you came in at 9:35 and met with me and we went over to the Sears Parking lot for the purpose of allowing you to determine where at that time your vehicle had been parked on this particular day when you observed certain things that you are going to discuss in a few minutes. We have determined, rather you have, that you were actually parked on the south access door to the Sears Mall is that correct?

A: Yes.

Q: Okay. Relay to me now the events that led up to that day, the reason you were here in Broward County, Florida, you mentioned you had gone to a time-share. Tell me about that and where you went.

A: I went to a timeshare that's on the beach in Hollywood there was a little open beach next to the hotel, the hotel surrounded the pool. I went inside and said that I was notified about the prizes that I had won in the drawing of some sort and I had been selected. So I went upstairs, they told me the next one was gonna be at I believe it was around nine thirty, ten o'clock in the morning when I went into the hotel room where they're giving a - not a hotel room, but a conference hall or something, and they were high pressure sales talk, and finally I just told the guy listen I'm a college student, I am not, cannot afford three thousand dollars or whatever they wanted me to purchase and that I just wanted me prizes and I wanted to leave and he goes well do you mind if I go through my sales pitch and tell me what you think of it and I said sure and then he went through the whole speal and he wanted me to sign a paper stating that I would get this cause he wanted me to do it after I graduated college or get my father to do it and I said no I'm not

signing anything and that I just wanted to take my prizes now and go home. So the gentlemen finally said that I could go but I had to come downstairs and pick up my prize so I went downstairs and I asked the gentlemen that I am in the first prize group, there's three prize groups and he said to me that what my prize is, he went in and he pulled out some cheap jewelry, a little gold thing, it was very nice, and that was it and I told well there's supposed to be three prizes on it and that isn't there a master sheet where I can see what category my code numbers are. He told me that he had it and went inside the door again to bring it out, he brought it to me, I saw no codes on the sheet. He briefly explained it again, I said I don't understand it, and then after that I just said well I just wanted to go home, just let me have it and do you know where I can pick up a bathing suit or anything around here, if they have a gift shop or anything, he said no but there's a Sears Shop down at the end of the street.

Q: He said the end of the street?
A: Well yea down . . .
Q: Did he give you directions . . .
A: Yea he gave me . . .
Q: . . . east or west?
A: Yea he gave me directions, I'm going west on the same road that I came in.
Q: Did he mention the name of the road?
A: He did but I cannot remember . . .
Q: Hallandale Beach Boulevard?

A: Yea that's it. I came up Hallandale Beach Boulevard, pulled in in front of Sears.

Q: That's Hollywood Boulevard. Where the Sears Store is located.

A: Yea.

Q: Which is it. Hollywood or Hallandale or Broward Boulevard? Which street is it?

A: Uh . . .

Q: That's Hollywood Boulevard out here.

A: He told me what street but I can't remember. All I know is it was up the street from the beach.

Q: But today now you and I were noticin the Sears Store or the Sears Mall and you looked at the west access and said no I don't remember it having two doors is that right?

A: Yes.

Q: And you had selected this one on the south end, is that correct?

A: Yes because of I was parked next to a light pole and when I got out of the car and walked towards the mall, I was directly in line with the entrance to Sears.

Q: Do you remember seeing the Winkles Liquor Store, Shell City Liquor off to your right when you were walking in.

A: The next thing I observed was a gentlemen approach me with black hair combed straight back and greased and in a very well dressed suit and he recognized me and I did not recognize him. At this time I'm putting a flat tire that I had previously inside the bottom portion of my trunk.

Q: Uum huum.

A: I had a Ford Pinto Wagon and this gentlemen is talking to me, asking me how I'm doing and he recognized - I did not recognize him but I continued talkin to him and he briefly was saying something that I did not recognize or was strange to me and finally he just said take it easy and he said you too. And now I'm walking back, as soon as he left I left and I'm walking just about forty-five seconds after he left I'm walkin towards the mall on the left-hand side where the bumpers of the car are when I see a little boy come out and say I want my daddy. At this time I'm towards the middle of the parking lot and I stopped and looked over and a gentlemen behind a door of an older car was pointing inside the car and said "get in the car" very demanding to the child, at which time the little boy turned around, walked over back to the car and got in the front seat. There was a brief glimpse of someone coming around the corner of another car and then was back in it again as if he was coming into the car next to it. At this time, the gentlemen had pointed to me and said something demanding to me.

Q: Like what?

A: "What are you looking at" or "what are you doing". Or "what are you seeing Or "you didn't see nothin". That could have been it.

Q: Could you see his face?

A: I caught his face out of the glimpse of my eye, corner of my eye as I'm approaching . . .

Q: Like a peripheral view you mean.

A: Yes. Yes.

Q: Would you have recognized him again if you had seen him again?

A: I think I can.

Q: What brought your attention to this little boy and the fact that this was Monday, July 27th, 1981.

A: That night when I came home, well first of all, after I was leaving the mall, I had bought a pair of shorts, it was a cheap pair of white shorts to go back and go to the beach. There was a beautiful beach next to it and the surf was up. Well semi-up. To me I'm out there in Miami and everything's flat. Now when I get back to the car a gentlemen runs up to me, looks like a salesman of some kind and asked me if I saw a little boy getting in to a blue van. I told him no I haven't but I did see a little boy getting into an older car, I think it was a two-door and he just shook his head and started around the back.

Q: About what time of the day was this?

A: I would say . . .

Q: That the man came out to talk to you about the blue van, what time was it. I see you're wearing a wrist watch now, were you wearing one then?

A: No I wasn't. I guess I spent in Sears around half an hour.

Q: So what time was it when the man came running out?

A: I would guess around twelve thirty, one o'clock.

Q: Let's back track a little bit. What time was your appointment for the timesharing meeting?

A: I believe that was around nine thirty.

Q: So how long were you there?

A: About I would say more than an hour. More like an hour and a half.

Q: It's eleven o'clock then you leave there. That's an hour and a half. So between ten thirty and eleven, you leave there . . .

A: I believe it was more than an hour. And the meeting didn't start right away. I remember sitting around for a while waiting for someone because they were taken in groups. You'd be in there havin a cup of coffee and a bun in a hotel room with other customers, people that came to the same thing. When they would come back to the hotel room a salesman would take a couple.

Q: Did you go to that meeting with anybody?

A: No I didn't. And there was a note on the thing that says there you're supposed to be married or over a certain age group and I called them up about that and they said no, that's okay, come on in.

Q: So sometime between ten thirty and eleven AM on that day you left the meeting, having picked up your prize and then went west down on the boulevard and you went to the mall.

A: Right.

Q: Is that your first time at that mall?

A: Yes sir it was.

Q: When was your next time at that mall?

A: This morning.

Q: You were gonna say something.

A: I just remembered something about the gold that they gave me. I took it into the mall here and went to a jeweler to see if it was any value, if it was real gold or not.

Q: Let's see. You spent about an hour in the Sears Store?

A: I would say forty-five.

Q: It takes about fifteen minutes to come from the beach at 11:15 to 11:30 puts you in the parking lot. And you spent forty-five minutes in there.

A: Approximately.

Q: That's around 12:15 when you were leaving the parking lot.

A: Yes.

Q: At that time is there any landmark in the area here that would cause you to be sure that this was this particular Sears Store as opposed to the Broward Mall or as opposed to the Sears Store at Searstown in Fort Lauderdale. Or a Sears Store in Dade County, around 163rd Street. What landmark in this area is my question that caused you to say this is the parking lot that you observed this event to occur in.

A: The landmarks that I noticed were the pilars like in the front of the mall. I see that they haven't been there now. Type of drive-in through . . .

Q: Uum huum.

A: . . . at the front, very front of the mall. Now there are huger pilars it seems. I believe back then they were smaller pilars.

Q: When you left that day, what was your route to leave the mall? How did you get out of there.

A: I remember paying the - it was more of a tennis shorts that I bought inside the mall.

Q: So you leave the mall now which way are you going? You're in the Sears Store, which way did you drive your car out of the parking lot?

A: When I leave the parking lot?

Q: Yea.

A: Towards the west I believe. The street where I make a left after the stop light.

Q: You make a left at the stop light that puts you going out of here south-bound. What route did you take to go home that day.

A: I took I-95 back to . . .

Q: You would have had to have gone back out and made a left hand turn at the traffic light.

A: And then I got in 826 . . .

Q: To go home to Cutler Ridge.

A: Yea.

Q: When you came up that morning to go to the timeshare meeting, do you remember what street you got off on?

A: No I don't. But I do remember seeing a Hollywood sign getting off of 82 . . . or I-95.

Q: In the news recently a photograph of OTIS ELWOOD TOOLE has appeared on

the news. What did you think of the photograph of OTIS ELWOOD TOOLE in comparison to the person you observed that particular day?

A: He looked a bit scrubby. Not very clean shaven, the guy I thought was pretty much cleaned up and . . .

Q: How about his general face structure?

A: Looks familiar.

Q: The person you saw was wearing a suit jacket.

A: A suit jacket or a well dressed appearance.

Q: I have no more to ask you DAVE in your statement. Oh yes I do. One question. When the ADAM WALSH investigation was full blown, there were posters hanging out all over southeast Florida and they had photographs of a little boy on them. Did you ever see any of those posters?

A: Yes I did.

Q: And looking at those posters, you have made no mention this morning as to whether or not that that was a little boy that you saw sittin in the car.

A: It was a brief glimpse that I saw of the boy and when I turned to look full face at the boy, the boy had already turned to get inside the car.

Q: And you wouldn't be able to recognize the little boy if you ever seen him again after that.

A: A general description of him I could.

Q: Yea but not his face.

A: No.
