

1 (Thereupon, the following was heard on Tape 1,
2 Side 1.)

3 INVESTIGATOR GARDNER: Okay.

4 MR. MISTLER: That was accurate.

5 Then I took one for Hollywood Police Department,
6 which was approximately four years ago.

7 INVESTIGATOR GARDNER: Okay. I guess the first
8 thing -- Just a second.

9 I have a document I need you to sign. It's a
10 consent permitting me to give you a test. And
11 specifies some different things about polygraph and
12 about the procedures that are going to happen here
13 today.

14 This form is generic, it addresses all individuals
15 that I tested here on other issues other than
16 employment testing.

17 And so the language might be a little confusing on
18 some of it. It talks about you're advised of your
19 rights and things like that.

20 We do not believe that you committed any crime,
21 that you're any way involved in this abduction of this
22 child. But, you know, if you do make -- if you do
23 admit to any crimes here today, those admissions could
24 be used against you.

25 MR. MISTLER: Yeah.
