Mr Smith

By now you should have received the letter that Benito Concepcion mailed to you. By now you should also know where to find the weapon and what type of weapon to look for. I believe this should conclude your case and that you won't be needing further assistance. However, I would appreciate if you would send me correct copy of the papers that I completed and signed which show that I volunteered to assist you in the Walsh case.

Respectfully,
/s/ Juan F. Vega,
