well, I tried as I didn't want to take too much time, but I tried to ... I put me to drive, Denny... Time on the back and I tried to put Denny on the handle bars but I couldn't get him up so I said, well I just said like, 'you guys all ride...
- Q. Okay Hcky that's after that happened right,
- A. Uh huh.
- Q. While... look at me, now, when, after you had taken your pants down, he was sitting there he had his pants down too, right?
- A. Yes.

- Q. Lets go back to this just for a minute, I know you dont like to talk about it such, but you have to talk about it just for a second. Okay.
- A. Me neither.
- Q. Okay, we only have to talk to us about it one more time, real quick. He had his pants down and you had your down and he was touching himself or playing with himself right?
- A. Yes. Yes.
- Q. He... you're saying he bent over like or came by you and put your pee pee in his mouth?
- A. Yes... No, he put his mouth on my pee pee.
- Q. He put his mouth on your pee pee?
- A. Yeah.
- Q. And you say he started sucking on it?
- A. He started and I go, 'stop, stop' like that.
- Q. Did he do it very long or just for a minute or what?
- A. He did it like, it must have been like some seconds, he did it for a minute that's because ... that's because I wouldnt let him do it any longer cause I wet like stop stop and he... he did little ~~was~~ and I go 'stop' cause he thought someone would hear me or something and and (inaudible) yelled STOP.
- Q. Okay, so he did it for a little bit, right and then you told him to stop and he kept doing it a little bit more and you told him stop again and he stopped right?
- A. Yes.
- Q. But he did put his mouth on your pee pee and sucked on it right?
- A. Yes.
- Q. Did he say anything to you like why don't you try it or anything like that?
- A. Uh, yes he did.
- Q. Did... did he when he asked you to do it were you scared?
- A. Yes.
- Q. But did you do it for just a second?
- A. Yes, cause I... I didn't do for inutes but then I says like well things like...
- Q. You saw his face was kinda mean looking?
- A. Yeah, like, if you don't do I'm gonna beat you up or something like that, I just put a little tongue on it. Then all of a sudden this white stuff come out, like greenish or something.
- Q. Did any of that stuff get on you at all?
- A. No, I wasn't sitting by him.
- Q. Okay.
- A. My pants were up when that happened.
- Q. But he asks you to and got you to go over and touch his, you know, you touched your tongue to his pee pee?
- A. Yeah, I just did it for a minute.
- Q. Okay. And then after... and then you put your pants up?
- A. Yeah, but... a little earlier though.
- Q. A little earlier you put your pants up?
- A. Yeah.
- Q. After he'd... after he sucked on your pee pee?

808

- A. (inaudible)
- Q. He'd starting doing that?
- A. Yeah and he goes, like he didn't say like watch this and then I... (inaudible) like that and I...
- Q. Moving his hand up and down?
- A. Yeah.
- Q. Was he holding his pee pee in his hand?
- A. Yes.
- Q. And he was moving it up and down?
- A. Yeah, right.
- Q. Real fast?
- A. Like a shovel.
- Q. Yeah, and then what happened?
- A. ...
- Q. Then what happened?
- A. Like then all of a sudden this white stuff came out and I heard like, ... like that...
- Q. What's that noise, he made that noise?
- A. Yeah, like it had... like there was like stuff squirting out and it was white and I go 'sick' and Denny went Sick and Tim went sick then my pants were up like and he grabbed the tissues and he wiped it off and like... and like a little garbage can you know, I wasn't standing by it, it didn't... like almost hit me, I was out of the truck when it happened, like I had lik on the side, then he said, you're chicken I went... (inaudible)
- Q. He said what?
- A. I... I... like I just went... like I got out of the truck cause I thought he was gonna thr / it at me....
- Q. I see but he didn't throw it at you did he?
- A. No, he shot it in the garbage can.

- A. Then he said I had to go.
- Q. That's when he left?
- A. Yes.
- Q. And you... and then that's when you and your friends left, right?
- A. Yes, that's when I tried to get them on the handle bars, I didn't want to hurt them so I say it wouldn't be fair to have one on the back the other wasn't on so I just said, you both run, I'll ride slow.
- Q. Okay Did you go home then?
- A. Then...

Gentlemen: \_\_\_\_\_

I want to give you possible help in catching the murderer of a little boy in Vero Beach. Though I do not have first hand information, the source that told me is authoritative enough that I feel I must speak out in case some other child's life is in danger.

I was told that there is a young man whose name is Toby. I don't know the last name. He attends from time to time the group called Acceptance that meets at a local church. It is a homosexual group learning to live with society and themselves. They used to meet at the Episcopal church in WPB.

This Toby I was told likes molesting young boys. He drives a blue van or at least did, likely he had it painted, and curiously, he was away so I was told for three days right at the time the lad was killed. He told my source that he was "north" for those days. My source is confident that this Toby may well have killed this child. The killer had a blue van.

I don't know Toby ~~XXXXXXXXXXXX~~ last name or address but I understand that he lives in a three or four story building on the side street that Saint Edwards rectory is on in PB. He, I understand lives on the top floor.

I pray to God that I am wrong, but if I am right I hope to God also that he hasn't killed others.

I hope his note helps.

A citizen.

DOB

9/23/81 at approximately 9:15am, I received a letter and envelope  
Torlizzese for the purpose of obtaining possible latent prints from  
I processed these items for possible latent fingerprints with  
Cydrin, which reacts to amino acids present in perspiration.  
approximately 9:30am, I examined two partial latent prints  
developed on the letter, and compared them with the standard  
fingerprints of Chief Torlizzese and his secretary, Marian Crook, the  
persons handling the letter. It is my opinion that the two  
latent prints obtained do not match the inked impressions of Chief  
Secretary Crook. It should be noted that the two partial  
prints obtained are of questionable value, as they contain only  
points of identification. (approximately) Other partial  
prints if develop on the letter, however they were of no value as  
they contain any ridge detail. The envelope itself was not compared  
as it was handled by U.S. mail employees and possibly by other  
persons prior to its delivery at police headquarters. It will be  
in the event a suspect is identified, for comparison purposes at  
photographs of the envelope, letter, and latent fingerprints  
submitted to this officer.

Thursday September 24, 1981 @ 10:00 AM:

Sgt. Croft and I arrived at Mr. Hanna's residence and obtained the following information. He advised that he had met the subject known as Toby approximately ten months ago at a group meeting. Mr. Hanna stated he had heard of the group known as Acceptance but he was not a member. Mr. Hanna advised a subject known as Charles Beck belongs to Acceptance and may have additional information. Beck is employed as a butler by some family in Palm Beach.

Mr. Hanna stated that the name Toby is a pen name and the subject using that name is a poet. Hanna does not know the subject's real name. Hanna stated that Toby lives in Palm Beach, address unknown and supposedly drives a older white van, year and make unknown.

Mr. Hanna stated that Toby generally makes all the meetings generally being held by the Live and Let Live Organization and he is expected to attend tonight's meeting.

Hanna will attempt to obtain additional information pertinent to Toby and he will contact me.

Friday, September 25, 1981 at 9:10 AM:

I received a phone call from Hanna requesting I meet with him at the park at U.S.1 and Park Avenue in Lake Park,

9:40 AM:

I arrived at the above-mentioned park and I met with Hanna who related the following information. After Sgt. Croft and I left him yesterday, he gave a lot of thought as to why we were interested in Toby and he went to church this morning to seek God's guidance as to what he should do. Mr. Hanna asked me if we were looking for Toby because of the incident

831

September 28, 1981

that happened several months ago where the little boy was kidnapped and then they located his head somewhere north of here. I advised Hanna we received information that Toby might be involved in that offense and we are investigating that possibility.

Mr. Hanna advised that he recalls seeing the photograph of the suspect on television and it closely resembled Toby. It should be noted at this time the photograph Mr. Hanna referred to probably the composite likeness that Hollywood Police Department broadcast. Mr. Hanna advised several days after seeing the photograph he had coffee with Toby and mentioned the photograph to him and advised him that if he had anything to do with it, he should contact the police department. Mr. Hanna stated that Toby said, "That's not me", and would not discuss the matter any further.

Mr. Hanna stated he was wrong when he stated Toby had a white van and he stated it is a blue van and he believes it has windows on the rear doors. Hanna advised the tag on Toby's van is POET and he has had the tag for the past four or five months.

Hanna described Toby as 5'7", to 5'8", 170-175 lbs. light complexion, curly blonde hair, small mustache, smooth complexion, 25-30 years of age, speaks with a New England accent and dresses in ivy league style.

Toby is self-employed and sells threads. Hanna is unsure if Toby sells material, clothes or anything similar.

Mr. Hanna has not seen Toby for two weeks and believes he is presently at some sort of retreat at an unknown location. Hanna further stated he believes that Toby at one time had a business in Massachusetts under the name of TOBY T.

Mr. Hanna was unable to supply the correct name of Toby and advised he

lives in Palm Beach in a three story house location is unknown. Hanna is going to attempt to obtain additional information pertinent to Toby and then will contact me.

Mr. Hanna advised the reason he is supplying information on Toby is that if he is involved in this offense he should receive some sort of medical help and if he is not involved he should have all suspicion erased.

12:10 PM:

A record's check on Florida tag POET shows it is registered to George Nicholas, 612 NW 12th Avenue, Miami, Florida on a 1959 four-door Rolls Royce, phone number obtained from directory assistance for Nicholas is 324-5557.

1:45 PM:

I attempted to contact Nicholas at the above-mentioned phone number and I was unable to make contact with him, message was left for Nicholas to contact me at his earliest convenience.

2:10 PM:

I phoned Miss Alice Walsh, Division of Corporation, Secretary of Commonwealth, Boston, Mass. 617-727-2850 and was advised there is no corporation known as TOBY T. Miss Walsh advised the company might not have been licensed through the State but could possibly have been licensed through a Town or City and not incorporated through the State.

2:30 PM:

A check through our electricior showed a Charles Beck employed at the Dreitzer residence at the Palm Beach Towers. I attempted to contact Mr. Beck, 655-2318 and was informed all calls were being taken at 212-752-1197.

2:50 PM:

I phoned Mr. Beck at the above New York phone number and was informed he had met subject Toby at an Acceptance Meeting and the last time he saw him was sometime in the Spring at Howard Johnsons Restaurant in West Palm Beach, Florida and Mr. Beck believes that Toby was driving an older VW van red and white in color. Beck could not supply any additional information pertinent to Toby and stated that the group Acceptance is supposed to be an anonymous group and therefore would not give any additional information.

3:40 PM:

I phoned Mr. Nichols 324-5557 and was informed that he does not know anyone named Toby and the tag Poet is still attached to his vehicle. Mr. Nicholas could not supply any additional information which would assist in this investigation.

Monday, September 28, 1981:

A phone message was received showing Mr. Hanna had phoned this department on Saturday 9-26-81 at approximately 3:30 AM advising the tag on Toby's vehicle is a green tag with white letters and is possibly a Connecticut tag.

A record's check of Connecticut tag POET shows it is registered to David M. Schwartz, 68 Binney Lane, Old Greenwich, Conn. on a 1974 Triumph Spitfire convertible.

11:00 AM:

I phoned Mr. Hanna, 844-7854 and attempted to obtain additional information pertinent to the tag Poet. Hanna stated he is sure the tag is green with white letters.

RE: SPECIFIC POLYGRAPH REPORT

SUBJECT: MARY E. GREEN

DATE OF BIRTH: NOVEMBER 6, 1952

SOCIAL SECURITY #: 267-06-8022

DATE OF TEST: SEPTEMBER 30, 1981

TIME OF TEST: 11:30 A.M. - 1:30 P.M.

DATE OF REPORT: OCTOBER 2, 1981

On the above indicated date and time a specific polygraph examination was administered to one, Mary E. Green.

The purpose of the examination was to determine if the subject was involved in or had any knowledge of the abduction and murder of Adam Walsh between Monday, July 27, 1981, and Monday, August 10, 1981. The abduction occurred at Sears-Roebuck store in Hollywood, Florida.

Information available indicates that an informer reported to the Sheriff's Department that the above named subject had told him that she and three other persons, Frank Godderas, Fran Mullins, and Pearly had abducted the Walsh boy and that Godderas had killed the boy in the presence of the others, and also present at the time of the murder was a man by the name of Tom.

Prior to the examination the subject signed a form giving her permission for the examination to be conducted. This executed form is being incorporated as a part of our company files.

The subject willingly participated in the examination and was interviewed in a private room. During the examination standard polygraph procedures were adhered to and a C. E. Stoelting, Ultra-scribe, Model 80445 instrument was utilized, which is designed to indicate and record changes in blood pressure, rate and strength of pulse beat respiratory patterns, and changes in galvanic skin resistance.

850

During the pre-test interview the subject stated in essence as follows: She has no personal knowledge of the Walsh abduction and murder, other than what she has read in the papers and seen on television and that she has never told anyone anything such as is alleged. She states that she is acquainted with Frank Godderas, Fran Mullins, and a man named Pearly, but does not remember anyone of that group called Tom. She denies being in the Hollywood, Florida, area during the month of July, 1981.

Following the pre-test interview and a thorough review of the questions to be used during the first polygraph examination the test was conducted.

In addition to the routine test questions the following relevant questions were propounded to the subject during the course of the examination:

2. Regarding whether or not you were involved in the abduction of Adam Walsh on Monday, July 27, 1981, - Do you intend to answer truthfully each question about? Answer-Yes.

4. On Monday, July 27, 1981, were you involved in the abduction of Adam Walsh from Sears store in Hollywood, Florida? Answer-No.

6. Did you participate in any way, in the abduction of Adam Walsh, on July 27, 1981? Answer-No.

7. At the very time Adam Walsh was abducted, were you present at Sears store in Hollywood, Florida? Answer-No.

8. Could you show me where the body of Adam Walsh was disposed of? Answer-No.

11. Did you tell anyone that you, Frank, Fran, Tom, and Pearly were involved in the abduction of Adam Walsh? Answer-No.

9. Regarding whether or not you were involved in the abduction of Adam Walsh on Monday, July 27, 1981, have you answered truthfully each question about that? Answer-Yes.

Following this examination and a thorough review and analysis of the polygraph charts it was the opinion of the examiner that there were no unresolved responses noted on the polygraph charts that were indicative of deception.

Following a thorough review of the questions to be used during the second polygraph examination the second examination was conducted.

In addition to the routine test questions the following relevant questions were propounded to the subject during the course of the examination:

2. Regarding whether or not you were involved in the death of Adam Walsh - Do you intend to answer truthfully each question about that? Answer-Yes.

4. Were you in anyway involved in the death of Adam Walsh in July, 1981? Answer-No.

6. Were you present when Adam Walsh was killed? Answer-No.

7. Do you know for sure who killed Adam Walsh? Answer-No.

9. Regarding whether or not you were involved in the death of Adam Walsh - Have you answered truthfully each question about that? Answer-Yes.

Following this examination and a thorough review and analysis of the polygraph charts it was the opinion of the examiner that there were no unresolved responses noted on the polygraph charts that were indicative of deception.

Based on these findings and the findings of the first polygraph examination it is the opinion of the examiner that the subject may be considered as having been truthful in her answers to the questions on both examinations.

INTERVIEW WITH JAMES CAMPBELL,

denies being upset with REVE' to  
the point of NOT taking ADAM with  
him.

Appears upset, is somewhat irritated without  
saying so.

says he can't explain comment re:  
the bond between Jim and REVE' concerning  
ADAM. made during first interview with  
MATHIAS.

mentioned that all his values feel  
flushed. This is due to death of ADAM, he  
hasn't been in court since the abduction.  
used to swim everyday, drives around  
schools - avoiding them.

now admits to having been pissed upset.

admits that his father liked Jim best,  
first denied any problem.

Jim thinks the person who took ADAM probably  
knew him well enough to talk him out  
of the "Mall".

Jim got to WALSH'S around 7:30 P.M. to 10 P.M.,  
from his residence. Had a cup of tea. Had  
gone to WALSH'S to go with REVE to renew  
their DL'S. LEFT around 10-10:15 P.M.

Had been out with ADAM the night before  
to a movie on commercial E. of I-95, to  
see a surfing movie & dinner. LEFT  
around 7:30 P.M., AT AN ICE CREAM  
shop close to the movie. THE movie was  
from 8-10 P.M. Jim drank 2 beers at  
the movie, Budweiser.

USED HIS SISTER'S 1970 olds cutlass blue.

RETURNED home around midnight. Also  
went to a "chicken wing" restaurant No. 6F  
commercial on No. 601. Jim had a draft  
beer.

was at REVE' for 1/2 hr REVE' asked Jim  
to take ADAM to the beach. Jim declined,  
because he was going to do a promotional  
film for the hotel, "GOLDEN STRAND".

Jim moved out of WALSH'S 2 WKS prior  
to incident. Lived in several locations:  
RONAHAN'S - HIS PARENTS, OR AT THE CABANA,  
AND AT THE LAPADOMA BAY MOTEL. CALLS IT  
SUCKEE MOTEL.

Had his clothes at various locations.

ADAM fell asleep in the back seat before  
they arrived back at WALSH'S. 7-26-81.

Jim says he and ADAM had planned to go  
to the DANIA pier.

Jim says he was contacted by JOE WALSH  
around 3:00 AM, 7-27-81

Jim had gone to the T-BIRD MOTEL during  
hours of 10:00 AM - 2:00 AM.

Due to the weather being overly windy Jim  
did not take any of the regular sail boats  
out, but did take a wind surfer out, 2:30-  
4:00 PM.

Lewis, at GOLDEN STRAND, was asked by  
Jim to put the boats & equip. away.

Jim says he was going to call Lewis that  
around noon and tell Lewis he had  
changed his mind. CAN'T REMEMBER IF HE  
ACTUALLY CALLED.

(3)

JIM THINKS ADAM WAS CLOSER TO HIS MOTHER THAN HIS FATHER.

WHEN JIM LIVED AT THE HOUSE, ADAM WAS IN BED BY 8 P.M. JIM ADVISES HE WAS MORE STRICT THAN REVE OR JOHN. WITH ADAM.

JIM TOOK ADAM OUT QUITE FREQUENTLY. JIM USED TO TAKE ADAM TO SCHOOL AND REVE WOULD PICK HIM UP.

IT WOULD BE UNCOMMON FOR JIM TO PICK ADAM UP AT SCHOOL WITHOUT TELLING REVE, AND ON OCCASION ATTENDED AT THE SCHOOL AT THE SAME TIME.

PUNISHMENT FOR ADAM WOULD BE A STERN VOICE. STATES THAT ON OCCASION JOHN WOULD COME HOME FROM WORK AND BE ADAM OFF.

SAYS ADAM WAS VERY OBSERVANT

JIM SAYS IT BETRAYS HIM WHY THE SUB. (S) DISMEMBERED THE BODY.

JIM BORROWED GORDON SHORTS MAY FOR 3 DAYS TO LOOK INTO FIELDS & WOODED AREAS. THE LONGEST PERIOD OF TIME HE WAS GONE WAS 4 HRS, BUT CALLED IN PERIODICALLY.

Q. Did he indicate that he had a difficult time dismembering the body? Or didn't he ever go into detail?

Q. Did he mention what kind of a camera he uses?  
 A. He didn't say.. but: I can/take all my own pictures, I develop them all myself.. all different types of 35 mm pictures..  
 Q. You develop at your place now  
 A. At my place here at Jo-Lin apartments. My friend's house.. he's a professional photographer. He's got all the chemicals and stuff I need to develop to make .  
 Q. These photographs that you viewed, they all depicted human beings, they weren't mannequins or..  
 A. No they were the real thing  
 Q. Is it possible the because of the grossness of the photograph that you wouldn't look at it long enough to determine if it was a mannequin or a human?  
 A. No, I looked at them. It's a human. If you look at a black and white photo..it's easy to take a black and white photo but a color photo it's almost impossible. A color photo is totally different. You can't get something to take the place of a color photo. No mannequin or whatever.. like I said, I develop them.  
 Q. Did this individual tell you anything about his background or what he used to do or how long he's been living in Hollywood?

Q. What color was the Pinto?

A canvas of the area revealed sightings of two foreign looking women walking in the area. All of the info gained seems to fit the MO of the gypsie scam known to be used in the S. Fla. area. A. And ah the ah, this person who I know now as Ronnie who?

Q. Wayne Carroll, what name did he go by?

A. I don't know that he went by any name, he pulled up in front of me in a car I don't know exactly what kind of a car, it was I think it was a tan or light beige or tan. And he got out of it, had a beer in his hand and he walked through an opening in the dunes, down towards the water and I got out of my car cause I was going down anyway and he was standing there, it was a very windy day, there had been surfers and sailor's, ah it's a spot where they sail and ah, ah, I'm very sure we started a conversation, it was something to do with the wind. He said I love it and ah I love boating and that I had spent my service up on the Great Lakes on a boat, everybody else in the Army was ah ashore but for some reason or another he had duty on the water.

Q. He indicated to you that he was in one of the armed services apparently?

A. Yes he did.

Q. Okay.

A. As a matter of fact he showed me an identification which ah and I, it's hard for me to see anything without my glasses.

Q. Why did he show you identification?

A. I don't know, I don't know. Oh I presume it was during our conversation about boats and it was, I could see in big black letters AS and then I couldn't see anything else on it I would have to put on my glasses.

Q. How much time did you spend at the beach (inaudible)

A. Oh probably ah an hour maybe.

Q. So that would make it approximately 6:30?

Q. Is it possible that he may have followed you without you knowing? He pointed out your house to us, told us how many cars you own, where they were parked.

A. He probably did go up but I never took him in. That's what confused me because on this Wednesday evening he accused me of making an engagement with him at the Young Circle and he said that he walked around in the rain and something and he was, got a cold or something and I told him that I had been at home with a bad sore throat and so no I did not meet him two or three I did not ever go there.

Q. So the next meeting was on Wednesday night?

A. The next meeting was on Wednesday night.

Q. Where'd that take place?

A. No.

Q. Did you ever pull a knife on him?

A. Good God no I don't even own one.

Q. Did he ever pull a knife on you?

A. He showed me a knife that he had. Now this, the one thing that disturbed me about this boy is that he is evidently afraid of violence on his person and he had, he had a knife, he asked me to get in his car and I was sitting in the passenger seat and he said something to me about you don't have any knives or guns or anything on you. What was a strange thing. I would certainly think...and then he said see I've got this knife and it was, I don't know I think a switch blade on it but and he took it out, the folding blade you know, and opened up the thing and put it in his glove compartment and then he, it was strange but I had the feeling that he thought I might be violent and I am the least violent of anybody you'll ever know, I hate violence.

Q. And you're....

A. And then he reached down and he said see I got this pipe and he reached down like this and you know it went up under my knee and I thought my God I better get out of here.

Q. What kind of pipe is it?

A. I don't know, I don't know, I couldn't see. It was dark then, I would think it was about this big around and he said it was a pipe.

Q. Did he said what he used it for?

know and he said "where are you going". He said well I'm going up here to the store to buy some ice cream and he said "well I'm going with you" and he said the kid opened the door and jumped in the car on his own. That what he said. He said he drove two or three blocks and he said not over here he said, I got no business with you in this car and he opened the door and he made the kid get out and when he made the kid get out, he went on and parked his car at his home and walked to the convenient or the 7-11 or which ever was closest by where he lived. I don't know exactly where he lived, he lived behind a bus station. I'm fairly acquainted with Pompano a little bit and he said when he come back, he had two bags of groceries in his hand and he said there was about 8 policemen there waiting for him and he got in jail and he don't know why and he's there and he don't know.

Q. Did he at one time tell you that that case was nothing to compared to one he was actually involved in?

A. No, he said he's always been doing these to kids. He said he'd always been good to kids. He said he's been divorced. He said he had a grandson two years old and a son 25 years old and he'd loved .. children and that he had molested no children.

Q. What did he actually tell you about killing a child?

A. He said the child threatened him because he was good to the kids. He said he had bought him Burger King and he had bought him ice cream and he bought him everything that ....the kid threatened him and he wanted money from him and then he said "I'm gonna have to do away with you boy" you know.
