We know that on July 27, 1981 Sarah the niece of Otis Toole was in prison. We know that on July 27, 1981 Frieda the niece of Otis Toole was with Lucas at Texas or dead by then. We know that on July 27, 1981 Vaughnnetta Toole Sypher was in the State of Florida. We know that on July 27, 1981 Howard Toole was at Daytona Beach Florida. Howard is the brother of Otis Toole and Vaughnnetta is the sister of Otis Toole. Now where the hell was Frank the nephew of Otis Toole on July 27, 1981? Was Frank at Ft. Lauderdale or was he with Otis Toole? I remember that at one time Otis, Lucas, Frieda and Frank were together. I know that Frieda went away with Lucas but Frank stayed with Otis. Maybe you should call Vaughnnetta and ask her to give you the phone # and address of Frank. She has it because they stay in contact all the time.
