Hollywood, Fla. 33021

Dear Detective Hoffman,

As requested in your telephone conversation today, attached are Timetables of Greyhound service which was in effect on July 24, 1981 between Newport News, VA and Jacksonville, Fla.

Passengers from Newport News to Jacksonville would normally be routed to Richmond (Timetable 140) and transfer in Richmond to a Jacksonville bus (Timetable 160).

I have included a pencilled recap of information extracted from Timetables 140 and 160 to show logical departure times from Newport News and connections in Richmond for Jacksonville. I have "highlighted" the corresponding times on the timetables.

Yours truly,

O. L. Dick
